## **Fritz Erler Contra Willy Brandt:**

**Fritz Erler contra Willy Brandt** Hans Erler, 1976-01      **The German Social Democrats Since 1969** Gerard Braunthal, 2019-07-11 This thoroughly revised edition of *The West German Social Democrats 1969-1982* Profile of a Party in Power contrasts the period during which the SPD was in power with its role since 1982 as an opposition party Even though it was the senior party in the coalition governments of chancellors Willy Brandt and Helmut Schmidt it did not have the influence on domestic and foreign policy in the 1970s that it had hoped for Nevertheless it achieved insider status unlike its dual competitive and cooperative opposition role vis a vis the conservative governments of Helmut Kohl Braunthal also discusses the short lived East German SPD which formed during the crumbling months of the German Democratic Republic and then merged with the West German party shortly before unification In a period when some analysts pronounce the victory of capitalism and the death of socialism and others decry the crises among political parties the SPD has managed to remain relatively strong Yet the party argues the author will need to enhance its support especially in eastern Germany if it expects to regain political power in the 1990s Such a goal cannot be reached unless it projects a modern image minimizes intraparty discord copes successfully with the external social and economic forces affecting its development and has a dynamic leadership that presents appealing policy alternatives to the Kohl government Braunthal details the SPD's organization leadership factions constituent associations ideology voter support and elections relations to Parliament and government and influence on government policies He draws from a wealth of primary sources including unpublished German archival records and over 200 interviews with top politicians party officials SPD members and journalists Braunthal one of the leading Western scholars on the SPD presents here the definitive study of this pivotal party      *The West German Social Democrats, 1969-1982* Gerard Braunthal, 2019-06-26 The fall of the West German government in 1982 ended the 13 year rule of the Social Democratic Party SPD as the senior coalition partner under Chancellors Willy Brandt and Helmut Schmidt In perpetual opposition from 1949 to 1966 the Social Democrats finally entered the government as the junior coalition party in 1966 three years later they assumed primary responsibility for guiding the nation The central theme of this detailed examination of the SPD during its years of governance is that social and economic forces in the nation had a major effect often unsettling on the party at a time when it had achieved the pinnacle of political power Significant changes in the party's organization membership leadership factionalism ideology and voter support limited its role within the political system in the executive and legislative branches and its influence on domestic and foreign policies Yet its ability to remain in power for a comparatively long period attests to its strength and respectability among the voting public Dr Gerard Braunthal draws on a wealth of documentation some unpublished located primarily in German archives and libraries In addition he interviewed more than 120 persons ranging from the top SPD leaders to staff officials members and other specialists to gain a greater understanding of a party that is one of the most powerful in Western Europe and in the social democratic world and whose

organization has been a model of the twentieth century mass party      Peace and Survival David Gress,1985      *Grabgesang der Demokratie* Christian Schletter,2015-05-20 The history of the old Federal Republic is generally acknowledged to be a success story although it was fraught with conflict and crises Not without reason did contemporaries repeatedly see the democratic order of the Federal Republic on the verge of breakdown This striking discrepancy between interpretations is the starting point of Christian Schletter s study He carries out for the first time quantitative and qualitative analyses of debates in the Spiegel and the Rheinischen Merkur in the period 1965 1985 on the failure of West German democracy      **Willy Brandt und Helmut Schmidt** Gunter Hofmann,2012-09-20 Gunter Hofmann langj hriger Chefkorrespondent der ZEIT schildert die faszinierende Beziehung zwischen zwei ber hmten Deutschen die gegens tzlicher kaum h tten sein k nnen Seine intime Kenntnis der Akteure und Ereignisse sein feines Gesp r f r die seelischen Konstellationen und nicht zuletzt sein gl nzender Stil machen dieses Buch ber zwei Weggef hrten Kanzler und Rivalen zu einer spannenden Lekt re Der eine war im Exil gegen Hitler der andere Wehrmachtssoldat Der eine war Minderheitsdeutscher der andere stand f r die Mehrheit Wenig passte zusammen in diesen Leben von Willy Brandt und Helmut Schmidt Und dennoch sie fanden einen Grundkonsens der erst im hochdramatischen Streit um die Nachr stung ersch ttert wurde Vielleicht gerade weil ihre Freundschaft so schwierig war wurden zwei derart au ergew hnliche Kanzlerschaften daraus      **War by Other Means** Jeffrey Herf,1991 NATO s decision to deploy nuclear weapons the Euromissiles in Western Europe in 1983 met fierce opposition from the European left This book argues that many of the left wing organizations in West Germany were motivated by Soviet propaganda and that Kohl s success in having the missiles deployed was an important victory over the Soviets and their supporters and confirmed the link between West German democrats and the the democratic regime of the USA and Western Europe      **victoria sin guerra ,      Willy Brandt und Frankreich** Horst M llner,Maurice Vaisse,2009-12-16 Herausgegeben im Auftrag des Instituts f r Zeitgeschichte von Helmut Altrichter Horst M ller Andreas Wirsching      *A London Bibliography of the Social Sciences* British Library of Political and Economic Science,1931 Vols 1 4 include material to June 1 1929      **The British Library General Catalogue of Printed Books 1976 to 1982** British Library,1983      **Pax Atomica** Stuart Mark Cioc,1986      La escuela de Fráncfort Wiggershaus, Rolf,2021-10-01 El estudio m s completo publicado hasta ahora sobre la denominada Escuela de Fráncfort vinculada a Adorno Horkheimer Benjamin Marcuse Fromm y Habermas El autor estudia los or genes y desarrollo de sta los debates que la caracterizaron sus dificultades en el exilio su retorno a Europa su institucionalizaci n recepci n y creciente influencia en el debate acad mico y pol tico en las ltimas d cadas      **Subject Catalog** Library of Congress,1977      *Subject Catalog, 1977* Library of Congress,1977      **La Revolución Portuguesa 1974-1975** António Louçã,2024-10-07 La Revoluci n de los Claveles no fue una revoluci n democr tica triunfante sino una revoluci n socialista derrotada Para erradicar de una vez por todas las amenazas fascistas deber a haber revolucionado los cimientos de la sociedad Empez a hacerlo bajo la presi n de un poder popular que sin embargo siempre existi como poder
