their presence causes fear in people Some people even try to worship them But what do they think of us What would the angels say if they could tell the Bible stories from their perspective The stories from the Old Testament are told by a fictional anonymous angel The angel not only tells well known stories from his point of view he also participates in many of the stories as well The storyteller gives a glimpse into a spiritual world that few people get to see Based on passages in Revelation and other books of the Bible the angel reveals God's holy throne describes the angelic battle between good and evil questions man's ill fated decisions and grieves with God over man's fall The angel even explains to us why God made the choices he made Is it an angel or is it Christ The angel tells all Herein is Love, Vol. 2: Exodus Nancy Ganz,2002-11-30
