Watson, 2024-06-25 The definitive history of the Wesleyan movement in the United States An expansive substantive history of the Wesleyan tradition in the United States Doctrine Spirit and Discipline offers a broad survey of the Methodist movement as it developed and spread throughout America from the colonial era to the present day It also provides an theological appraisal of these developments in light of John Wesley s foundational vision Beginning with Wesley himself Watson describes the distinctiveness of the tradition at the outset Then as history unfolds he identifies the common set of beliefs and practices which have unified a diverse group of people across the centuries providing them a common identity through a number of divisions and mergers In the midst of the sweeping changes happening in Methodism and the pan Wesleyan movement today Watson shows that the heart of the Wesleyan theological tradition is both more expansive and substantive than any singular denominational identity A fresh panoramic overview of the history of the Methodist movement Promises to be a standard textbook on the history of Methodism for years to come TIMOTHY C TENNENT Asbury Theological Seminary **Silenced** Christy Mesaros-Winckles, 2023-09-25 In *Silenced* The Forgotten Story of Progressive Era Free Methodist Women Christy Mesaros Winckles delves into the gender debates within the Free Methodist Church of North America during the Progressive Era 1890 1920 This interdisciplinary work draws on narrative research and gender studies to reconstruct the lives of forgotten women who served as Free Methodist evangelists and deacons examining their writings and speeches to illustrate how they promoted and defended their ministries Mesaros Winckles argues that the history of Free Methodist women is a microcosm of the struggle for recognition and acceptance faced by women across numerous evangelical traditions especially amidst rising fundamentalism at the turn of the twentieth century This book provides an important contribution to the fields of American history theology media studies and gender studies and will also be of interest to rhetorical history and communication theory scholars
