From Brezhnev To Gorbachev Domestic Affairs And Soviet Foreign Policy:

From Brezhnev to Gorbachev Hans-Joachim Veen, 1987 **From Brezhnev to Gorbachev** Research Institute of the Konrad-Adenauer-Stiftung, **Domestic Determinants of Soviet Foreign Policy towards South Asia and the Middle East** Hafeez Malik, 1990-06-18 A collective endeavour of scholars highlighting some of the significant domestic determinants of Soviet foreign policy There is a general consensus that policy makers are influenced by Islam the Soviet Central Asian nationalities oil and geography *The Course of Russian History, 5th Edition* Melvin C. Wren, Taylor Stults, 2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia's turbulent history *Soviet Politics* Richard Sakwa, 2012-11-12 Soviet Politics in Perspective is a new edition of Richard Sakwa's successful textbook Soviet Politics an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev's attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader **Leaders of Russia and the Soviet Union** John Paxton, 2013-08-21 This reference work surveys the leaders of Russia and the Soviet Union from Michael the first Romanov tsar in 1613 through the creation and dissolution of the Soviet Union to the present day President of the Russian Federation Vladimir Putin Chronologically arranged these biographies paint a thorough yet succinct portrait of 30 leaders including discussion about the family and

education of each ruler important legislation events and wars under each leader's rule and each leader's achievements and impact on Russia or the Soviet Union *Department of State Publication* ,1991 Each issue covers separate country

Sharlet traces the gradual evolution of a nascent constitutionalism in the erstwhile USSR Sharlet a noted authority on Soviet law and constitutional development demonstrates the gradual transformation of law from an instrument of Communist Party rule into the new rules of the game for nonauthoritarian political development In effect he argues one of Gorbachev s most durable achievements may be his redefinition of Soviet politics into a legal idiom along with his relocation of policymaking from behind the closed doors of Party conclaves into the more open emergent arena of constitutional government In analyzing the politics of law from the Brezhnev era to the rise of Yeltsin the author takes account of the war of laws the symbolic uses of the Soviet constitution and even the fact that the leaders of the failed coup attempted to justify their seizure of power on constitutional grounds Constitutionalism has sufficiently suffused Soviet public life the book concludes that most of the sovereign republics as successors to the former USSR have begun designing their futures to varying degrees in constitutional forms

Problems of Communism ,1988

Analyzing Strategic Nuclear Policy Charles L. Glaser,2014-07-14 With sweeping changes in the Soviet Union and East Europe having shaken core assumptions of U S defense policy it is time to reassess basic questions of American nuclear strategy and force requirements In a comprehensive analysis of these issues Charles Glaser argues that even before the recent easing of tension with the Soviet Union the United States should have revised its nuclear strategy rejecting deterrent threats that require the ability to destroy Soviet nuclear forces and forgoing entirely efforts to limit damage if all out nuclear war occurs Changes in the Soviet Union suggests Glaser may be best viewed as creating an opportunity to make revisions that are more than twenty years overdue Glaser s provocative work is organized in three parts The Questions behind the Questions evaluates the basic factual and

theoretical disputes that underlie disagreements about U S nuclear weapons policy Alternative Nuclear Worlds compares mutual assured destruction capabilities MAD a world in which both superpowers societies are highly vulnerable to nuclear retaliation to the basic alternatives mutual perfect defenses U S superiority and nuclear disarmament Would any basic alternatives be preferable to MAD Drawing on the earlier sections of the book Decisions in MAD addresses key choices facing American decision makers Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
