Gingras, 1973-01-01 Lowering the Bar Marc Galanter, 2006-08-08 What do you call 600 lawyers at the bottom of the sea Marc Galanter calls it an opportunity to investigate the meanings of a rich and time honored genre of American humor lawyer jokes Lowering the Bar analyzes hundreds of jokes from Mark Twain classics to contemporary anecdotes about Dan Quayle Johnnie Cochran and Kenneth Starr Drawing on representations of law and lawyers in the mass media political discourse and public opinion surveys Galanter finds that the increasing reliance on law has coexisted uneasily with anxiety about the legalization of society Informative and always entertaining his book explores the tensions between Americans deep seated belief in the law and their ambivalence about lawyers **Catalog of Copyright Entries. American Legacy C. David Heymann, 2007-07-10 From the moment of their births John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States if not the world Even as young children growing up in the White House their most subtle gestures and actions made headlines Yet until now they have not been the subject of a dual biography In that sense this volume represents a first In American Legacy 1 New York Times bestselling author C David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy A longtime biographer of various members of the Kennedy clan including Jackie and Robert Kennedy Heymann covers John s and Caroline s childhood in the White House the dark aftermath of their father s assassination their uneasy adolescence and the many challenges they faced as adults all under the glaring eye of the media He reveals John s and Caroline s loving but at times trying relationship with their larger than life mother as well as Jackie s own emotional struggles romantic relationships and financial concerns following JFK s death Other revelations brought to light for the first time in American Legacy include the assassination attempt made on Jackie just before she gave birth to John JFK Jr s romantic escapades prior to marrying Carolyn Bessette and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources the shocking report of the autopsy performed on John following the tragic plane crash that killed him Carolyn and her sister Lauren Caroline s rise to become one of the wealthiest women in America and her life now as the sole keeper of her family s magnificently complex legacy Utterly compelling and full of new and fascinating details American Legacy overturns much of what we thought we knew about two of the most talked about members of the Kennedy family
