From Family To Market Labor Allocation In Contemporary China:

From Family to Market Fei-Ling Wang, 1998 This book analyzes Chinese history politics and economic development through the lens of labor allocation within the world's largest workforce Capturing the peculiarities continuities and changes in the PRC's institutional structure Fei Ling Wang examines the segmented nature of China's labor force today He points to the rare coexistence of four labor allocation patterns the traditional family based system authoritarian state allocation community based labor markets and the emerging national labor market China's enduringly stable yet backward institutional structure was based firmly on a mix of family and state institutions now the addition of market forces highlights the PRC's transitional state Bolstered with rich case study detail and Chinese source material this study argues that the development of labor allocation patterns will profoundly influence China's political and economic development in the coming century

Urban Transformation in China Gordon G. Liu, 2017-03-02 This book provides a general description and evaluation of the process of urbanization in China and the urgent challenges facing the Chinese government Urban Transformation in China examines the changing pattern of China's urban population and the determinants of these changes including an analysis of the spatial structures of China's cities and industry and an assessment of urban productivity growth and the role of mega cities in national development The book's coverage encompasses both academic and policy perspectives With its sister volume Urbanization and Social Welfare in China it provides a comprehensive and multidisciplinary overview of the country's urbanization process

China's Long March to Freedom Kate Zhou, 2017-09-08 China is more than a socialist market economy led by ever more reform minded leaders It is a country whose people seek liberty on a daily basis Their success has been phenomenal despite the fact that China continues to be governed by a single party Clear distinctions between the people and the government are emerging underlining the fact that true liberalization cannot be imposed from above Although a large percentage of the Chinese people have been part of China's long march to freedom farmers entrepreneurs migrants Chinese gays sex pleasure seekers and black marketers played a particularly important role in the beginning Lawyers scholars journalists and rights activists have jumped in more recently to ensure that liberalization continues Social dissatisfaction with the government is now published in the media addressed in public forums and deliberated in courtrooms Intellectuals devoted to improvement in human rights and continued liberalization are part of the process This grassroots social revolution has also resulted from the explosion of information available to ordinary people especially via the Internet and far reaching international influences All have fundamentally altered key elements of the moral and material content of China's party state regime and society at large This social revolution is moving China towards a more liberal society despite its government The Chinese government reacts rather than leads in this transformative process This book is a landmark a decade in the making

In the Eyes of the Dragon Yong Deng, Fei-Ling Wang, 2000-01-01 Presenting new and invaluable Chinese perspectives on international relations in general and Beijing's foreign policy in particular this work offers the first

balanced and thoroughly researched analysis by Chinese scholars Drawing on original Chinese sources and interviews In the Eyes of the Dragon explores Chinese views on sovereignty national interest security multilateralism international human rights nuclear nonproliferation Taiwan and the United States Illuminating how China views the post Cold War world and its place therein the contributors enhance our understanding of the nationalist sentiments driving the PRC s foreign policy and elevate the debate over China to a higher more sophisticated and productive level Private Entrepreneurs in China and Vietnam Thomas Heberer,2003-01-01 Based on extensive field research in China and Vietnam the book reveals that the new body of entrepreneurs is not only interested in social and political processes of change but is also actively trying to shape them **Discontented Miracle: Growth, Conflict, And Institutional Adaptations In China** Dali L Yang,2007-05-11 China has been enjoying stellar economic growth for more than a quarter of a century Yet the rapid growth amid market oriented reforms has not been an unalloyed blessing The China Miracle has been accompanied by soaring income inequality and rising social tensions over taxing China s resource base and contributing to an environmental crisis Despite substantial improvement in the standard of living and other social indicators China s leaders have in the aftermath of the Tiananmen crackdown steadfastly held back the opening up of the political system In this volume contributors from the disciplines of economics political science and sociology examine how existing institutions broadly defined might have exacerbated tensions in China s evolving economy society and polity as well as how institutional developments have been introduced to deal with existing or emerging conflicts and tensions **Paradoxes of Labour Reform** Luigi Tomba,2014-01-21 Labour reform is only one component of the larger process of reforming economy and society experienced by China over the last three decades This book uses historical analytical tools in order to shed light on how policymaking takes place in contemporary China an experimental and self fulfilling process where decisions are taken only long after being introduced into daily practice It will be valuable to students of contemporary Chinese society and key to the understanding of 25 years of Chinese labour reform **Understanding Inequality in China** Xiaogang Wu,Jia Miao,2024-11-11 This edited volume provides an overview of inequality and stratification in contemporary China A rare and timely resource it presents key research on the topic published in Chinese Sociological Review from 2011 to 2023 using one or multiple waves of Chinese General Social Survey CGSS data reflecting the advancement of the field over the past decade The CGSS launched in 2003 and modelled after the US General Social Survey is an annual or biennial cross sectional survey of a nationally representative sample of the population from all provinces except for Tibet Certain waves of CGSS data e g 2003 and 2008 contain detailed retrospective information about education and job history which can be analysed to address various issues related to educational stratification and career mobility in both the pre reform and reform eras At the junction of the 20th anniversary of the CGSS 2003 2023 this volume draws on CGSS data to uncover dynamic and evolving inequality in China by examining topics such as education stratification income inequality career and intergeneration mobility and how they are shaped by the socialist post

socialist institutional structure such as the household registration hukou system the work unit danwei system This collection significantly advances the understanding of Chinese social stratification extending far beyond scholars initial interests in the social consequences of the market transition This volume invites social scientists to think more deeply about how politics and economics interplay with other social and demographic trends in shaping the pattern of inequality and provides a rich source and foundation for understanding inequality dynamics in contemporary China

Handbook on Class and Social Stratification in China Yingjie Guo,2016-01-29 This comprehensive and interdisciplinary Handbook illustrates the patterns of class transformation in China since 1949 situating them in their historical context Presenting detailed case studies of social stratification and class formation in a wide range of settings the expert international contributors provide invaluable insights into multiple aspects of China s economy polity and society The Handbook on Class and Social Stratification in China explores critical contemporary topics which are rarely put in perspective or schematized therefore placing it at the forefront of progressive scholarship These include state power as a determinant of life chances women s social mobility in relation to marriage the high school entrance exam as a class sorter class stratification in relation to health China s rural migrant workers and labour politics Eminently readable this systematic exploration of class and stratification will appeal to scholars and researchers with an interest in class formation status attainment social inequality mobility development social policy and politics in China and Asia

Social Structure Of Contemporary China Xueyi Lu,2012-07-24 This book is the third study done by the Research Group on Social Structure Change in Contemporary China a group affiliated with the Institute of Sociology Chinese Academy of Social Sciences The group has focused on the process of development and change in contemporary Chinese social structure and come to the following conclusions Contemporary China is transitioning from a traditional agricultural and rural society to a modern industrialized and urban society from a highly centralized planned economy to a robust socialist market economic system The entire society is undertaking an unprecedented evolution During the three decades of reform and opening up China has made brilliant achievements never seen before in history Now China is in a critical period of reform and opening up with very complex far reaching and closely intertwined social problems which are also unprecedented After deep and detailed analysis the Research Group believes that these problems cannot be resolved only by economic methods In order to get to the roots of these social problems China must develop new social policies strengthen the social structure and carry out social system reform The core purpose of the book is to recommend theories and methods on social structure to society and readers and to investigate the development and change in China s social structure We believe that social structure theory a brand new point of view to analyze the current situation is capable of deciphering the social contradictions in China s development to some extent as opposed to mere economic theory which is inadequate to fully address the structural problems in China

Reform, Legitimacy And Dilemmas: China's Politics And Society Gungwu Wang,Yongnian Zheng,2001-02-06 How has China s post Deng leadership governed the country How

have the changing social and political environments shifted the bases of political legitimacy What strategies has Jiang Zemin adopted to cope with new circumstances in order to strengthen his leadership What are the challenges these new reform measures have generated for the leadership And how have domestic concerns constrained the leadership's intention in China's foreign relations These are some of the questions which this volume attempts to address The authors agree that Jiang Zemin is not a man without any political initiative He has struggled to establish his own style of leadership and to strengthen the legitimacy of his leadership by setting forth new rules and institutions for political games and by finding new measures to cope with new challenges This collection of articles shows the success Jiang and his colleagues have had in strengthening their leadership how the different reform measures have strengthened Jiang's rule and how the ongoing reform has created new challenges for his regime

The United States and the Korean Peninsula in the 21st Century Tae-Hwan Kwak, Seung-Ho Joo, 2017-11-30 In the post Cold War era US relations with the two Korean states the Republic of Korea ROK and the Democratic People's Republic of Korea DPRK have been undergoing profound changes with critical and immediate repercussions for peace and security in the Korean Peninsula and Northeast Asia This volume examines the key political security and economic aspects of US ROK and US DPRK relations focusing on the current status salient issues and future prospects Drs Kwak and Joo are distinguished professionals in the field and their volume constitutes a very interesting addition to the available literature

Emerging Cultural Markets and Private Enterprise in China David Gordon Hudgens, 2001

Labour Migration and Social Development in Contemporary China Rachel Murphy, 2008-10-08 Since the mid 1980s mass migration from the countryside to urban areas has been one of the most dramatic and noticeable changes in China Labour migration has not only exerted a profound impact on China's economy it has also had far reaching consequences for its social development This book examines labour migration in China focusing on the social dimensions of this phenomenon as well as on the economic aspects of the migration and development relationship It provides in depth coverage of pertinent topics which include the role of labour migration in poverty alleviation the social costs of remittance and regional gender and generational inequalities in their distribution hukou reform and the inclusion of migrants in urban social security and medical insurance systems the provision of schools for migrants children the provision of sexual health services to migrants the housing conditions of migrants the mobilization of women workers social networks to improve labour protection and the role of NGOs in providing social services for migrants Throughout it pays particular attention to policy implications including the impact of the recent policy shift of the Chinese government which has made social issues more central to national development policies and has initiated policy reforms pertaining to migration

Institutions and Institutional Change in China F. Wang, 2016-01-18 Wang proposes and applies an innovative analytical framework to study the institutional continuity and changes in China More specifically this study examines and explains the peculiar premodernity and the profound modernization process of China On the track of a state led modernization the dragon of China

is found to be institutionally entering the nets of the market economy An inquiry of China's labour allocation patterns and their changes serves as the indicator for the institutional analysis

Organizing Through Division and Exclusion

Fei-Ling Wang, 2005-01-05 This book is the first comprehensive examination of China's hukou household registration system The hukou system registers and governs the 1.3 billion Chinese while creating deep and rigid divisions and exclusions in many domains the system determines how the Chinese live and shapes China's sociopolitical structure and socioeconomic development This book shows that the system has made both positive and negative contributions to contemporary Chinese society it has helped foster rapid economic growth and political stability but also has reinforced social stratification the rural-urban divide regional inequalities and discrimination and injustice Using rich new materials this book traces the history and development of the hukou system It describes the functions impact and operational mechanisms of the system It also analyzes the hukou in comparison with the systems of exclusion and discrimination in other nations notably Brazil and India This book presents important insights for understanding China's past present and future

On Rural Society and Village Governance in Contemporary China, 2023-08-14 The rapid marketization of rural labor agricultural products and land has dramatically reshaped village life and its structures of governance This volume edited by Alexander F Day collects twelve key essays translated from Chinese on this transformation of rural society and governance over the past 20 years These essays originally published in the leading Chinese language journal Open Times cover class differentiation the atomization of rural society the hollowing out of rural governance land transfer rural activism against marketization lineage politics the role of agricultural cooperatives the transformation of small peasant farmers into wage labor and the disintegration and expansion of peasant petitioning all exploring the transformation in rural China during the post-socialist era

Aspirational Chinese in Competitive Social Repositionings Jia Gao, 2023-08-08 In the past four or so decades a significant amount of research efforts has been made to examine the rapid and constant social changes in China However most of the literature has focused on either macro or micro level issues and what has not been adequately analysed is how the majority of ordinary people has reacted to and influenced the changes This inadequacy has affected our understanding of Chinese society its dynamics and the changing trends Drawing upon a new perspective of competitive social repositioning and the evidence recorded in numerous recent publications and interview data this book seeks to re-examine the ever-changing but under-researched societal dynamics driving social transformations in China from 1964 when the communist heir narrative was rebranded and utilised to 2000 when Jiang Zemin formulated the Three Represents theory to modify the ideological political thinking of China's ruling elites This analysis focuses on how a high proportion of aspirational citizens have kept repositioning themselves in China's changing distributions of social resources and social structure how their attitudes and behaviours have been shaped over time what characteristics of their choices are at different stages and how their preferences have resulted in the zig-zag patterns of China's recent social change

Modernization Of China's Agricultural Production Organizations

Cao Yang,2023-03-10 This book constructs a new theoretical framework for understanding contemporary Chinese agricultural production organizations from the perspective of promoting farmers realization of substantial freedom and feasible ability The new theoretical framework deepens and expands the theory of agricultural modernization and production organizations The book discusses the multi symbiosis pattern of agricultural production organizations in contemporary China from macro and micro economics perspectives Based on the peasant household economy this multi symbiosis organizational structure co exists and interweaves with various forms of economic organizations The book points out that this multi symbiosis organizational structure is the result of free choice of the majority of farmers since the reform and opening up in turn it also provides a broader organizational and institutional space for farmers diversified choices The book predicts that China s agricultural production organization networking will gradually move towards networking based on diversification and also form networked organization groups **International Journal of Urban Sciences** ,2001
