Bautch,Gary N. Knoppers,2015-11-11 The 22 essays in this new and comprehensive study explore how notions of covenant especially the Sinaitic covenant flourished during the Neo Babylonian Persian and early Hellenistic periods Following the upheaval of the Davidic monarchy the temple s destruction the disenfranchisement of the Jerusalem priesthood the deportation of Judeans to other lands the struggles of Judeans who remained in the land and the limited returns of some Judean groups from exile the covenant motif proved to be an increasingly influential symbol in Judean intellectual life The contributors to this volume drawn from many different countries including Canada Germany Israel South Africa Switzerland and the United States document how Judean writers working within historiographic Levitical prophetic priestly and sapiential circles creatively reworked older notions of covenant to invent a new way of understanding this idea These writers examine how new conceptions of the covenant made between YHWH and Israel at Mt Sinai play a significant role in the process of early Jewish identity formation Others focus on how transformations in the Abrahamic Davidic and Priestly covenants responded to cultural changes within Judean society both in the homeland and in the diaspora Cumulatively the studies of biblical writings from Genesis to Chronicles demonstrate how Jewish literature in this period developed a striking diversity of ideas related to covenantal themes **The Books of the Chronicles** Carl Friedrich Keil,1872 The Genesis Chronicles Johnnie R. Jones,2015-07-29 To save mankind God must continually intervene in their affairs He chooses Moses to pen the words of the book of beginnings The Genesis Chronicles As he writes Moses is amazed at what he learns occurred during the first centuries of history Time and time again mankind rebelled against God yet His reaction to each rebellion was more than astonishing In this historical fiction novel reread the book of Genesis in a mind grabbing mesmerizing way All fifty chapters from creation to the life of Joseph are filled with high action drama and life circumstances that will keep you reading for hours You will never see Genesis the same way again **All the Genealogies of the Bible** Nancy S. Kaminski, 2005-01-01 The primaeval blessing Be fruitful and multiply and fill the earth first announced to humankind in Genesis 1:28 is renewed to Noah and his sons after the flood in Genesis 9:1 There is widespread scholarly consensus that the ensuing dispersion in Genesis 10:1-32 and 11:1-9 is the means by which the creation blessing is fulfilled Kaminski argues that the primeval blessing is not fulfilled in the Table of Nations and that Yahweh's scattering Noah's descendants in the Babel story does not contribute positively to the creation theme Rather the creation blessing is being taken up in the primary line of Shem Genesis 11:10-26 which leads directly to Abraham She further suggests that divine grace is not absent after the Babel judgment as is commonly assumed but is at work in the Shemite genealogy She argues that the primeval blessing which is unfulfilled in the primaeval history is taken up by Abraham and his descendants by means of a divine promise While the blessing is in the process of being realised in the patriarchal narratives it is not fulfilled The multiplication theme is resumed however in Exodus 1:7 which describes Israel's proliferation in Egypt This is the first indication that the creation blessing is fulfilled Realisation of the primaeval blessing progresses after the flood therefore from Noah to Israel Yet God's blessing on Israel is not for their sake alone it is the means through which the divine intention for creation will be restored to the world JSOTS413
