Robinson,1893 Sermons On Selected Lessons Of The New Testament St. Augustine of Hippo, The Sermons of St Augustine besides their other excellencies furnish a beautiful picture of perhaps the deepest and most powerful mind of the Western Church adapting itself to the little ones of Christ In them he who has furnished the mould for all the most thoughtful minds for fourteen hundred years is seen forming with loving tenderness the babes in Christ Very touching is the child like simplicity with which he gradually leads them through what to them were difficulties watching all the while whether he made himself clear to them keeping up their attention pleased at their understanding dreading their approbation and leading them off from himself to some practical result Very touching the tenderness with which he at times reproves the allowance which he makes for human infirmities and for those in secular life if they will not make their infirmities their boast or in allowed duties and indulgences forget God But his very simplicity precludes the necessity of any preface His Sermons explain themselves They appear from a passage in the Commentary on the Psalms to have been often taken down in writing at the time by the more attentive sort of hearers as were those of St Chrysostom Possidius states that this was done from the commencement of his presbyterate and that thence through the body of Africa excellent doctrine and the most sweet savour of Christ was diffused and made manifest the Church of God beyond seas when it heard thereof partaking of the joy Observations on Sonthey's Life of Wesley Richard Watson,1821

cramped compartment of a passenger carriage A Christian does not quickly and easily achieve true love for God Here is what Saint Bishop Ignatius says about this Quite often we begin to serve God by means of such a method that is contrary to the ordinance of God forbidden by God which brings harm to our souls not good So some having read in the Holy Scriptures that love is the highest of virtues that it is God they begin and intensify immediately to develop in their hearts the feeling of love by them to dissolve their prayers divine contemplation all their actions God turns away from this unclean sacrifice It requires love from a person but true spiritual holy love not dreamy carnal defiled by pride and voluptuousness It is impossible to love God otherwise than with a heart purified and sanctified by Divine grace Love for God is a gift from God it is poured into the souls of God s true servants by the action of the Holy Spirit On the contrary that love which belongs to our natural properties is in sinful damage that encompasses the entire human race the entire being of every person all the properties of every person A Prayer to St Bishop Ignatius O Lord Grant us to see our sins so that our mind drawn fully to the attention of our own faults ceases to see the faults of our neighbors and would thus see all our neighbors as good Grant us to behold in the light of Thy Grace the various ailments living in us which destroy the spiritual movements in the heart and introduce into it blood and carnal movements hostile to the Kingdom of God Grant us the great gift of repentance preceded and born of the great gift of the seeing of our sins Protect us with these great gifts from the abysses of self delusion which opens in the soul from its unnoticed and incomprehensible sinfulness and is born of the action of voluptuousness and vanity the soul does not notice and does not understand Preserve us with these great gifts on our way to You and grant us to reach You who calls on sinners who are aware of being such and rejects those who recognize themselves as righteous may we forever praise Thee in eternal bliss the One True God the Redeemer of the captives the Savior of those perished Amen
