

DREAM THEORY

A surreal, dreamlike landscape featuring floating islands, a glowing portal, and a celestial sky. The scene is set in a vast, dark blue space filled with stars and nebulae. In the center, a large, lush green island floats above a body of water, with a bright, glowing blue and white portal or archway on its surface. The portal is reflected in the water below. To the left, another floating island is visible, with a small, glowing blue orb hanging from it. To the right, a large, crescent moon hangs in the sky, and several smaller, glowing spheres are scattered throughout. The overall atmosphere is ethereal and otherworldly, with a color palette dominated by blues, greens, and purples.
