Jewish and Christian Scriptures James H. Charlesworth, Lee Martin McDonald, 2010-07-29 The Idea of Israel in Second Temple

Judaism Jason A. Staples, 2021-05-20 In this book Jason A Staples proposes a new paradigm for how the biblical concept of Israel developed in Early Judaism and how that concept impacted Jewish apocalyptic hopes for restoration after the Babylonian Exile Challenging conventional assumptions about Israelite identity in antiquity his argument is based on a close analysis of a vast corpus of biblical and other early Jewish literature and material evidence Staples demonstrates that continued aspirations for Israel's restoration in the context of diaspora and imperial domination remained central to Jewish conceptions of Israelite identity throughout the final centuries before Christianity and even into the early part of the Common Era He also shows that Israelite identity was more diverse in antiquity than is typically appreciated in modern scholarship His book lays the groundwork for a better understanding of the so called parting of the ways between Judaism and Christianity and how earliest Christianity itself grew out of hopes for Israel's restoration *Dictionary of Jesus and the Gospels* Joel B. Green, Prof. Jeannine K. Brown, Nicholas Perrin, 2013-10-04 Nearly all of the 175 articles in the Dictionary of Jesus and the Gospels have been reconceived and rewritten to reflect developments in the field since the 1992 edition Showcasing the work of a new generation of scholars this volume surveys scholarship and method in historical Jesus studies New Testament textual criticism and more The Aggada of the Bavli and Its Cultural World Geoffrey Herman, Jeffrey L. Rubenstein, 2018-08-10 Essays that explore the rich engagement of the Talmud with its cultural world The Babylonian Talmud Bavli the great compilation of Jewish law edited in the late Sasanian era sixth seventh century CE also incorporates a great deal of aggada that is nonlegal material including interpretations of the Bible stories folk sayings and prayers The Talmud's aggadic traditions often echo conversations with the surrounding cultures of the Persians Eastern Christians Manichaeans Mandaeans and the ancient Babylonians and others The essays in this volume analyze Bavli aggada to reveal this rich engagement of the Talmud with its cultural world Features A detailed analysis of the different conceptions of martyrdom in the Talmud as opposed to the Eastern Christian martyr accounts Illustration of the complex ways rabbinic Judaism absorbed Christian and Zoroastrian theological ideas Demonstration of the presence of Persian Zoroastrian royal and mythological motifs in talmudic sources **The Lord Bless You (Touchstone Texts)** Stephen B. Chapman, 2025-08-26 The Priestly Blessing in Numbers 6 The Lord bless you is one of the most familiar and widely used liturgical texts in Christianity Although often recited it is not usually a subject of in depth study In this addition to the Touchstone Texts series highly regarded Old Testament scholar Stephen Chapman provides a detailed engagingly written exposition of the Priestly Blessing as well as a broader exploration of blessing in the Old Testament He explores the historical and liturgical use of the Priestly Blessing in the Jewish and Christian traditions and discusses key issues related to the practice of blessing within contemporary Christianity His interpretation of the Priestly Blessing highlights the importance of the divine name and the way the blessing offers a vision of religious faith as name bearing Chapman's volume will be a helpful resource for pastors and seminarians and an important reminder to all Christians of the centrality of blessing to the life of faith The Touchstone

Texts series addresses key Bible passages making high quality biblical scholarship accessible to the church The series editor is Stephen B Chapman **The Other Lands of Israel** Liv Ingeborg Lied,2008 According to the current scholarly consensus the apocalypse of 2 Baruch written after the Fall of Jerusalem either rejected the concept of the Land of Israel as a place of salvation or regarded it as of minor importance Inspired by the perspective of Critical Spatial Theory this book discusses the presuppositions behind this consensus with regard to the spatial epistemology it assumes and explores the conception of the Land as a broad redemptive category The result is a fresh portrait of the vitality of the Land theme in the first centuries of the common era and a new perspective on the spatial imagination of 2 Baruch Law and Religion in the Eastern Mediterranean Anselm C. Hagedorn,Reinhard G. Kratz,2013-10 This volume addresses the similarities and differences in the role played by law and religion in various societies across the Eastern Mediterranean Approaching these subjects in an all encompassing manner it also looks at the notion of law and religion in this region as a whole in both the geographical as well as the historical space Matthew and the Mishnah Akiva Cohen,2016-06-10 Akiva Cohen investigates the general research question how do the authors of religious texts reconstruct their community identity and ethos in the absence of their central cult His particular socio historical focus of this more general question is how do the respective authors of the Gospel according to Matthew and the editor s of the Mishnah redefine their group identities following the destruction of the Second Temple Cohen further examines how after the Destruction both the Matthean and the Mishnaic communities found and articulated their renewed community bearings and a new sense of vision through each of their respective author redactor s foundational texts The context of this study is thus that of an inner Jewish phenomenon two Jewish groups seeking to re establish their community identity and ethos without the physical temple that had been the cultic center of their cosmos Unfamiliar Selves in the Hebrew Bible Reed Carlson,2022-01-19 Spirit possession is more commonly associated with late Second Temple Jewish literature and the New Testament than it is with the Hebrew Bible In Unfamiliar Selves in the Hebrew Bible however Reed Carlson argues that possession is also depicted in this earlier literature though rarely according to the typical western paradigm This new approach utilizes theoretical models developed by cultural anthropologists and ethnographers of contemporary possession practicing communities in the global south and its diasporas Carlson demonstrates how possession in the Bible is a corporate and cultivated practice that can function as social commentary and as a means to model the moral self The author treats a variety of spirit phenomena in the Hebrew Bible including spirit language in the Psalms and Job spirit empowerment in Judges and Samuel and communal possession in the prophets Carlson also surveys apotropaic texts and spirit myths in early Jewish literature including the Dead Sea Scrolls In this volume two recent scholarly trends in biblical studies converge investigations into notions of evil and of the self The result is a synthesizing project useful to biblical scholars and those of early Judaism and Christianity alike Christian Origins and the Establishment of the Early Jesus Movement Stanley E. Porter,Andrew W. Pitts,2018-08-07 Christian Origins and the

Establishment of the Early Jesus Movement explores the events people and writings surrounding the founding of the early Jesus movement in the mid to late first century The essays are divided into four parts focused upon the movement s formation the production of its early Gospels description of the Jesus movement itself and the Jewish mission and its literature This collection of essays includes chapters by a global cast of scholars from a variety of methodological and critical viewpoints and continues the important Early Christianity in its Hellenistic Context series **Matthew's Presentation of the Son of David**

H. Daniel Zacharias,2016-12-01 H Daniel Zacharias presents a literary critical analysis of the Gospel of Matthew and its interaction with Davidic tradition and use of Davidic typology Throughout the narrative the evangelist makes pervasive use of Davidic tradition from the Old Testament in his portrayal of Jesus This begins from the first verse and the declaration that Jesus is the Son of David and culminates in Jesus usage of Psalm 22 s Davidic lament on the cross Davidic material is present throughout Matthew in allusion in specific citations in thematic material In addition Matthew makes use of Davidic typology numerous times with David as type and Jesus as anti type Zacharias shows how the use of Davidic material presents to the reader a scripturally grounded redefinition of what it means for Jesus to be the Son of David not as a violent militant leader as some expected but as a physical descendant of David a healing shepherd and a humble king Within the Gospel Matthew utilizes Davidic typology to show how the Son of David even has similar experiences as his royal predecessor Even David s own words from the psalms are utilized as testimony to the legitimacy of Jesus as the Davidic Messiah The Power of Psalms in Post-Biblical Judaism ,2023-09-14 The powerful poetry of the Hebrew Psalms articulates a unique range of experience even in translation They explore the deepest concerns of individuals and communities They are central to the performance of religion for both Jews and Christians New discoveries such as the famous Dead Sea Scrolls have transformed our view of their role in Judaism as has modern re evaluation of the complicated relationship between Judaism and Christianity Here a group of leading scholars sheds fresh light on the uses of the Psalms in post biblical Jewish life in a multi cultural world **Christian Identity in the Jewish and Graeco-Roman World** Judith Lieu,2004-05-27 Judith Lieu s study explores how a sense of being a Christian was shaped within the setting of the Jewish and Graeco Roman world By exploring this theme she reveals what made early Christianity so distinctive and separate *Christian-Jewish Relations Through the Centuries* Stanley E. Porter,Brook W. Pearson,2004-12-19 Christian Jewish relations have had changing fortunes throughout the centuries Occasionally there has been peace and even mutual understanding but usually these relations have been ones of tension often involving recrimination and even violence This volume addresses a number of the major questions that have been at the heart and the periphery of these tenuous relations through the years The volume begins with a number of papers discussing relations as Christianity emerged from and defined itself in terms of Judaism Other papers trace the relations through the intervening years And a number of papers confront issues that have been at the heart of the troubled twentieth century In all these papers address a sensitive yet vital set of issues from a variety of approaches and perspectives becoming

in their own way a part of the ongoing dialogue *The Dead Sea Scrolls in Scholarly Perspective: A History of Research* Devorah Dimant, Ingo Kottsieper, 2012-01-20 This book contains an exhaustive survey of past and present Qumran research outlining its particular development in various circumstances and national contexts For the first time perspectives and information not recorded in any other publication are highlighted **Emerging Sectarianism in the Dead Sea Scrolls** ,2022-07-18 These essays reflect the lively debate about the sectarian movement of the Scrolls They debate the degree to which the movement was separated from the rest of Judaism and whether there was one or several watershed moments in the separation Notable contributions include a cluster of essays on the Teacher of Righteousness and a thorough survey of the archaeology of Qumran The texts are problematic in historical research because they rely on biblical stereotypes Nonetheless possible interpretations can be compared and degrees of probability debated The debate is significant not only for the sect but for the nature of ancient Judaism A Disabled Apostle Isaac T. Soon, 2025-05-19 Speculation around the health of Paul the Apostle has been present since soon after his death Recently scholars have understood Paul to be disabled but have been wary of isolating precisely what his disabilities may have been or whether they are important for understanding his writings This book is the first full length study of Paul the Apostle and disability Using insights from contemporary disability studies Isaac Soon analyses features of Paul s body in his ancient Mediterranean context to understand the ways in which his body was disabled Focusing on three such ancient disabilities demonization circumcision and short stature this book draws on a rich variety of ancient evidence from textual sources and epigraphy to ancient visual culture to analyze ancient bodily ideals and the negative cultural effects such deviant persons generated The book also examines Paul s use of his own disabilities in his letters and shows how disability is not subsidiary to his thought but a central aspect of it This book also provides scholars with a new method for uncovering previously unrecognized disabilities in the ancient world Last of all it critiques the latent ableism in much New Testament scholarship which assumes that the figures of the early Jesus movement were able bodied **The Strength Needed to Enter the Kingdom of God** Giuseppe G. Scollo, 2019-04-15 In this work Giuseppe G Scollo offers a complex understanding of the phenomenon of violence through an in depth study of Luke 16 16 allowing for the possibility of a positive link between violence and love
