

A Woman's Heart.

One of the most beautiful things
in the world is a woman's heart.

It is fragile yet strong.

Delicate yet resilient.

When a woman gives you her
heart, she gives her most prized
possession.

If you love, nurture, cherish, and
protect it, she'll give you the
world.

From A Woman's Heart:

The Woman's Heart John A. Elefteriades, 2010-08-27 If you ask the average American what the leading cause of mortality in women is most would probably guess breast cancer In fact heart disease is the 1 killer of women and more women die each year from heart disease than men Moreover the symptoms of heart problems in women are very different from those in men making detection more difficult In this invaluable and engaging guide to the woman's heart two leading heart specialists focus on the unique factors affecting women's cardiovascular health Writing in language that is completely accessible to the general reader they provide crucial potentially life saving information and guidance to help women monitor their own heart health Among the topics discussed in clear easy to follow language are In what ways is a woman's heart different from a man's How do pregnancy and childbirth affect the heart and circulation What are the symptoms of heart disease in women What are the most prevalent diseases of the heart among women including mitral valve prolapse and how dangerous are they really What cardiac tests should women be taking When are medications enough and when is surgery necessary How is the heart affected by menopause and aging What are the future prospects for improving heart health and treatment for women For both healthy women and those already coping with heart disease this comprehensive owner's manual on the female heart provides essential information for living life to its fullest John A Elefteriades MD New Haven CT is the William W L Glenn Professor of Cardiothoracic Surgery chief of cardiothoracic surgery and professor of surgery at Yale University School of Medicine and Yale New Haven Hospital He is a past president of the International College of Angiology and serves on the editorial board of the American Journal of Cardiology the Journal of Cardiac Surgery and Cardiology The winner of the prestigious Socrates Award for the teaching of cardiac surgery he is the author with Lawrence S Cohen MD of Your Heart An Owner's Guide and House Officer Guide to ICU Care Teresa Caulin Glaser MD FACC Columbus OH is Director of Preventive Cardiology and Research at the McConnell Heart Health Center Riverside Methodist Hospital OhioHealth and a clinical associate professor of Internal Medicine at Ohio State University She is the coauthor of four medical textbooks and numerous journal articles *Biology of Women's Heart Health* Lorrie Kirshenbaum, Inna Rabinovich-Nikitin, 2023-11-18 Cardiovascular disease CVD is the leading cause of morbidity and mortality in women and men worldwide and represents a major financial burden to world health care systems Importantly CVD has eclipsed cancer as the leading cause of death for women globally Through advancements in research and clinical testing the symptoms and risk factors for CVD have been well established for men but not for women Consequently there is an immediate need for new innovative research that will bridge this gap and allow for improved early diagnosis and treatment of CVD in women This book will serve as a guide for health care providers to better understand the physiological biochemical and genetic differences in heart disease in women with the goal of providing improved education awareness and treatment of cardiovascular disease in women The book will cover topics such as sex dependent clinical outcomes of cardiovascular disease cardiac protection by estrogen cardiac health

during menopause cardiac rehabilitation programs fitness and exercise cardio oncology shift work and the CVD risk and pregnancy related CVD *From a Woman's Heart* Judith N. Mattison, 1969 **American Heart Association Complete Guide to Women's Heart Health** American Heart Association, 2011-12-27 Heart disease poses the greatest health threat that women in the United States face One in every three women will die from it each year But that doesn't have to be the case Heart disease is not an inevitable part of growing older In fact if you reach the age of 50 without developing the major risk factors for heart disease you can live your entire life without it and your chances of dying from it decrease from 50 percent to a strikingly low 8 percent The key to preventing heart disease is embracing a heart healthy lifestyle and the sooner the better In this groundbreaking book the American Heart Association shows you how even the smallest changes can make a big difference over time to protect the health of your heart The Complete Guide to Women's Heart Health explains how gradual and sustainable shifts in your routine such as using just a little more than one percent of your time each week to exercise or losing just 10 percent of your body weight can have a far reaching impact on your health With specific pointers on diet exercise and health care this book shows you how to get past the common obstacles as well as how to make taking care of your heart easy and attainable for the busy life you lead at every age In chapters targeted for every decade of a woman's life from her 20s to her 70s and beyond the American Heart Association gives women age appropriate advice on healthy lifestyle choices and heart health care Additional information addressing issues of special interest to women and how those issues affect the heart include Smoking Pregnancy Menopause and hormone therapy Aging Diabetes and other health conditions With the latest guidelines on prevention suggestions on how to work with your healthcare providers to maintain and improve your vitality details on screening technologies and facts about common diagnoses and treatment options this book is the ultimate resource to help you and all the women in your life fight heart disease From the Hardcover edition
