## **From Above:**

From Above Tom Donaghy, 1999 THE STORY Evvy in her forties was married to Jimmy in his seventies She has been in mourning a year since he died and now her friends want her seclusion to end Sean a local social worker has been trying to woo her to no avail Evvy's nei      Revolution from Above David Michael Kotz, Fred Weir, 1997 This book argues that the ruling state party in the USSR itself moved to dismantle the old system Research includes interviews with over 50 former Soviet government and Communist party leaders policy advisors trade unionists and businessmen      **Seeing from Above** Mark Dorrian, Frédéric Pousin, 2013-10-03 The view from above or the bird's eye view has become so ingrained in contemporary visual culture that it is now hard to imagine our world without it It has risen to pre-eminence as a way of seeing but important questions about its effects and meanings remain unexplored More powerfully than any other visual modality this image of everywhere supports our idea of a world view yet it is one that continues to be transformed as technologies are invented and refined This innovative volume edited by Mark Dorrian and Frederic Pousin offers an unprecedented range of discussions on the aerial view covering topics from sixteenth century Roman maps to the Luftwaffe's aerial survey of Warsaw to Google Earth Underpinned by a cross-disciplinary approach that draws together diverse and previously isolated material this volume examines the politics and poetics of the aerial view in relation to architecture art film literature photography and urbanism and explores its role in areas such as aesthetics and epistemology Structured through a series of detailed case studies this book builds into a cultural history of the aerial imagination      *Russia's Revolution from Above, 1985-2000* Gordon Hahn, 2018-04-27 The fall of the Soviet communist regime in 1991 offers a challenging contrast to other instances of democratic transition and change in the last decades of the twentieth century The 1991 revolution was neither a peaceful revolution from below as occurred in Czechoslovakia nor a negotiated transition to democracy like those in Poland Hungary or Latin America It was not primarily the result of social modernization the rise of a new middle class or of national liberation movements in the non-Russian union republics Instead as Gordon Hahn argues the Russian transformation was a bureaucrat-led state-based revolution managed by a group of Communist Party functionaries who won control over the Russian Republic RSFSR in the mid 1990s Hahn describes how opportunistic Party and state officials led by Boris Yeltsin defected from the Gorbachev camp and proceeded in 1990-91 to dismantle the institutions that bound state and party These revolutionaries from above seized control of political economic natural and human resources and then separated the party apparatus from state institutions on Russian Republic territory With the failed August 1991 hard line coup Yeltsin banned the Communist Party and decreed that all Union state organs including the KGB and military were under RSFSR control In Hahn's account this mode of revolutionary change from above explains the troubled development of democracy in Russia and the former Soviet republics Hahn shows how limited mobilization of the masses stunted the development of civil societies and the formation of political parties and trade unions with real grass roots The result is a weak society unable to nudge the state to

concentrate on institutional reforms society needs for the development of a free polity and economy Russia's Revolution from Above goes far in correcting the historical record and reconceptualizing the Soviet transformation It should be read by historians economists political scientists and Russia area scholars *The View from Above* Vincent Cheung, 2014-11-25 By presenting select episodes and discourses from the life of Christ the Gospel of John offers a heavenly philosophy that is superior to any earthly philosophy This book is a collection of articles on the first four chapters of the Gospel Drawing attention to the foundational principles of this heavenly philosophy it enables readers to appreciate the wisdom and power that the Lord Jesus has brought to us from above so that we may no longer think and live as people from below Rather because we have been born from above through Jesus Christ although we remain in this world we are no longer of the world As Christians we think speak and function on a higher plane an altogether superior level of competence and intelligence

**Re-distribution from Above** Karuti Kanyinga, 2000 Using empirical evidence from the coastal district of Kenya an area with a long history of private land ownership this report challenges the key assumptions of the proponents of land individualization The author points to the many dysfunctions associated with land privatization and reinforces the growing critique that customary land tenure is far more complex and flexible than its critics are prepared to concede

*From Above and Below* Craig Livingston, 2013-06-01 2014 Best International Book Award Mormon History Association For the first century of their church's existence Mormon observers of international events studied and cheered global revolutions as a religious exercise As believers in divine human co-agency many prominent Mormons saw global revolutions as providential precursors to the imminent establishment of the terrestrial kingdom of God French Revolutionary symbolism socialist critiques of industrialism American Indian nationalism and Wilsonian internationalism all became the raw materials of Mormon millennial theologies which were sometimes barely distinguishable from secular utopianism Many Mormon thinkers accepted secular revolutionary arguments that the old world order needed to be destroyed not merely reformed to clear the way for the new In *From Above and Below* author Craig Livingston tells the story of Mormon commentary on global revolutions from the European revolutions of 1848 to the collapse of Mormon faith in progress in the 1930s when revolutionary communist and fascist regimes exposed themselves as violent and repressive As the Church bureaucratized and assimilated to mainstream American and capitalist values Mormons became champions of the conservative view of political and social development for which they are known today The first Mormon converts in Mexico and France both political radicals would scarcely recognize the arch-conservative twenty-first century Church **Coming Down from Above** Lee Irwin, 2014-10-20 For longer than five centuries Native Americans have struggled to adapt to colonialism missionization and government control policies This first comprehensive survey of prophetic movements in Native North America tells how religious leaders blended indigenous beliefs with Christianity's prophetic traditions to respond to those challenges Lee Irwin gathers a scattered literature to provide a single volume overview that depicts American Indians' creative synthesis of their

own religious beliefs and practices with a variety of Christian theological ideas and moral teachings He traces continuities in the prophetic tradition from eighteenth century Delaware prophets to Western dream dance visionaries showing that Native American prophecy was not merely borrowed from Christianity but emerged from an interweaving of Christian and ancient North American teachings integral to Native religions From the highly assimilated ideas of the Puget Sound Shakers to such resistance movements as that of the Shawnee Prophet Irwin tells how the integration of non Native beliefs with prophetic teachings gave rise to diverse ethnotheologies with unique features He surveys the beliefs and practices of the nation to which each prophet belonged then describes his or her life and teachings the codification of those teachings and the impact they had on both the community and the history of Native religions Key hard to find primary texts are included in an appendix An introduction to an important strand within the rich tapestry of Native religions Coming Down from Above shows the remarkable responsiveness of those beliefs to historical events It is an unprecedented encyclopedic sourcebook for anyone interested in the roots of Native theology *Thinning Loblolly Pine from Above and Below* John R. photographers of all levels If you like this book write a review      **World War II From Above** Jeremy Harwood,2014-06 The story of the battle waged by Allied and Axis spies in the skies to obtain accurate aerial intelligence during the Second World War Page 4 of cover      Capitalism from Above and Capitalism from Below T. Byres,1997-01-12 The distinction between capitalism from above and capitalism from below is important in the analysis of the agrarian question in poor countries The Prussian path and the American path are here examined against existing historical scholarship Their unfolding from their earliest roots to the point of final agrarian transition in the nineteenth and twentieth centuries is considered The dialectic between social relations and productive forces mediated as it was by the state is treated and the implications for capitalist industrialisation scrutinised      **Last Words From Above (Medicine for the Spirit)** Jeremy Brown,2018-04-26 Last Words from Above Medicine for the Spirit is not just intended to be a book of thought provoking and inspirational quotes but also an experience One that has the power to open not only your mind but also your heart to new possibilities and forgotten dreams Whether you are only able to go through a few a day or a few hundred in one sitting you will walk away with something that will heal your spirit      **From Above** Martin Panchaud,2025-07-22 Thrilling funny fresh and surprising From Above is a one of a kind graphic novel that is impossible to put down As the Washington Post noted Panchaud s diagrammatic style informed by his dyslexia is conceptually fresh This innovative award winning graphic novel uses the visual language of infographics to tell the story of Simon an average teenager whose brush with a fortune teller sends him on a surreal adventure From Above is an internationally acclaimed groundbreaking graphic novel that tells its story from a bird s eye view Characters are depicted as colored circles in a graphic and strikingly designed visual approach reminiscent of Chris Ware s Readers are encouraged to actively engage with the story as its relatively simple setup unfolds into a shocking and surreal adventure Simon is an unpopular and awkward 14 year old boy Overweight eager to please and well meaning no matter how hard he tries his lot in life is to be bullied by the neighborhood children and neglected by his absentminded parents But one day everything changes for Simon when he does a favor for a fortune teller who rewards him by telling him the name of the winning horse at the Royal Ascot Simon becomes an overnight millionaire when he bets his father s life savings on the winning horse But as he returns home he discovers that his mother is in a coma and his father has disappeared Simon can t collect his winnings without finding his father and he can t help his mother until he solves the mystery of her sudden condition With time running out can Simon change his fortune      Revolution from Above James H. Rial,1986      Messages From Above carol gilmore,2018-01-10 The Messiah came to me in the wee hours of the morning in the month of December 2017 with several messages for His Children He sent me messages through rhymes and directed me to inform His children that He has much to say to them I recommend that everyone read His messages and let Him into your heart as I did Direct communication with the Lord is very important to Him Stay in prayer and allow your spirit to hear His words He will soon return for us Believe me I heard His words very clearly through my ears and so did my spouse standing next to me in a

completely empty room We heard the Angel s singing to us in the background It was the most wonderful experience one could have while still being here on earth in fleshly bodies We both feel very blessed Read my testimony inside It s powerful

**View From Above** Brian Stewart,1999-01-01 This is a great book for those who wish to learn about the bible and how much God loves us He is love and He loves everyone You will like this book **Life from Above** Michael Bright,Chloe Sarosh,2019-09-03 With over 200 spectacular images including astonishing satellite photographs and stills from the PBS docuseries Life from Above reveals our planet as you ve never seen it before Thanks to advanced satellite images we can now see the earth s surface its megastructures weather patterns and natural wonders in breathtaking detail From the colors and patterns that make up our planet to the mass migrations and seismic changes that shape it Life from Above sheds new light on the place we call home It reveals the intimate stories behind the images following herds of elephants crossing the plains of Africa and turtles traveling on ocean currents that are invisible unless seen from space The true colors of our planet are revealed from the striped tulip fields of Holland to the vivid turquoise lakes in Iceland to the green swirl of a plankton super bloom attracting a marine feeding frenzy Whether it s the world s largest beaver dam so remote it was discovered only through satellite imagery or newly formed islands born from volcanic eruptions you ll discover new perspectives with every image **Living from above** Jolanda Berendrecht, This book demonstrates a lifestyle in which Jesus is central The author shows how by attaching yourself to Him you become increasingly filled with the Spirit Since in this way Jesus can work from within you it leads to the manifestation and recognition of Christ in your life Life in the Spirit challenges us to an adventure because it is so surprisingly opposite to what is generally the norm within our Christian world This is not a way of assignments methods standards and criteria On the contrary It is a life in the freedom of the Spirit a life that brings you out into a broad place within the Spirit a life in which your own identity can bloom and in which Jesus can be followed without any inhibitions It ends up being a life saturated by love from Above In an enthusiastic way with practical examples the author describes what it means to live by the Spirit of Christ This book incites and inspires us to walk that way from Above ourselves J M Jolanda Berendrecht 1973 graduated as a lawyer and works as a policy advisor at the Dutch national government She is also co pastor of Het Bedehuis The Prayer House in The Hague The Netherlands She has a passionate desire for a great outpouring of the Holy Spirit in The Netherlands Her prayer is that Christians will become one with Jesus in such a way that He will become visible in them
