Emerson Among the Eccentrics Carlos Baker, 1996 Baker brings to life Emerson and his circle of friends Hawthorne Thoreau Bronson Alcott Walt Whitman Abraham Lincoln and others the result is a vivid and textured mosaic of not just their interrelationships but of their daily lives what they ate what they wore what they did for entertainment what was valued what was not and how they managed life Photos The California Days of Ralph Waldo Emerson Brian C. Wilson, 2023-06-29 A vivid and painstakingly researched account of Emerson's late in life seven week trek across the North American continent in 1871 New York Review of Books In the spring of 1871 Ralph Waldo Emerson boarded a train in Concord Massachusetts bound for a month and a half long tour of California an interlude that became one of the highlights of his life On their journey across the American West he and his companions would take in breathtaking vistas in the Rockies and along the Pacific Coast speak with a young John Muir in the Yosemite Valley stop off in Salt Lake City for a meeting with Brigham Young and encounter a diversity of communities and cultures that would challenge their Yankee prejudices Based on original research employing newly discovered documents *The California Days of Ralph Waldo Emerson* maps the public story of this group's travels onto the private story of Emerson's final years as aphasia set in and increasingly robbed him of his words Engaging and compelling this travelogue makes it clear that Emerson was still capable of wonder surprise and friendship debunking the presumed darkness of his last decade Wilson effectively conveys Emerson's cultural myopia along with its late Victorian context Times Literary Supplement Deeply researched enjoyably readable San Francisco Chronicle What Wilson offers the Emersonian reader today is a unique story of Emerson in motion having a particularly American experience in looking westward Emerson Society Papers A welcome addition to Emerson scholarship and the first comprehensive treatment of his journey westward to the Pacific state Ronald A Bosco general editor of *The Collected Works of Ralph Waldo Emerson*
