Emmanuel's Book III Pat Rodegast, Judith Stanton, 2012-04-11 The inspiring words of Emmanuel brought to us through channel Pat Rodegast have opened the way to wisdom for thousands of people In our troubled world his loving message so beautifully expressed has been balm for the hurting soul as well as clear guidance for living both with others on this earth and within the Self Now Emmanuel focuses on a special topic the question of Angels Do they exist What do they do Where are they Are there fallen angels What do they mean for our lives His answers tell us not about the mystical creatures out there But about the marvelous powerful being in here the eternal omnipresent Angel who is always with us and waiting to be found In moments of need despair pain and terror when we cry out for help and for truth Emmanuel shows us where the doorway lies that leads away from fear and toward the way Home Emmanuel's Book III Pat Rodegast, 2012 What is an Angel Doing Here? Kautz,2012-04 THE STORY OF JESUS AN INTUITIVE

ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by his tor ical or literary means Some of them had demonstrated their unusual skill by probing deep ly into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical infor mation which was then verified scien tifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Test ament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illumi nating insights and a deep spiritual under standing of Jesus original and hidden teach ings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history
