

Emperor Francis Joseph

Henri de Weindel

Emperor Francis Joseph:

Francis Joseph Eugene Szekeres Bagger, 1927 **Emperor Francis Joseph** John Kiste, 2005-05-19 In 1848 28 year old Francis Joseph became King of Hungary and Emperor of Austria He would reign for almost 68 years the longest of any modern European monarch Focusing on the life of Emperor Francis Joseph and his family this book examines their personal relationships against the turbulent background of the 19th century The Real Francis-Joseph Henri de Weindel, 1909

Francis Joseph Steven Beller, 1996 This impressive study is a portrait of a major figure of historical interest and an essay on the nature of power Emperor Francis Joseph of Austria Josef Redlich, 1929 The Reign of the Emperor Francis Joseph, 1848-1916 Karl Tschuppik, 1930 *The Life of the Emperor Francis Joseph* Francis Henry Gribble, 1914 **Francis Joseph I** John Pentland Mahaffy, 1908 **The Emperor Francis Joseph and His Times** Albert Alexander Vinzenz baron Margutti, 1921 **The Life of the Emperor Francis Joseph** Francis Henry Gribble, There exist plenty of surveys of the modern history and political conditions of Austria Mr Henry Wickham Steed s *The Habsburg Monarchy* is the most recent and probably the best though Mr R P Mahaffy s *Francis Joseph I His Life and Times* a smaller and less pretentious book is also very good One knows equally well where to turn for gossip compilations some of them authoritative and others devoid of authority dealing with the inner life of the Austrian Court Sir Horace Rumbold has treated the subject with the dutiful reticence of a diplomatist in *The Austrian Court of the Nineteenth Century* Countess Marie Larisch and Princess Louisa of Tuscany occupying positions of greater freedom and less responsibility have in *My Past and My Own Story* lifted the veil with indignant gestures and pointed fingers of scorn at the intimate pictures which they have revealed M H de Weindel again has written of Francis Joseph Intime while the enterprise of an American journalist has contributed *The Keystone of Empire The Martyrdom of an Empress and The Private Life of Two Emperors William II of Germany and Francis Joseph of Austria* This bibliographical list to which additions could easily be made might seem to indicate that the ground has already been well covered but that is not the case There exists no life of Francis Joseph and no History of Austria in which the personal and political aspects of the subject are considered in their relation to each other The assumption of writers who have previously treated the theme has been that tittle tattle is tittle tattle and that history is history and that the two can never meet The two things however are liable to meet anywhere and in the country and period here under review they are continually meeting Austria is not one of the inevitable countries like England and Spain bound to have a separate existence under some form of government or other because of their geographical situation and the national characteristics of their inhabitants There is no Austrian nation only a medley of races which detest each other bound but by no means welded together for the supposed convenience of the rest of Europe and unified only by the fact that its component parts all appertain to the dominions of the House of Habsburg It follows that the personality of the Habsburgs matters in a sense in which the personalities of rulers who are mere figure heads does not matter and that personality the collective personality as well as the separate

personalities of individual members of the House can only be gauged by those who study their private lives in conjunction with their public performances The history of the property seeing that it comprises peoples as well as lands includes and implies the history of the owners of the property Our spectacle in so far as one can sum it up in a sentence is that of an Empire continually threatened with dissolution under the control of an historic family continually displaying all the symptoms of decadence The political and the personal factors in the problem are perpetually interacting and one of the questions which the political prophet has to consider is Will not the decadence of the family hasten the dissolution of the Empire Whence it follows as a secondary sequence that in the history of modern Austria tittle tattle matters for it is only by the careful study of the tittle tattle that we can hope to discover whether the Habsburgs of to day are true or false to the proud and impressive traditions of their House In their case as in that of any other House a stray story of a romantic or scandalous character might properly be ignored as appertaining to the domain of idle gossip but when stories of that kind meet us at every turn and meet us with increasing frequency as time proceeds we are no longer entitled to dismiss them with superior indifference They are significant the key to the situation is to be found in them Tittle tattle in short when one encounters it not in sample but in bulk ceases to be tittle tattle but attains to the dignity of history and furnishes the raw material for the generalisations of the political philosopher The annals of the House of Habsburg furnish a case in point the best of all possible cases There is no House in Europe whose annals are richer in incident and eccentricity and the eccentricities whether romantic or scandalous are such as to challenge the scientific investigator whether he be a student of eugenics or of politics to group them and see what inferences he can draw The present writer has decided to take up the challenge and in order to take it up he will be obliged to deal with a good many matters besides the political man uvres of the Emperor and his Ministers John Orth pelting the Emperor with the insignia of the Order of the Golden Fleece Herr Wulfling cracking nuts in a tree with Fr ulein Adamovics Princess Louisa of Tuscany first bicycling with the dentist in the Dresden Park and then appealing to her son s tutor to come and compromise her in Switzerland all these are matters which may suggest reflections quite as far reaching as anything that we read about Francis Joseph s skill in extricating his country from embarrassments with rival Powers and keeping the peace in so far as it has been kept between Ruthenians and Galicians *Twilight of the Habsburgs* Alan Palmer,1997-02-12 Presents a biography of the emperor of Austria as well as a history of Europe during his reign

Francis Joseph, Emperor of Austria, King of Hungary (Classic Reprint) Eugene Bagger,2017-11-19 Excerpt from Francis Joseph Emperor of Austria King of Hungary The collapse of the austro hungarian Empire is perhaps the most fateful and irrevocable result of the Great War Not quite a decade has passed since the tragicomedy of Versailles and Germany is a great power once more so is Russia the epochal rivalries have shifted ground but not abated in intensity while their potential dangers have probably increased But the Empire of the Habsburgs seems to have vanished for ever The dismemberment of

austria hungary in the sacred name of national self determination has been hailed as a boon In the sense that it was inevitable it is a boon for in politics the obstruction of the inevitable is one of the greatest of evils its wages are war and revolution This book is in one of its aspects an attempt to re interpret in the terms of the life and character of a single individual strategically placed in a position of unique power the inevitability of what was perhaps the greatest political catastrophe of modern times the downfall of the ancient Empire of Habsburg last heir of _charlemagne About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Franz Joseph I of Austria and His Empire Anatol Murad,1968 The Real Francis Joseph Henri de Weindel,2015-07-19 Excerpt from The Real Francis Joseph The Private Life of the Emperor of Austria The information which will be found in this book about the romantic adventures now farcical sometimes comic often tragic of the Emperor Francis Joseph the Empress Elisabeth and the Habsburg family is for the most part unpublished up to now and unknown or very little known It was collected and was communicated to me by a person in Austria particularly well informed about the Court of Vienna I should have preferred that this person s name appeared on the cover of the book beside my own That however has been strictly forbidden I can only take the opportunity here of expressing publicly my indebtedness to my anonymous collaborator About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Francis Joseph and his times Sir Horace Rumbold,1909 **Francis Joseph I.** Robert Pentland Mahaffy,1908 Franz Joseph and Elisabeth Karen Owens,2013-11-08 In 1848 an 18 year old boy assumed the throne of Austria one of the most powerful countries in Europe He would be its last significant emperor the only monarch to serve two countries and the last cogent head of the prestigious Habsburg dynasty Emperor Franz Joseph s reign was marked by revolutions often fueled by rising liberalism and nationalism and wars orchestrated by conquering architects such as Napoleon Metternich and Bismarck This book gives attention to these political and cultural events but it is moreover a biography of Emperor Franz Joseph and his enigmatic wife Empress Elisabeth *The Life of the Emperor Francis Joseph* Francis Gribble,2023-07-18 Gribble s biography of Emperor Francis Joseph provides a detailed account of his life and reign

from his coronation in 1848 to his death in 1916 Through his insightful analysis and careful research Gribble paints a vivid portrait of this complex and often misunderstood figure An important contribution to the study of European history This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
