## **Empire And Emancipation Power And Liberation On A World Scale:**

**Empire and Emancipation** Jan Nederveen Pieterse, 1989-03-24 In this thought provoking study Pieterse breaks with traditional studies of imperialism to present a more balanced view of history one that examines the logic of liberation as well as the logic of imperialism We appear to know more and to think more about domination than about liberation writes the author in the introduction Does this indicate that in our general perception history is chiefly made from above By large compelling forces such as imperialism capitalism rather than from below by social movements Nederveen Pieterse examines imperialism and power on a world scale from above and from below and offers a theoretically developed study of domination and liberation together as the shaping forces of history Students and scholars of political science and history will find *Empire and Emancipation* a source of stimulating ideas The study begins with a review of the prominent theories of imperialism and emancipation both political and economic The book then develops these theoretical perspectives by looking into imperial history Continuities and discontinuities of imperial history are examined between the era of the Crusades and later stages between aristocratic and capitalist aspects between race within Europe and beyond between the British Empire and United States hegemony In addition Nederveen Pieterse examines the role of social movements labour movements in the western world the Irish struggle the struggles of the African diaspora and the resistance of American Indians *Empire and Emancipation* breaks with traditional approaches to imperialism to present a more balanced view of history which considers the interrelations of empire and emancipation

*Empires and the Reach of the Global* Tony Ballantyne, Antoinette Burton, 2012 *Empire* was not fabricated in European capitals and implemented out there Imperial systems affected the metropole as well as the farthest outpost *Empires and the Reach of the Global* shows how imperialism has been a shaping force not just in international politics but in the economies and cultures of today's world

**Empires and Colonies** Jonathan Hart, 2008-02-26 *Empires and Colonies* provides an exploration of the expansion of the seaborne empires of western Europe from the fifteenth century and how that process of expansion affected the world including its successor the United States Jacket

**Conquest and Resistance in the Ethiopian Empire, 1880 - 1974** Abbas Gnamo, 2014-01-23 This work examines the philosophical origins of Oromo egalitarian and democratic thoughts and practice the Gadaa Qaalluu system kinship organization the introduction and spread of Islam and the consequent socio cultural change It sheds light on the advent of the Ethiopian empire under Menelik II its conquests and Arsi Oromo fierce resistance 1880 1900 the nature and legacy of Ethiopian imperial polity centre periphery relations feudal political economy and its impacts on the newly conquered regions with a focus on Arsi Oromo country The book also analyzes the root causes of the national political crisis including but not limited to the attempts at transforming the empire state to a nation state around a single culture contested definition of national identity and state legitimacy grievance narratives uprisings the birth and development of competing nationalisms as well as the limitations of the current ethnic federalism to address the national question in Ethiopia

**Imperialism, Race and Resistance** Barbara Bush, 2002-01-04 Imperialism Race and Resistance marks an important new development in the study of British and imperial interwar history Focusing on Britain West Africa and South Africa Imperialism Race and Resistance charts the growth of anti colonial resistance and opposition to racism in the prelude to the post colonial era The complex nature of imperial power is explored as well as its impact on the lives and struggles of black men and women in Africa and the African diaspora Barbara Bush argues that tensions between white dreams of power and black dreams of freedom were seminal in transforming Britain's relationship with Africa in an era bounded by global war and shaped by ideological conflict

Putin's Wars Marcel H. Van Herpen, 2015-07-01 This fully updated book offers the first systematic analysis of Putin's three wars placing the Second Chechen War the war with Georgia of 2008 and the war with Ukraine of 2014 2015 in their broader historical context Drawing on extensive original Russian sources Marcel H Van Herpen analyzes in detail how Putin's wars were prepared and conducted and why they led to allegations of war crimes and genocide He shows how the conflicts functioned to consolidate and legitimate Putin's regime and explores how they were connected to a fourth hidden internal war waged by the Kremlin against the opposition The author convincingly argues that the Kremlin relying on the secret services the Orthodox Church the Kremlin youth Nashi and the rehabilitated Cossacks is preparing for an imperial revival most recently in the form of a Eurasian Union An essential book for understanding the dynamics of Putin's regime this study digs deep into the Kremlin's secret long term strategies Readable and clearly argued it makes a compelling case that Putin's regime emulates an established Russian paradigm in which empire building and despotic rule are mutually reinforcing As the first comprehensive exploration of the historical antecedents and political continuity of the Kremlin's contemporary policies Van Herpen's work will make a valuable contribution to the literature on post Soviet Russia and his arguments will stimulate a fascinating and vigorous debate

Inter-Republican Co-operation of the Russian Republic Anwara Begum, 2019-01-15 First published in 1997 this book explored Russia's politics at an important phase in the life of the Russian state Focusing on the different types of cooperative interactions between Russia and the fourteen other republics of the former Soviet Union from mid 1990 late 91 The book brings out the nature of the Russians' effort to reconfigure its ties with these republics At a time when the Soviet empire with an aim to limit the damage to the interests of the Russians As the author concludes Russia's inter republican cooperation was a carefully thought out policy to undermine the Gorbachev government's effort to control centre periphery relations and manage the uncontrolled break up of the Soviet Union Russia signalled through its cooperative relations with the republics that it was willing to accept the republics as sovereign and view its own interaction with them as inter state relations

**The Meaning of Race** Kenan Malik, 1996-07-12 In The Meaning of Race Kenan Malik throws new light on the nature and origins of ideas of racial difference Arguing that the concept of race is a means through which Western society has come to understand the relationship between humanity society and nature the book re-examines the relationship between Enlightenment thought and

racial discourse clarifies the nature of scientific racism and presents a critique of postmodern theories of cultural difference

**Imperialism and Postcolonialism** Barbara Bush,2014-05-22 This account of imperialism explores recent intellectual theoretical and conceptual developments in imperial history including interdisciplinary and post colonial perspectives Exploring the links between empire and domestic history it looks at the interconnections and comparisons between empire and imperial power within wider developments in world history covering the period from the Roman to the present American empire The book begins by examining the nature of empire then looks at continuity and change in the historiography of imperialism and theoretical and conceptual developments It covers themes such as the relationship between imperialism and modernity culture and national identity in Britain Suitable for undergraduates taking courses in imperial and colonial history

Europe and Asia beyond East and West Gerard Delanty,2006-10-03 This major new book tackles key questions on Europe in the context of shifting parameters of East and West The contributors sociologists anthropologists philosophers and historians show from a variety of different perspectives that the conventional equation of Europe with the West must be questioned Featuring four thematically organized chapters the book looks at a post Western world Asia in Europe encounters in history between Europe and Asia otherness in Europe and Asia Exploring new expressions of European self understanding in a way that challenges recent ideological notions of the clash of civilizations this outstanding work draws on recent scholarship that shows how Europe and Asia were mutually linked in history and in contemporary perspective It argues that as a result of current developments and the changing geopolitical context both Europe and Asia have much in common and that it is possible to speak of cosmopolitan links rather than clashes This book will be of great value to students and researchers in the fields of sociology European politics and history and cultural theory

**Multipolar Globalization** Jan Nederveen Pieterse,2017-09-07 Like a giant oil tanker the world is slowly turning The rapid growth of economies in Asia and the global South has led to a momentous shift in the world order leaving much of the traditional literature on globalization behind Multipolar Globalization Emerging Economies and Development is the perfect guide to these ongoing 21st century transformations combining engaging and wide ranging coverage with cutting edge analysis The rise of China and other emerging economies has led to the emergence of a new geography of trade new economic and political combinations new financial actors investors and donors and weaker American hegemony This interdisciplinary volume combines development studies global political economy sociology and cultural studies to ask what this growth means for domestic and global inequality and examines the role of multipolarity in the reshaping of globalization Renowned globalization scholar Jan Nederveen Pieterse deftly guides the reader through the development of globalization in the West and the East explaining key topics such as the 2008 crash trends in inequality the changing fortunes of the BRICs and the role of governance and democracy Accessible and insightful this book will be an essential guide for both students in the social sciences and for professionals and scholars seeking a fresh perspective

Workers of the World Marcel van der Linden,2008-09-30 The

studies offered in this volume contribute to a Global Labor History freed from Eurocentrism and methodological nationalism Using literature from diverse regions epochs and disciplines the book provides arguments and conceptual tools for a different interpretation of history a labor history which integrates the history of slavery and indentured labor and which pays serious attention to diverging yet interconnected developments in different parts of the world The following questions are central What is the nature of the world working class on which Global Labor History focuses How can we define and demarcate that class and which factors determine its composition Which forms of collective action did this working class develop in the course of time and what is the logic in that development What can we learn from adjacent disciplines Which insights from anthropologists sociologists and other social scientists are useful in the development of Global Labor History

**Black Students in Imperial Britain** Robert Burroughs, 2022-09-15 An Open Access edition of this book is available on the Liverpool University Press website This book caters for the demand in new black histories by rediscovering several little known Black people s experiences in late Victorian Britain It centres on The African Institute of Colwyn Bay or Congo House at which almost 90 children and young adults from Africa and its diaspora were enrolled to train as missionaries between 1889 and 1911 Burroughs finds that though their encounters in Britain were shaped by the racism and paternalism of the late nineteenth century civilising mission the students were not simply the objects of British charity They were also agents in a culture of evangelical humanitarianism Some were fully absorbed in the civilising mission becoming leading missionaries Others adapted their experiences to new ends participating in networks of pan Africanism that questioned race prejudice and colonialism In their negotiations of the challenges and opportunities at the heart of the empire the students of Congo House reveal how the global currents of black history shaped the localised cultures of Victorian philanthropy From racism to pan Africanism this study sheds new light on key issues in black British history

Axis of Resistance Tim Anderson, 2020-01-01 his book Axis of Resistance towards an independent Middle East follows the author s 2016 book The Dirty War on Syria It examines the end of the war on Syria and the wider elements of the regional conflict in particular the prospects for a democratic Palestine the

character of the Resistance and the role of Iran It draws attention to these broad leitmotifs underpinning each particular history that are key to understanding both the parts and the whole A single essentially colonial impetus drives each particular US aggression from Libya to Afghanistan These hybrid wars utilize propaganda offensives economic siege warfare terrorist proxies direct invasions and military occupations followed by repression via client states The aim is to keep resistance forces fragmented Just as each aggression forms part of a broader Washington strategy similarly the integration of the resistance in particular remains critical to its success The Resistance has a common character but no idealized personality or ideology However the common features are a demand for popular self determination and for accountable social structures that serve broad social interests Western policy has been worse than a crime it s been a blunder Tim Anderson s epic study shows what a crime what a blunder it has been And how ugly the monster which now stalks the land My land your land the whole of humanity It is a must read GEORGE GALLOWAY British politician Axis of Resistance will take its place alongside the few books worth reading on how and by whom the flickering lights of the imperial twilight of the West in the Middle East were finally extinguished DR JEREMY SALT Middle East historian former professor Melbourne Universit

**Globalization, Gender Politics, and the Media** Carolina Matos, 2016-11-16 From advertising to television and film feminist media scholars have examined the changing nature of media representations from the 1990 s onwards in comparison to the 1950s in the UK and the US Many debates focus on the current ambiguity surrounding media representations which are inserted within post feminist texts that tend to equate female empowerment with choice individualism and consumerism This has occurred in a context where there have been some achievements in gender equality worldwide with women occupying more spaces in the marketplace business and government In the last decades Latin America has been through many changes Inequality levels have been reduced and political trends have resulted in the election of female politicians throughout the continent corresponding with a revival of gender politics and feminist movements At the same time however countries like Brazil are still home to gender discrimination and inequality with high levels of domestic violence towards women low levels of political representation a culture of machismo and the enduring predominance of stereotypical gender representations in the media Globalization Gender Politics and the Media looks at the correlation between gender inequality in society with media representations situating the case of Brazil and Latin America within the global quest for gender justice It emphasizes the need to equate material and economic concerns with the examination of the reproduction of values and beliefs on gender through cultural and media outlets Questions that are asked include how can the media better contribute to assist in gender development and nation building How can online platforms make a difference What can be done within the mainstream media to advance women s rights What is understood by the myth of the Brazilian woman and how does this connect to other notions of what the Third World woman is Using a triangulation methodology this book includes a small selection of interviews with experts from international organizations

politicians in Brazil and bloggers as well as a sample of media analysis of ads commercials posters campaign material and feminist blogs to examine the challenges that gender equality faces in this country and the ways in which the media can make a difference

**Plural and Shared: The Sociology of a Cosmopolitan World** Vincenzo Cicchelli, 2018-11-26 We live in a globalized world in which a person in Burkina Faso can identify with Star Wars heroes and in which a New York trader drinks the same Starbucks coffee as his Taiwanese counterpart How are individuals socialized in Rome Bombay and Tokyo To answer this question a unique investigation has been carried out using two scales of analysis usually tackled separately by global studies the scale of the cosmopolitan world and its global narratives imaginaries iconographies as well as the scale of everyday life and socialization to otherness This two fold perspective constitutes the innovative approach of this volume that endeavors to address an operationalization of the cosmopolitan perspective and reacts to current debates and new research findings With a Foreword by Natan Sznaider This book was first published in 2016 as *Pluriel et commun Sociologie d'un monde cosmopolite* by Les Presses de Sciences Po Paris Other editions the book is also published in Italian as *Plurale e comune Sociologia di un mondo cosmopolita* by Morlacchi editore Perugia 2018 and in Portuguese as *Plural e comum Sociologia de um mundo cosmopolita* by Edi es Sesc Sao Paulo 2018 *Plural and Shared The Sociology of a Cosmopolitan World* is now available in paperback for individual customers

**The Geopolitics of Europe's Identity** N. Parker, 2008-02-04 This book pursues an original perspective on Europe's shifting extent and geopolitical standing how countries and spaces marginal to it impact on Europe as a center A theoretical discussion of borders and margins is developed and set against nine studies of countries regions and identities seen as marginal to Europe

Globalization and Culture Jan Nederveen Pieterse, 2009-03-16 Now in a fully revised and updated edition this seminal text asks if there is cultural life after the clash of civilizations and global McDonaldization Internationally award winning author Jan Nederveen Pieterse argues that what is taking place is the formation of a global *mélange* a culture of hybridization From this perspective on globalization conflict may be mitigated and identity preserved albeit transformed The book offers a comprehensive treatment of hybridization through a series of innovative conceptual tables that are bolstered by textual analysis and compelling examples from around the world In a new chapter the author explores East West hybridities the idea that globalization is a process of braiding rather than simply a diffusion from developed to developing countries This historically deep and geographically wide approach to globalization is essential reading as we face the increasing spread of conflicts bred by cultural misunderstanding
