**Children's Books in Print**, 1980    *Bird Stories* Edith Marion Patch, Robert J. Sim, 2009-06 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work    Friendly Birds, 1964    **Bird Stories** EDITH MARION PATCH, Robert J Sim, 2025-03-28 Explore the fascinating world of birds through the engaging stories in Edith M Patch's *Bird Stories* This classic work of juvenile literature offers a captivating introduction to ornithology and nature study Delve into the lives and behaviors of various bird species fostering an appreciation for the natural world and the importance of animal behavior Perfect for budding bird watchers and young naturalists this book provides an accessible entry point to the science of birds Through descriptive narratives readers will discover the wonders of avian life This meticulously prepared print edition preserves the timeless appeal of the original work ensuring that these bird stories continue to inspire and educate *Bird Stories* is an excellent resource for anyone interested in learning about birds This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant    Bird Stories Edith M. Patch, 2013-06-16 This book is from series entitled *Little Gateways to Science* and surely no hand has more magic in unlatching the little gateways than Edith Patch The bird stories are as interesting and even as delightful as the *Hexapod Stories* that has become dear to so many children of her day Edith Patch understood the child's mind and therefore knew the child's interest in the story of one creature rather than in a general description of habits about the species Each one of these stories are a thrilling biography of a bird telling its home life its nestling and birdling days and its experience as a grownup Moreover the birds described are not those usually selected for children With the exception of the chickadee the other stories deal with the lives unfamiliar to

children of birds which they see but know comparatively little about The author followed her own happy plan for naming the stories The Chickadee is Chick D D The Five Worlds of Larie give the complete history of the seagull Peter Piper is the biography of a sand piper Gavia of Immer Lake tells of the loon Eve and Petro are a pair of cliff swallows that have exciting experiences Uncle Sam is the story of a bald eagle our bird of freedom Corbie is a fascinating tale of a tame crow that was reared and was the playmate of a Brown eyed Boy and a Blue eyed Girl Ardea s Soldier is the snowy heron The Flying Clown is a story of the night hawk that has taken up her abode on the roofs of city houses The Lost Dove is the story of the passenger pigeon Little Solomon Otus is the history of a screech owl The book closes with the romance and wanderings of Bob The Vagabond and our beloved Bob o Link cover image courtesy of Radoslava Todorova *Bird Stories* Edith Patch, 2025-12-05
