Haunted — Incredible True Stories of Ghostly Encounters 2-Book Bundle Dorah L. Williams,2014-05-28 It was an irrational decision Despite having just moved into a beautiful new house the Williams family gave in to an odd overwhelming desire to purchase and move into a Victorian home they had come upon by chance They were curious of course as to why the house had in the past had such a high vacancy rate But that curiosity didn t last long because shortly after moving in strange things began to happen At first the family tried telling themselves there were logical explanations for the strange things they all were witnessing But before long they came to accept the fact that they were sharing their home with ghosts Haunted is the Williams family s story from the point of view of the mother Dorah Through her chilling reminiscences we witness the all too real goings on in the house Upon writing Haunted Dorah thought her situation was unique What she didn t realize was how many others would relate to how it feels to be haunted too After being flooded by emails from people with similar experiences Dorah began to realize this wasn t uncommon at all So Haunted Too came to be Not only will it entertain the reader as good ghost stories always have but it will also help the reader to better understand this phenomenon with the inclusion of shared experiences opinions and advice of professionals in this field **Stalked in the Woods** ,2016-11-22 Don t go in the Woods You might not come back Are you Intrigued by true Creepy Stories in the Woods Do you like stories that make the hairs on the back of your neck go up Stories of Unexplained things in the Woods Creepy Encounters Scary Stories that send a shiver down your spine In the woods in the dark alone or at least you thought you were alone and that s when
