## **Frigid Women:**

**Teaching America about Sex** M. E. Melody, Linda M. Peterson, 1999-05 This witty and provocative study of sex and marriage manuals reveals the patterns of permissiveness and prohibition and tellingly the mechanisms of suasion and enforcement from sermons and hellfire to mutilation and electroshock that have informed popular sex education over the past hundred and twenty years From the roaring 20s to the 1960s sexual revolution and after Teaching America about Sex reveals that even as sexual behavior changed during periods of upheaval the prescriptive literature on sex has remained traditional at its core promoting primarily sex within marriage for the purpose of reproduction

**The Technology of Orgasm** Rachel P. Maines, Rachel Maines, 2001-06-15 The author explores hysteria in Western medicine throughout the ages and examines the characterization of female sexuality as a disease requiring treatment Medical authorities she writes were able to defend and justify the clinical production of orgasm in women as necessary to maintain the dominant view of sexuality which defined sex as penetration to male orgasm a practice that consistently fails to produce orgasm in a majority of the female population This male centered definition of satisfying and healthy coitus shaped not only the development of concepts of female sexual pathology but also the instrumentation designed to cope with them

The Etherized Wife Leslie Margolin, 2021 The Etherized Wife provides a comprehensive examination of the evolution of sex therapy through the prism of gender The book makes the argument that in sex therapy like other domains of life in which men set the standard of normality women have been judged normal to the degree they match men's expectations What is particularly striking about this bias is that it contradicts therapists' overt identification with feminism and the battle against women's inequality To support these claims Leslie Margolin maps a series of case studies drawn from the discipline's own literature the articles and books that have been and continue to be treated as exemplars of the discipline's collective consciousness Through examination of case studies which focus on discrepancies in sexual desire where the man wants more sex and the woman less the book shows how therapists have favoured the man's side The Etherized Wife shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal natural healthy sexuality

Frigidity in Woman in Relation to Her Love Life Wilhelm Stekel, 1926

**Woman: Her Sex and Love Life** William J. Robinson, 2020-09-28

Female Sexuality Russell Grigg, 2018-04-17 Undoubtedly Contributions to the Masculinity Complex in Women is an underrated paper This may be due to its not being published in English until 1924 well after Freud introduced the term masculinity complex into his own writings However Van Ophuijsen's paper was originally presented to the Dutch Psycho Analytical Society much earlier on 23rd June 1917 It was published in German the same year and in Dutch the following year The term masculinity complex is in fact van Ophugsen's invention and Freud acknowledges his debt in his 1919 paper A Child is Being Beaten It is also in the present paper that various manifestations and possible consequences of penis envy are first clearly expressed just as the libidinal investment in the virile erogenous zone is linked to the attachment to the mother This last point is particularly

important and Freud will later appeal to it in explaining the phallicism of the little girl. The material van Ophuijsen draws on derives from five case studies of obsessional women. One of the cases who is here simply referred to as H is subsequently discussed by Jeanne Lampl de Groot in her 1928 paper 'Evolution of the Oedipus Complex in Women', a discussion Freud alludes to in his *Female Sexuality* of 1931. The analysand was referred to Lampl de Groot because of difficulties encountered in the transference to a male analyst. It is also worth noting that van Ophuijsen takes her to be an obsessional while Lampl de Groot diagnoses hysteria. Van Ophuijsen's starting point concerns one aspect of the theory of penis envy, namely that it derives from the sense a woman has of having been injured in infancy through no fault of her own and hence she will blame her mother for having brought her into this world as a woman instead of a man. This matches some character types encountered in analysis, van Ophuijsen conjectures. He also points out that this turning against the mother is as with the castration complex, founded on a belief in the possibility of possessing the penis. The difference between the castration and masculinity complexes is that the sense of guilt attached to the former is absent from the masculinity complex, in which on the other hand what predominate are the sense of having been wronged and accompanying bitterness and reproaches. Moreover, the term is intended to connote the presence of a form of rivalry with men rather than the presence of any overt masculine characteristics. Finally, one should note the connection between the masculinity complex and the urethral erotism which van Ophuijsen explains in terms of a regression to the auto-erotic stage later tackled by other analysts such as Karen Horney.

**Woman** William J. Robinson, 2019-11-25. In *Woman* William J. Robinson presents a pioneering exploration of female identity and societal roles at the turn of the 20th century. The book is structured as a comprehensive treatise that critically examines the biological, psychological, and cultural dimensions of womanhood, employing a blend of informative texts, anecdotal evidence, and scientific inquiry. Robinson's literary style is characterized by its accessible yet scholarly tone, melding meticulous research with impassioned advocacy for women's rights, making it a significant contribution to feminist literature and early gender studies. William J. Robinson (1867-1936) was a pioneering American physician, advocate for women's rights, and a prominent figure in the early feminist movement. His medical background and personal experiences as a reformer profoundly influenced his beliefs about gender equality. Robinson's advocacy for women's health and social status during a period marked by patriarchal norms led him to tackle the prevailing misconceptions about women, challenging societal standards and emphasizing the importance of agency and autonomy in their lives. *Woman* is an essential read for scholars of gender studies, sociology, and history, as well as for anyone interested in the evolution of feminist thought. Robinson's compelling arguments and thorough analyses not only enlighten but also inspire readers to reflect on contemporary issues of gender and equality, making this work a timeless addition to the discourse on women's rights.

**Sex Problems in Women** Anthony John Copper Magian, 1922. *The Descent of Woman* Elaine Morgan, 2011-03-01. One of the key feminist texts. Guardian. *The Descent of Woman* is a pioneering work, the first to argue for the equal role of women in

human evolution On its first publication in 1972 it sparked an international debate and became a rallying point for feminism changing the terminology of anthropologists forever Starting with her demolition of the Biblical myth that woman was an afterthought to the creation of man Elaine Morgan rewrites human history and evolution *Instructional Modules on Sex Education for College Students* Ma. Alodia C. Fontanilla,2003 **Happiness in Marriage** Margaret Sanger,1926

**Female Intimacies in Seventeenth-Century French Literature** Marianne Legault,2016-04-15 Examining literary discourses on female friendship and intimacy in seventeenth century France this study takes as its premise the view that unlike men women have been denied for centuries the possibility of same sex friendship The author explores the effect of this homosocial and homoprivileged heritage on the deployment and constructions of female friendship and homoerotic relationships as thematic narratives in works by male and female writers in seventeenth century France The book consists of three parts the first surveys the history of male thinkers denial of female friendship concluding with a synopsis of the cultural representations of female same sex practices The second analyzes female intimacy and homoeroticism as imagined appropriated and finally repudiated by Honor d Urf s pastoral novel *L'Astrée* and Isaac de Benserade s seemingly lesbian friendly comedy *Iphis et Iante* The third turns to unprecedented depictions of female intimate and homoerotic bonds in Madeleine de Scud ry s novel *Mathilde* and Charlotte Rose de Caumont de La Force s fairy tale *Plus Belle que Fée* This study reveals a female literary genealogy of intimacies between women in seventeenth century France and adds to the research in lesbian and queer studies fields in which pre eighteenth century French literary texts are rare **Revival: The New**

**Generation (1930)** Victor Francis Calverton,Samuel Daniel Schmalhausen,2018-04-20 This is the second presentation by these editors of a collection of essays dealing with the changing point of view relative to morals particularly as they affect the marital state The contributions to this volume include all of those names that have become prominent in the field of psychology and sociology The one question that arises in the mind of the critic is whether or not it is wise to distribute for general reading to a popular audience such discussions of sex perversion as this volume makes available The essays are all of interest although many of the authors are unnecessarily verbose **The Bloomsbury Companion to Existentialism**

new directions contemporary research is now taking Featuring a series of indispensable research tools such as an A to Z glossary a timeline of key events texts and thinkers in existentialism a list of resources and an annotated guide to further reading this Companion is an essential resource to help the new reader navigate through the heart of Existentialism and modern European philosophy

**A Practical treatise on the causes, symptoms, and treatment of sexual impotence and other sexual disorders in men and women** William Josephus Robinson,1913 *American Journal of Urology and Sexology* Henry G. Spooner,1916 **American Journal of Urology, Venereal and Sexual Diseases** ,1916 *The Medical Critic and Guide* William Josephus Robinson,1920 Handbook of Sex Therapy Joseph LoPiccolo,Leslie LoPiccolo,2012-12-06

When is it timely to publish a synthesis of previously published and original materials from a specific discipline I believe it to be timely when one has a sufficient amount of high quality material covering the critical areas of that topic when the previously published material is scattered over a wide range of journals and books and when there is no single book that synthesizes the discipline The treatment of sexual dysfunction emerged to the front lines of health delivery only during the past decade with the pioneering work of William Masters and Virginia Johnson In spite of the rash of sex clinics and sex therapists that followed precious little solid research has been conducted on the various strategies of therapy the means of assessing complex interpersonal sexual relations and the manner by which clinical change is objectively assessed No one reader can keep pace with the multitude of journals that publish key material by sophisticated investigators And no one investigator can cover these salient areas alone with his or her original work in a single volume The critical papers have now been written Ten were written specifically for this volume and thirty three have previously appeared This volume laces them together into a coherent pattern Thus the time for a synthesis in sexual dysfunction

**Refusing Compulsory Sexuality** Sherronda J. Brown,2022-09-13 For readers of *Ace and Belly of the Beast* A Black queer feminist exploration of asexuality and an incisive interrogation of the sex obsessed culture that invisibilizes and ignores asexual and A spec identity Everything you know about sex and asexuality is probably wrong The notion that everyone wants sex and that we all have to have it is false It is intertwined with our ideas about capitalism race gender and queerness And it impacts the most marginalized among us For asexual folks it means that ace and A spec identity is often defined by a queerness that is not queer enough seen through a lens of perceived lack lack of pleasure connection joy maturity and even humanity In this exploration of what it means to be Black and asexual in America today Sherronda J Brown offers new perspectives on asexuality She takes an incisive look at how anti Blackness white supremacy patriarchy heteronormativity and capitalism enact harm against asexual people contextualizing acephobia within a racial framework in the first book of its kind Brown advocates for the A in LGBTQIA affirming that to be asexual is to be queer despite the gatekeeping and denial that often says otherwise With chapters on desire f ckability utility refusal and possibilities *Refusing Compulsory Sexuality* discusses topics of deep relevance to ace and a spec communities It centers the Black asexual experience and demands visibility in a world

that pathologizes and denies asexuality denigrates queerness and specifically sexualizes Black people A necessary and unapologetic reclamation Refusing Compulsory Sexuality is smart timely and an essential read for asexuals aromantics queer readers and anyone looking to better understand sexual politics in America
