

Rookie Read-About™ Science

Frogs and Toads and Tadpoles, Too

A detailed photograph of a brown frog with dark, irregular spots and blotches. The frog is perched on a large, green, serrated leaf. Its body is angled towards the right, but its head is turned back to look over its shoulder at the viewer. The frog's skin has a bumpy, granular texture. The background is dark and out of focus, highlighting the frog and the leaf. The lighting is soft, coming from the upper left, casting gentle shadows.
