**Inventing Baby Food** Amy Bentley,2014-09-19 Explores how the invention of commercial baby food shaped American notions of infancy and influenced the evolution of parental and pediatric care Simultaneous eBook

**The Routledge Companion to Art and the Formation of Empire** Emily C. Burns,Alice M. Rudy Price,2025-05-30 This companion comprises essays that analyze interactions between art and global imperial relationships from 1800 to World War II The essays in this volume expose and add to historical layers of meaning in their discussions of art and empire Found across much of the globe sites of sedimentary rock allegorize the dynamics of art and empire and frame the section structure for this book Twenty two authors unpack imperial layers in a variety of global and historical contexts through case studies that center art and visual and material culture The authors show how art and aesthetics have operated as tools of empire Interpreting a comprehensive array of media as well as inter media dialogues they analyze and intervene in how we remember and examine entwinements between empire and aesthetic practices In this volume s attention to the role of art in imperial formation as well as the legacy of colonization the essays disentangle sediments of culture as they are moved and shaped by homogenizing forces of empire showing that the aesthetics of empire inflect not only individuals makers and economies but also practices of circulation and collecting The book will be of interest to graduate students researchers and

professors and may be used in classes focused on art history imperialism and colonialism      **Asia Inside Out** Eric Tagliacozzo, Helen F. Siu, Peter C. Perdue, 2019-03-11 In the final volume of Asia Inside Out a stellar interdisciplinary team of scholars shows the ways that itinerant groups criss crossing the continent have transformed their culture and surroundings Going beyond time and place which animated the first two books this third one looks at human beings on the move      Bioart Kitchen Lindsay Kelley, 2016-03-07 What do new technologies taste like A growing number of contemporary artists are working with food live materials and scientific processes in order to explore and challenge the ways in which manipulation of biological materials informs our cooking and eating Bioart or biological art uses biotech methods to manipulate living systems from tissues to ecologies While most critiques of bioart emphasise the influences of new media digital media and genetics this book takes a bold alternative approach Bioart Kitchen explores a wide spectrum of seemingly unconnected subjects which when brought together offer a more inclusive expansive history of bioart namely home economics the feminist art of the 1970s tissue culture methodologies domestic computing and contemporary artistic engagements with biotechnology      **Food** Warren Belasco, 2008-09-01 Food The Key Concepts presents an exciting coherent and interdisciplinary introduction to food studies for the beginning reader Food Studies is an increasingly complex field drawing on disciplines as diverse as Sociology Anthropology and Cultural Studies at one end and Economics Politics and Agricultural Science at the other In order to clarify the issues Food The Key Concepts distills food choices down to three competing considerations consumer identity matters of convenience and price and an awareness of the consequences of what is consumed The book concludes with an examination of two very different future scenarios for feeding the world s population the technological fix which looks to science to provide the solution to our future food needs and the anthropological fix which hopes to change our expectations and behaviors Throughout the analysis is illustrated with lively case studies Bulleted chapter summaries questions and guides to further reading are also provided      Season to Taste Caroline J. Smith, 2023-05-18 2024 Honorable Mention Recipient for the Emily Toth Award for the Best Single Work by One or More Authors from the Popular Culture Association Between 2000 and 2010 many contemporary US American women writers were returning to the private space of the kitchen writing about their experiences in that space and then publishing their memoirs for the larger public to consume Season to Taste Rewriting Kitchen Space in Contemporary Women s Food Memoirs explores women s food memoirs with recipes in order to consider the ways in which these women are rewriting this kitchen space and renegotiating their relationships with food Caroline J Smith begins the book with a historical overview of how the space of the kitchen and the expectations of women associated with it have shifted considerably since the 1960s Better Homes and Gardens as well as the discourse of the second wave feminist movement tended to depict the space as a place of imprisonment The contemporary popular writers examined in Season to Taste such as Ruth Reichl Kim Sun e Jocelyn Delk Adams Julie Powell and Molly Wizenberg respond to this characterization by instead presenting the kitchen as a place of

transformation In their memoirs and recipes these authors reinterpret their roles within the private sphere of the home as well as the public sphere of the world of publishing whether print or digital publication The authors examined here explode the divide of private feminine and public masculine in both content and form and complicate the genres of recipe writing diary writing and memoir These women writers through the act of preparing and consuming food encourage readers to reconsider the changing gender politics of the kitchen
