secret history of a nation in crisis from the becalmed aftermath of the Civil War through the Great Depression and the wars of the twentieth century to the struggles for racial and sexual equality the devastations of the AIDS plague the poised hopes of the third millennium and a great deal more In the final richness of its texture it offers the joy implicit in all steady views of the world The critic Michael Kreyling has said Trilogies produced by American novelists in the twentieth century can scarcely match A Great Circle s sweep and finesse Any reader in search of the ancient pleasures of wit and laughter tragedy and recompense and the healing surprises of pattern and harmony inherent in the broader reaches of narrative will find plentiful reward in a story which literally answers to all the meanings of the old word saga This combined edition contains a new preface by the author a family tree and an annotated list of major characters Only When I'm High Rosemary
