From My Heart And Soul:

Poems from My Heart and Soul Melvin Avery Edwards, 2010-02-22 This book is a collection of poems written from 1980 to 2009. A collection of poems that will have something for all types of folk in this life. It will also give you pause to think about your belief system and what it means to you. These poems look at life from a personal point of view from the author and will show how the author looks at life at certain points of his life while dealing with different types of folk and situations along his life's journey. It will show the angry disappointment, happiness and love with life along the way. In the end, poems are about life and the roads you take until your world has ended at a certain point. **Life, Heart, and Soul** Amanda Jayne Gilmer, 2022-12-11 This book aims to show that there is more to author Amanda Jayne than mental health. Whether it is her personal experience or experience in general, it explores her spirituality and faith as a commentator on social issues as a protagonist of love and places she has cherished. The book is her first three former books which were published in 2014 brought together to form one larger book. Repackaged, edited and brought up to industry standard. The book aims to showcase her skills as a diverse and skilled poet covering many different topics. **Klarissa's Heart and Soul: A Love Story** Karen Demers, 2012-08-03 It is a love story that takes place in the year of 1893. The background is the town of St. Jovite, Mont Tremblant in the Laurentians. This was the year that the steam locomotive was extended in Quebec. The train station is an important aspect to this story. The main character endures many hardships in her struggle to rebuild her life and becomes a powerful business woman with support and love by her side. Can it withstand the obstacles that have to be faced in the first couple of months? Will the relationship continue to hold their love, commitment, loyalty, dedication and passion to remain in their hearts and souls? *Heart And Soul* Lucia Wang, 2007-12-14 From the author of her first self-help book *Suffering No More: How to Say NO to Destructive Relationships and YES to Happiness* to now her second book that reveals the depth of her heart and soul. Enjoy her collection of life-inspired stories, writings and poems. Her wisdom is beautifully captured in her writings with warmth and compassion. This book will surely inspire you to embrace life, dreams and love. *Tears From My Heart* Donald D. Grasham, 2013-12-09 Death is an ending but it is also a beginning; it is a difficult realization in a person's life. Here the difficulty becomes alive in the book. The sadness and yet the memories unfold as the man visits his *vida mia* amor. The love of his life. Always with each visit he brings flowers, a continuation of a practice he did when she was alive. Here the memories and strength of their love reveals itself as he talks to her. To Don, Dolores was his world; to Dolores, Don was her world. *Matters of the Heart and Soul* Dan Rizzo, 2017-02-16 As morning breaks, the sun highlights the ocean. Separating the shades of green from the deep and the sandbars, reflections sparkling across the breakers. I move closer. Hands moving slowly. A soft moan. Eyes still closed. A soft smile crosses your lips. You know I am here. Dan Rizzo. The raw emotions that often accompany love have the potential to not only wrap us in unbridled happiness but also leave us defenseless against the heartache that can sometimes occur when we willingly give our hearts to others. In a collection of contemporary poems, Dan

Rizzo shares in depth reflections that explore many of the feelings related to love and the pain of broken promises From mesmerizing emerald eyes to a passionate love that binds two souls forever to forbidden inner thoughts that overshadow a dinner conversation Rizzo takes others down a joyful sometimes sorrow filled path where he subtly encourages others to persevere through heartache to find the one thing we all crave most in life true love Matters of the Heart and Soul shares poems created from one mans journey through love loss and the belief that one day his soul mate will find him *Straight from My Heart* Jacqui DeLorenzo,2012-09-17 Straight from My Heart presents a collection of true stories and poetry written by a woman who has helped others to discover their true selves It shares her journey as her life is touched by others Author Jacqui DeLorenzo shares several inspiring tales of hope and courage intended to resonate with anyone who has suffered a hardship or the loss of a loved one She considers whether there is life after death She also ventures on journeys to the other side of the rainbow to a place where there is no pain and no illness She goes to a place where we can find love in our hearts peace in our souls and happiness in our lives again even when it seems that all has been lost along the way Each story seeks to open hearts touch souls and encourage all to believe in what is possible Through the personal journeys of DeLorenzo her friends her hospice patients and their caregivers Straight from My Heart provides the opportunity to know and understand that life continues after this life on earth We need to open our hearts to the positive energy and the spirit of loved ones who are on the other side waiting to greet us with open arms when it is our turn to journey to the other side From My Heart Leoparda Moonwater,2012-01-25 From my heart is my first collection of poetry I ve been writing it sense I was a teen but this is the first publication of my poetry To top it off it s not even all my poetry There will be more book collections There s something for just about everyone in my works but is full of poetry about love This is a mature readers collection none suitable for those under 18 I also have mini editorials throughout the book as background for the poetry I also have included some pieces from my next book to come out real soon titled First Draft This book is how it is titled It is unfinished works in the first to third drafting stage It is mainly my Para Perter fiction novel multiple series that I have been working on for three years now I would say Hopefully I will have the first tale book for them real soon to introduce you to the story lines Until then Hope you enjoy From My Heart **I Prayed for Love-My True Love** Mt. Tee,2023-01-18 As Mt Tee mentioned in his first book titled One Man s Love for One Woman all songs and poems were inspired by a recent breakup in his life These books which he titled I Prayed for Love and My True Love is a continuation of the said relationship between him and the woman he has loved the deepest in his life and who he still loves till this day He did everything he could do to make her happy and everything he could do to remain in her life A true story of one man s love for one woman that went astray Mt Tee still thinks of the woman as each day passes The memories of the love he feels for this woman keep him tied to the feelings he has This two books in one will show the mixed feelings a relationship can cause when you love someone more than anything you could ever imagine in life Healing Heart and Soul Roger Cole,2013-01-01 Can you mend a broken heart and begin to love again

Simple Sayings and Thoughts for the Mind, Heart and Soul Joe Cervantes,2016-06-08 Wisdom knowledge and understanding are similar to finding a treasure chest full of diamonds and nuggets of gold How can anyone not take advantage of such an abundance of wealth In the midst of so much confusion one needs to take the time to believe that there is wealth in the word of God and from his people to overcome such daily adversaries We are challenged in our everyday lives but may you take that first step of faith living for God and in helping others with love where there is failure I know many books have been written with different opinions and advice by different writers about God and life As the author of this book Ive tried to give some simple wisdom and understanding in so many areas of our lives making it simple to understand of course with some sense of humor As one who goes alone through the maze of life sometimes it requires us to learn quickly in order to find the key to the cross So where advice isnt available we are tempted get off course and learn the hard way which gets more complicated if we become stubborn Just like the whole armor of God protects every part of our spiritual and physical bodies taking some good advice and motivation will help us progress as a child of God For those who love to make things possible by taking advice may this book help you to change your route and save you time There are over six thousand thoughts of my personal sayings which can be used as a text starter for a sermon or a conservation piece for inspiration Please enjoy them youve struck it rich with some great wisdom Joe Cervantes *Woman to Woman: from My Heart to Yours*

Marcia Grant,2014-02-10 This is a daily devotional book for women written by a woman However this is a book that men can read and find very insightful and refreshing Although the author is not world renowned her writing is based on her spiritual experiences and calls on the life lessons of her family and friends Similiar to an anthology this book is a combination of bible stories and human experiences this is an authentic piece of work that will garner positive feedback Give this book as a gift to a friend and they will certainly thank you for it *Hidden in My Heart. A Novel* Dora Russell,1887 **Memoir of a Soul In Holy Love: Writings Inspired By the Heavenly Messages of the Blessed Virgin Mary** A Soul,2017-07-09 Part One consists of several writings that were written from 2011 to 2015 It provides a solid introduction into the spirituality of the United hears of Jesus Christ and the Blessed Virgin Mary Part Two is the testimony of the author of her faith journey Back cover volume 2 **Purify My Heart: A Dialogue with Jesus** Isabelle Joye,2021-02-08 In her own devotional prayer journal Isabelle Joye records not only Scripture and her prayers to the Lord but also what she senses Jesus is saying to her in response The result is a beautiful dialogue as she allows the words of the Lord rooted in the Word to minister to the deepest recesses of her heart soul and mind and purify her to become increasingly holy before him Isabelle Joye shares examples of her personal dialogue with Jesus to inspire her readers to establish their own dynamic and interactive relationship with the Lord At the end of each chapter readers will discover questions and lined pages where they can journal their personal response *Etched...Upon My Heart* Jill Kelly,2013-01-22 Our lives are made up of moments Some we hope to remember forever and some we long to forget But it s the tapestry of these moments that come together to write the story God is telling through each of our lives In ETCHED UPON MY HEART Jill Kelly shares some of the unforgettable moments in her life some sorrowful others filled with joy as a living epistle to her daughters Kelly s raw and honest reflections provide encouragement and inspiration for women and mothers who long to pass on hard won knowledge of God s steadfast love and healing grace to their children As she writes God will break our hearts but He will hold the pieces He will cradle us and redeem every tear we cry Although great personal pain informs these pages Kelly s story is ultimately one of forgiveness reconciliation and hope Through the moments in time that Jill Kelly recounts you will recognize the daily reality and eternal value of God s plan for your own life **Pardon me, but you're stepping on my heart** Jannette Blair,2022-10-01 Pardon me but you re stepping on my heart is the second volume for the book *The Tears Behind My Smile* based on the life of a girl who had been through the worst days of her life and still stood like a queen She had been mistreated by her loved ones and taken advantage of by the people she had trusted the most The entire book revolves around her journey in which she saw the true colors of people in her time of need Although her life long lessons tore her into pieces she still learned from them instead of becoming the victim of everything Everyone in her surroundings doubted her for not being strong enough and fighting the demons in her life However she proved all of them wrong and became the best version of herself Whomsoever she trusted always betrayed and wronged her Thus she started to be herself and stay away from everyone who claimed to love or look after her Later she

realized that everyone becomes toxic in their life but the true survivor is the one who accepts their faults and improves their selves and she considers the true essence of life There came a stage in her life where she decided to take steps for all those people especially women whose voices were manipulated or suppressed due to someone else s dominance She also remembered how her ex husband mistreated and kicked her out of the house just like her parents did She still understood his mentality who had been a victim of abuse from his parents No matter how many times she had been played manipulated wronged or taken for granted she never looked back because she had an optimistic approach to seeing things In addition in each step of her life she remained thankful to God who did not leave her hand in the hard times She guided her readers to be realistic no matter what social media is showing them because behind the cameras everyone has to go through something they do not speak of To get over her past she made sure to make herself busy at work where she again saw horrible faces behind the kindest smile There too she acted patiently and saw people reaping what they had sown She remained thankful to her childhood friends who never left her way and helped her fight her toxic ex husband She acknowledged and realized the power of unity and witnessed how it turned the tables She asked the readers to remain grateful and helpful to the people around us because we never know when we might need their help or concern in this predictable life Finally yet importantly she claimed self love above all as when people love themselves they become contagious towards the better things and people in life Thus the main theme is to trust and love yourself no matter where you are and how others treat you Tears of My Heart Sandra Palmer,2011-08-08 The story tugs at the heart strings of the reader with such a force that you can t help but shed a tear The book takes you on a journey through numerous emotions that you feel daily but somehow take for granted It makes you sad it makes you happy it makes you laugh and want to take risks and face any challenges laid before you The plot is moving and inspirational and it will leave an impression on you that will last a lifetime It depicts the struggle and beauty of motherhood despite many adversities How a woman selflessly gives herself to the obligations of her family It gives great life lessons This is not another feel good book this book makes you realise your actions can affect the lives of others in more ways than you can imagine A book that will keep you engrossed from the first chapter An unforgettable story of faith survival and courage A triumph of human strength in the face of overwhelming odds A sotry of loving and letting go A celebration of hope forgiveness and life A real page turner *Pulse of My Heart* R. L. Wachlin,2012-02 Spirit talk for your Soul Do you listen to actually hear that small still voice in your head Whether it is your higher self your Christ self your Spirit or an Angel speaking are you listening Have you opened yourself up to receive the gifts GOD is sending to you so you can rejoin HIM freewill is what allows us to experience heaven on earth In this book you will find writings guided by my inner voice as well as my heart and soul collected over a 3 year period and placed in chronological order They are simple perceptions of my life events that had occurred as well as my view of the world around me at various moments in time Perhaps in reading them you will find your own similar thoughts within the pages Blessed be today and always
