Werther**

From Napoleon To The Second International Essays On Nineteenth Century Europe:

From Napoleon to the Second International Alan John Percivale Taylor,1993 **Europe from Napoleon to the Second International** A. J. P. Taylor,2008 A J P Taylor could never be dull least of all in the essay *The medium was perfect for his qualities* In expression he displayed elegant brevity in argument paradox in knowledge lightly worn mastery The result was an aphoristic concinnity only perhaps bettered among historians by Macaulay Faber are reissuing three volumes of essays expertly assembled and introduced by Chris Wrigley This first one presents a dazzlingly varied conspectus of A J P Taylor s shorter writings on the nineteenth century Compulsively quotable and often very funny The range volume and brio of his historical writing are astounding Roy Foster Independent on Sunday Introducing A.E. Housman (1859-1936) D. Antoine Sutton,2018-04-18 This volume is pivotal reading for laypersons looking for an accurate understanding of the private life and public career of A E Housman Furthermore it is also essential for any reader seeking to recover a truer image of the Victorian man who during his lifetime issued two collections of Romantic poems *A Shropshire Lad* and *Last Poems* It will be of particular interest to history buffs poets professors and students of classical studies and instructors in literary criticism given that it sketches Housman s biography and examines in detail his scholarship Albertus C. Van Raalte Jeanne M. Jacobson,Elton J. Bruins,Larry J. Wagenaar,2001-03 A biography of A C Van Raalte 1811 1876 founder of a major settlement of Dutch immigrants to America It discusses the causes for emigration the hardships of travel to and arrival in a new land and the tensions between Americanization and maintenance of ethnic and religious heritage The Documentary Handbook Peter Lee-Wright,2009-12-04 From the cinematic releases of Michael Moore to *Big Brother* this handbook includes interviews case studies and illustrations and presents a critical introduction to the documentary film its theory and changing practices

Justice, Order and Anarchy Alex Prichard,2013-05-02 This book provides a contextual account of the first anarchist theory of war and peace and sheds new light on our contemporary understandings of anarchy in International Relations Although anarchy is arguably the core concept of the discipline of international relations scholarship has largely ignored the insights of the first anarchist Pierre Joseph Proudhon Proudhon s anarchism was a critique of the projects of national unification universal dominion republican statism and the providentialism at the heart of enlightenment social theory While his break with the key tropes of modernity pushed him to the margins of political theory Prichard links Proudhon back into the republican tradition of political thought from which his ideas emerged and shows how his defence of anarchy was a critique of the totalising modernist projects of his contemporaries Given that we are today moving beyond the very statist processes Proudhon objected to his writings present an original take on how to institutionalise justice and order in our radically pluralised anarchic international order Rethinking the concept and understanding of anarchy *Justice Order and Anarchy* will be of interest to students and scholars of political philosophy anarchism and international relations theory

Entrepreneurs and the Transformation of the Global Economy Anthony P. Ellison,2002-01-01 Anthony Ellison cuts

through conventional neo classical interpretations to expose the indispensable contribution of entrepreneurs in driving the market process and in particular in accomplishing the deregulation of the transportation trade telecommunications and financial regimes both in North America and across the globe Entrepreneurs have an important role in any economy but the author argues that they have played a crucial part in shaping the contemporary global market This book situates the emergence of the contemporary global market economy within an historical context

Encyclopedia of Historians and Historical Writing Kelly Boyd,2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

The Myth of Inevitable US Defeat in Vietnam Dale Walton,2013-01-11 This book offers a dispassionate strategic examination of the Vietnam conflict that challenges the conventional wisdom that South Vietnam could not survive as an independent non communist entity over the long term regardless of how the United States conducted its military political effort in Indochina

The Origins of the American Civil War Brian Holden Reid,2014-09-25 The American Civil War 1861-65 was the bloodiest war of the nineteenth century and its impact continues to be felt today It and its origins have been studied more intensively than any other period in American history yet it remains profoundly controversial Brian Holden Reid's formidable volume is a major contribution to this ongoing historical debate Based on a wealth of primary research it examines every aspect of the origins of the conflict and addresses key questions such as was it an avoidable tragedy or a necessary catharsis for a divided nation How far was slavery the central issue Why should the conflict have erupted into violence and why did it not escalate into world war

Sir Robert Peel Richard A. Gaunt,2010-07-02 Sir Robert Peel paragon or pariah Peel was the greatest statesman and political leader of mid Victorian Britain a titan of Conservative politics whose legacy has inspired generations in his party and in British political life In a career spanning forty years he held the greatest offices of state including Chief Secretary to Ireland Home Secretary Chancellor of the Exchequer and was twice Prime Minister He was the first acknowledged leader of the Conservative Party and the Founder of Modern Conservatism Yet Peel's seemingly peerless reputation has never been secure The Repeal of the Corn Laws split his party his Peelite supporters joined the Liberals and the Conservatives remained in opposition for thirty years Richard Gaunt drawing on a huge archive of state papers contemporary writings including Peel's own Memoirs and the latest historiography paints a convincing picture of Peel as an exponent of effective government in the modern industrial

state and a calculating practitioner supremely self confident who dominated both his Party and the House of Commons Gaunt's revisionist life of Peel will be essential reading and the standard work for students and general readers interested in Conservative and mid Victorian political history and historical biography

Humanitarianism in the Modern World Norbert Götz, Georgina Brewis, Steffen Werther, 2020-07-23 This is an innovative new history of famine relief and humanitarianism The authors apply a moral economy approach to shed new light on the forces and ideas that motivated and shaped humanitarian aid during the Great Irish Famine the famine of 1921 1922 in Soviet Russia and the Ukraine and the 1980s Ethiopian famine They place these episodes within a distinctive periodisation of humanitarianism which emphasises the correlations with politico economic regimes the time of elitist laissez faire liberalism in the nineteenth century as one of ad hoc humanitarianism that of Taylorism and mass society from c 1900 1970 as one of organised humanitarianism and the blend of individualised post material lifestyles and neoliberal public management since 1970 as one of expressive humanitarianism The book as a whole shifts the focus of the history of humanitarianism from the imperatives of crisis management to the pragmatic mechanisms of fundraising relief efforts on the ground and finance This book is also available as Open Access on Cambridge Core

The Ordeal of Peace Adam R. Seipp, 2016-03-03 Historians know a great deal about how wars begin but far less about how they end Whilst much has been written about the forces passions and institutions that mobilized societies for war and worked to sustain that mobilization through years of struggle much less is known about the equally complex processes that demobilized societies in the wake of armed conflict As such this new book will be welcomed by scholars wishing to understand the effects of the Great War in its fullest context including the reactions behaviors and attitudes of ordinary Europeans during the tumultuous events of the years of demobilization Taking a transnational perspective on demobilization this study demonstrates that the experience of mass industrial war generated remarkably similar pressures within both the defeated and victorious countries Using as examples the important provincial centres of Munich and Manchester this book examines the experiences of European urban dwellers from the last year of the war until the early 1920s Utilizing a wide variety of sources from more than twenty archives in Germany Britain and the United States this book recovers voices from the period that are often lost in conventional narratives capturing the richness and diversity of the ideas visions and conflicts engendered by those difficult and tumultuous years The result is a book that paints a vivid picture of the difficulties that peace could bring to economies and societies that had rapidly and fully adapted to the demands of industrial world war

Using History, Making British Policy P. Beck, 2006-07-11 The extent to which history has been used to inform policy remains a neglected topic Focusing upon the 1957 Whitehall policy initiative this book enhances our knowledge of post 1945 Britain illuminates debates about the nature and the use of history in the contemporary world most notably the relationship between history and policy

A Primer in Power Politics Stanley Michalak, 2001-04-01 In clear and jargon free style A Primer in Power Politics explains the concept of power politics and provides an introduction to the

principles of humanistic political realism This book answers the questions When and why do states resort to the use of force and what are the uses and limits of force in conflicts among nations What can we realistically expect from the United Nations the World Court arbitration panels and other peaceful settlement techniques What role do morality ethics and world public opinion play in the international interactions of nations Accessible and stimulating A Primer in Power Politics provides important historical context and will teach students how to think analytically about the issues of war and peace It shows what approaches to peace have failed in the past and explains why they will fail in the future Students will know what kinds of questions to ask when addressing past present and future foreign policy issues The first contemporary work in international politics that addresses power politics this text is ideal for courses in international relations United States foreign policy comparative foreign politics international conflict and national security

Catholicism, Identity and Politics in the Age of Enlightenment Alexander Lock, 2016 Explores the changing aspirations attitudes and identities of English Catholics in the late eighteenth century This book explores the changing aspirations attitudes and identities of English Catholics in the late eighteenth century a period which marked a critical moment of transition in their spiritual political and intellectual culture It is based on the experiences of the English Catholic baronet Grand Tourist and politician Sir Thomas Gascoigne 1745 1810 Gascoigne was born on the Continent into a devout Catholic family based in Yorkshire however following an unusual Continental upbringing and extensive series of Grand Tours to the courts of Catholic Europe he would abjure his faith for a seat in Parliament Throughout his life he was an important advocate of agricultural reform a considerable coal owner interested in mining engineering as well as a keen developer of spa culture By examining the experiences of Gascoigne and his milieu this book explores English Catholic attitudes towards continental Catholicism the influence of the European Enlightenment upon their education and outlook and how this affected their Christianity their estates and their conception of national identity It demonstrates how increased toleration entailed a gradual rejection amongst English Catholics of a pious separatism for a more ecumenical and ultimately Enlightened approach to religion Although this risked the loss of English Catholics to Anglicanism many like Gascoigne remained crypto Catholic in sympathy They adapted their faith to the Enlightenment and regarded it as a matter of personal conviction and private choice ALEXANDER LOCK is Curator of Modern Historical Manuscripts at the British Library

The Dark Valley Piers Brendon, 2002-01-08 The 1930s were perhaps the seminal decade in twentieth century history a dark time of global depression that displaced millions paralyzed the liberal democracies gave rise to totalitarian regimes and ultimately led to the Second World War In this sweeping history Piers Brendon brings the tragic dismal days of the 1930s to life From Stalinist pogroms to New Deal programs Brendon re creates the full scope of a slow international descent towards war Offering perfect sketches of the players riveting descriptions of major events and crises and telling details from everyday life he offers both a grand rousing narrative and an intimate portrait of an era that make sense out of the fascinating complicated and profoundly influential years of the 1930s

Condemned to Repeat it Sheldon R. Anderson, 2008-01-01 Condemned to Repeat It examines the historical myths that underwrote U S containment policy during the Cold War Anderson argues that the historical record does not support the applicability of lessons learned from nineteenth century great power diplomacy peacemaking at the end of World War One the Munich Agreement and the Yalta Conference

Newman and His Contemporaries Edward Short, 2011-04-21 This is a book on John Henry Newman s influence on some of the most fascinating characters of the 19th century and their influence on him No one in nineteenth century England had a more varied circle of friends and contacts than John Henry Newman 1801 1890 the priest theologian educator philosopher poet and writer who began his career as an Anglican converted to Catholicism and ended his days a Cardinal That he was also a leading member of the Oxford Movement brought the Oratory to England founded the Catholic University in Dublin and corresponded with men and women from all backgrounds from around the world made him a figure of enormous interest to his contemporaries In this study of Newman s personal influence Edward Short looks closely at some of Newman s relations with his contemporaries to show how this prophetic thinker drew on his personal relationships to develop his many insights into faith and life Some of the contemporaries covered include Keble Pusey Gladstone Matthew Arnold Richard Holt Hutton Lady Georgiana Fullerton and Thackeray Based on a careful reading of Newman s correspondence the book offers a fresh look at an extraordinary figure whose work continues to influence our own contemporaries
