**Sermons and Impressions Brought from America** Charles Hargrove, 1901      **Browningmania, America's Love for Robert Browning** Hédi Jaouad, 2014-11-28 In the 1880s and 1890s the Victorian poet Robert Browning was the lion of the day in the United States particularly in Rochester Browning's work was widely read and discussed Even today there are still many in America who consider themselves Browningites and many of them belong to Browning clubs and societies This book the fruit of thorough and patient archival digging brings together various fragmentary local sources and quaint memorabilia hitherto unknown to scholars It vividly recovers the spirit of the fascination with Browningmania and more broadly Victoriana that Rochesterians and Americans in general evinced in the last two decades of the nineteenth century and early part of the twentieth century Browning's popularity undeserved many thought remains nonetheless a unique phenomenon in literary and cultural history well worthy of study and comprehension Although several books and articles were devoted to this subject none offers a sustained explanation of how and why Browning became such an iconic figure This book fills a gap in the scholarship and critical reception of Browning This study offers Browning scholars and Victorianists in general a new perspective on some long neglected but crucial material It will be of particular interest to students and scholars in Reception and American studies as well as cultural and literary historians Because it brings together many local anecdotes and memorabilia this book will also find appreciative readers among the general public especially in upstate New York region particularly Rochester
