Biggs, Charles Darwin Wright, Thomas
N. Hall**

From Caesar To Arthur:

From Caesar to Arthur Geoffrey Ashe, 1960 From Caesar to Arthur. [A Study of the Life and Career of King Arthur.] Geoffrey Ashe (Lecturer in Management Studies, Regent Street Polytechnic.), 1960 **King of the Celts** Jean Markale, 1994 A Celtic historian re creates the life and times of the real King Arthur and explains how even today Arthurian ideals of knightly virtue remain at the heart of Western thought The Quest For Arthur's Britain Geoffrey Ashe, 1987-01-01 The legend of Arthur and the Knights of the Round Table dominates the mythology of Britain but could this story prove more fact than fiction Recent archaeological findings have lead Geoffrey Ashe to believe there is more truth to Arthurian legend than previously accepted The Quest for Arthur s Britain examines the historical foundation of the Arthurian tradition and presents the remarkable results of excavations to date at Cadbury reputed site of Camelot Tintagel Glastonbury and many places known almost exclusively to Arthurian scholars **A History of Arthurian Scholarship** Norris J. Lacy, 2006 A survey of critical attention devoted to Arthurian matters This book offers the first comprehensive and analytical account of the development of Arthurian scholarship from the eighteenth century or earlier to the present day The chapters each written by an expert in the area under discussion present scholarly trends and evaluate major contributions to the study of the numerous different strands which make up the Arthurian material origins Grail studies editing and translation of Arthurian texts medieval and modern literatures in English and European languages art and film The result is an indispensable resource for students and a valuable guide for anyone with a serious interest in the Arthurian legend Contributors NORRIS LACY TONY HUNT KEITH BUSBY JANE TAYLOR CHRISTOPHER SNYDER RICHARD BARBER SIAN ECHARD GERALD MORGAN ALBRECHT CLASSEN ROGER DALRYMPLE BART BESAMUSCA MARIANNE E KALINKE BARBARA MILLER CHRISTOPHER KLEINHENZ MURIEL WHITAKER JEANNE FOX FRIEDMAN DANIEL NASTALI KEVIN J HARTY NORRIS J LACY is Edwin Erle Sparks Professor of French and Medieval Studies at Pennsylvania State University **Five 'Fives' of The Fifth History Template, of 30 B.C. to 750 A.D..** Dennis J. Foley, The Five History Constructs in this book are from my book The 5th History Template 30 B C to 750 A D The Five in this book are the Five Mega Constructions of King Herod 1st the Five Sacred Temples of Caesar Augustus the Five Peaks of Rennes le Chateau and the Year 555 the Five Good Emperors of the Roman Empire and the Five Arthurs in the One King Arthur Lore The Five History Constructs in this book are from my book The 5th History Template 30 B C to 750 A D They are examples of some of what I believe are supernatural participations in what we assume to be just our lives and times and what ultimately becomes our memories our evidence and our history **Text of Episodes from Caesar's Civil War** Julius Caesar, 1895 **Troubling Arthurian Histories** James R. Simpson, 2007 Drawing on a range of approaches in cultural gender and literary studies this book presents Chr tien de Troyes s Erec et Enide as a daring and playful exploration of scandal terror and anxiety in court cultures Through an interdisciplinary reading it locates Erec et Enide the first surviving Arthurian romance in French in various contexts from

broad cultural and historical questionings such as medieval vernacular modernity's engagement with the weight of its classical inheritance to the culturally fecund and politically turbulent histories of the families of Eleanor of Aquitaine and Henry II Plantagenet. Where previous accounts of the tale have not uncommonly presented Chrétien's poem as a decorous resolution of tensions between dynastic marriage and fin'amors between personal desire and social duty, this reading sees these forces as in permanent and irresolvable tension; the poem's key scenes haunted whether mischievously or traumatically by questions and skeletons from various closets.

King Arthur's French Odyssey Marilyn Floyde, 2009 At the end of the famous legend when he departs for Avalon King Arthur is inextricably linked to Glastonbury. Or is he? Marilyn Floyde reminds us that in the earliest stories he is also linked to France or Gaul as it was then called. There is a theory that King Arthur could have performed his last heroic deeds in Burgundy. Or more specifically in the ancient town of Avallion. Why has the Avallion in Burgundy largely been ignored when it was the only real place of that name in existence in the fifth century? Perhaps there was a conspiracy perpetrated by unscrupulous medieval monks in England designed to deprive France of a thousand years of tourist income. These theories are put to the test in this intriguing work. Follow the intrepid author as she explores the beautiful Burgundy countryside on an investigative trail through history, religion, and warfare and into the magical realms of Arthurian legend.

King Arthur Nicholas J. Higham, 2018-11-20 A leading medievalist takes a clear-eyed look at the evidence for the existence of the legendary Arthur. The Sunday Times Best Paperbacks of 2021. According to legend King Arthur saved Britain from the Saxons and reigned over it gloriously sometime around A.D. 500. Whether or not there was a real King Arthur has all too often been neglected by scholars; most period specialists today declare themselves agnostic on this important matter. In this erudite volume Nick Higham sets out to solve the puzzle, drawing on his original research and expertise to determine precisely when and why the legend began. Higham surveys all the major attempts to prove the origins of Arthur, weighing up and debunking hitherto claimed connections with classical Greece, Rome, Dalmatia, Sarmatia, and the Caucasus. He then explores Arthur's emergence in Wales up to his rise to fame at the hands of Geoffrey of Monmouth. Certain to arouse heated debate among those committed to defending any particular Arthur, Higham's book is an essential study for anyone seeking to understand how Arthur's story began. Likely to be the definitive text on the legendary warrior for the foreseeable future. With his profound knowledge of the rules of historical narrative and patient but forensic analysis of the evidence, Higham's riveting book brings the historical Arthur to what may be his last decisive battle.

Max Adams, author of *The First Kingdom*, Fascinating authoritative analysis. P. D. Smith, *The Guardian*, Intelligent and eminently readable. For fans of a fascinating story that is wonderfully well told, this is the perfect book to take you back to King Arthur's time.

All About History **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1957 **Teachers College Record**, 1912

The Arthurian Name Dictionary Christopher W. Bruce, 1999 A comprehensive encyclopedia of characters, places, objects, and themes found in the legends of King Arthur and the Knights of the Round Table. Draws from all significant sources.

between Gildas De Excidio Britanniae written about 540 AD and Tennyson's 19th century Idylls of the King including versions from throughout Europe The entries range from a short identifying sentence to nearly ten pages for the king himself Each is referenced to a source which are presented in a endtable showing author and title date form and language description keywords from the entries and recent editions a vital bit of information such references usually neglect The cross referencing is fairly good often done as a full entry identifying a name as a variant of another so the lack of an index is not a problem Distributed in the US by Taylor and Francis Annotation copyrighted by Book News Inc Portland OR *King Arthur's Battle for Britain*

Eric Walmsley,2013-01-01 For the first time convincing locations have been found for all King Arthur's battles **Source of Wisdom** Thomas D. Hill,Frederick M. Biggs,Charles Darwin Wright,Thomas N. Hall,2007-01-01 As one of the most prolific and influential scholars in the field Thomas D Hill has made an indelible mark on the study of Old English literature In celebration of his distinguished career the editors of Source of Wisdom have assembled a wide ranging collection of nineteen original essays on Old English poetry and prose as well as early medieval Latin touching upon many of Hill's specific research interests Among the topics examined in this volume are the Christian Latin sources of Old English texts including religious and sapiential poetry and prose translations of Latin writings Old English poems such as Beowulf The Dream of the Rood and The Wife's Lament are treated throughout to thematic textual stylistic lexical and source analysis Prose writers of the period such as King Alfred and Wulfstan as well as medieval Latin writers such as Bede and Pseudo Methodius are also discussed As an added feature the volume includes a bibliography of publications by Thomas D Hill Source of Wisdom is ultimately a contribution to the understanding of medieval English literature and the textual traditions that contributed to its development *The Biography Book* Daniel S. Books of the Month ,1960 Francis Bacon B. H. G. Wormald,1993-03 In the centuries since his death Francis Bacon has been perceived as a promoter and prophet of natural science Certainly Bacon expected to fill the vacuum which he saw

existing in the study of nature but he also saw himself as a clarifier and promoter of what he called policy that is the study and improvement of the structure and function of civil states including the then new British state In this major study Brian Wormald s first since his work on Clarendon Bacon is shown resolving this conflict by attending assiduously to both fields arguing that work on one would help progress in the other In his teaching in his practice and in terms of what was actually achieved the junction between the two enterprises was affected by Bacon s work in history civil and natural In this fundamental reappraisal of one of the most complex and innovative figures of the age Brian Wormald reveals how Bacon s conception and practice of history provided an answer to his strivings in both policy and natural philosophy **Caesar's**
