Through Middle Eastern Eyes Michael Parker, 2024-02-26 Kenneth E Bailey was both a missionary and a New Testament scholar As a missionary first in Egypt and later in Lebanon Israel Palestine and Cyprus he experienced firsthand the life of traditional Middle Eastern villagers which led him to the conclusion that the village culture he witnessed in the twentieth century had hardly changed since the first century Consequently he was able to reinterpret Jesus's parables and life experiences through this traditional culture In a remarkable series of acclaimed books which include *The Cross and the Prodigal* *Jacob and the Prodigal* and *Jesus through Middle Eastern Eyes* Bailey showed that Jesus was the first mind of the New Testament who used story and metaphor to challenge the leaders of his day in ways often unappreciated by contemporary readers This biography explains the origins of Bailey's key ideas and recounts his often fraught missionary career one that included the austere and the sometimes harsh life in the simple villages of Upper Egypt the perils of life in Beirut during the Lebanese Civil War 1975-1990 and being evacuated four times during the military conflicts in the region that made possible his groundbreaking insights into the New Testament **Missiology**, 1984 An international review

Beeby,Dorothea Beeby,1925 The Ecumenical Review ,1997 **They Knew They Were Pilgrims** John G. Turner,2020-04-07 An ambitious new history of the Pilgrims and Plymouth Colony published for the 400th anniversary of the Mayflower s landing In 1620 separatists from the Church of England set sail across the Atlantic aboard the Mayflower Understanding themselves as spiritual pilgrims they left to preserve their liberty to worship God in accordance with their understanding of the Bible There exists however an alternative more dispiriting version of their story In it the Pilgrims are religious zealots who persecuted dissenters and decimated the Native peoples through warfare and by stealing their land The Pilgrims definition of liberty was in practice very narrow Drawing on original research using underutilized sources John G Turner moves beyond these familiar narratives in his sweeping and authoritative new history of Plymouth Colony Instead of depicting the Pilgrims as otherworldly saints or extraordinary sinners he tells how a variety of English settlers and Native peoples engaged in a contest for the meaning of American liberty The Living Church ,1982
