Marcia Emery,Leland Kaiser,2011-06-21 Call it a gut feeling a sudden knowing a bolt from the blue PowerHunch underscores the strength of this quiet yet powerful force that adds a flash of clarity to any situation Whether it s relationships career balance and healing or simple everyday decision making intuition gives everyone an edge Now Dr Marcia Emery shares the secrets of intuition so you can make it a part of everything you do **Management** Vincent A. Gabriel,2003 **The Failure of Success** Lawrence R. Samuel,2020-06-04 This history of success in the United States illustrates the degree to which personal and professional accomplishments have determined overall life satisfaction Beyond serving as a guide to the past present and future of success in America especially that found in the business world this book poses a provocative argument the standard practice of employing outer directed measures of success notably wealth power and fame has worked to the psychological disadvantage of many Americans More specifically it shows that a comparative and competitive view of success has made a significant number of individuals feel less successful than if more inner directed measures were used Ironically then the traditional model of success in the United States has been largely a failure This work offers historians practitioners and general readers of non fiction a blueprint for how to adopt a more meaningful and positive model of success in their everyday lives **Powerhunch!
