From Ditches to Discipleship David Ronald Ritchie,1974-01-01 *Authentic Discipleship* Martin Harris,2019-02-06

Authentic discipleship is a step by step method for achieving Christian spiritual maturity It is a Bible based process using 2 Peter chapter 1 as its source The Apostle Peter reveals the process at the end of his life where he is expressing his concern for the spiritual well being of his flock The process reveals the actual expectations of the Lord for the spiritual development of Christian people for ministry and how to accomplish it The people were first called Christians at Antioch because they followed the teachings of Christ The term was meant to be derogatory but was never considered so by them They not only followed Him but also actually intended to allow the Living Savior to express Himself through them even as John the Baptist cried out He must increase but I must decrease The more Christlike we can become the greater our discipleship is realized It is the aim of this book to help Christians who so desire to realize their goal as the Lord permits **How to Disciple Men (Short and Sweet)** The National Coalition of Ministries to Men,2017-09-01 Lifestyle's of a Disciple Donald Krein,2023-02-06 This book is for all Men in all churches that want to be a committed Disciples of God Spiritual Leader Ron Broz with Special Guidance from the Holy Spirit and Minister Don Krein have written this book for Discipleship Leadership and Apprenticeship to be better understood With a stunning introduction by Ron Broz **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1976 A Young Disciple John Alonzo Clark,1882 **The Drama of Discipleship** Gregory R. Perry,2022-04-21 How do Christ s followers reach across the dividing lines of our culture to offer hospitality and hope How do local congregations worship God faithfully on Sunday and bear witness to their neighbors with fitting words and deeds during the week Christ has called his people to follow the ways of his kingdom in their homes workplaces schools churches and neighborhoods The Drama of Discipleship is a resource for being and making disciples of Jesus in the everyday tasks of being human Each episode offers at least one group activity that is designed to catalyze group action on your local stage and build your congregation s practice of taking off the old ways of being human and putting on the true image of God Christ The Drama concludes with additional tools for those who lead small groups in the heartwork of discipleship as well as a neighborhood survey for those who lead congregations in the fieldwork of discipling the nations

The Useful Disciple Mrs. Phoebe Palmer,2025-08-26 Reprint of the original first published in 1857 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **A Disciple's Dilemma** Timothy L. Brinkley,2013-03 A Disciple s Dilemma is a collection of inspiring and encouraging sermons The book is actually four books in one Each book is a sermon series focusing on the challenges that Christians face It is a must have for preachers and teachers Each chapter is a sermon that can be preached directly from the book *Sermons, Doctrinal and Practical* John Norman Pearson,1851 The Reluctant Disciple Robin Pou,2024-05-28 An inspirational parable of spiritual self discovery to

help fully integrate your personal Christian faith with your professional life Peter Christiansen is a man on a mission to become the top home builder among the elite of Dallas but his early success has stalled After failing to land yet another large prospect Peter makes an impulsive decision that leaves him stranded and seriously injured A Good Samaritan couple Jim and Mary rescue Peter and provide aid to help his body and his soul heal Through discussions with Jim and Mary about God and his grace Peter revisits past events in his life where he thought God had all but abandoned him These conversations show Peter more than he ever thought possible about God's love His mercy and a path toward understanding how faith and his professional world are surprisingly compatible This provocative parable strikes at the dichotomy of the pursuit of business success and living a purpose driven life If you are a Christian wrestling with the seemingly incompatible nature of faith and success in business The Reluctant Disciple will open up the possibility to see your business endeavors as a gift from God to be used for your good and His glory

In the Image of God Shirley Mayhood, 2022-05-02 We were created in the image of our Creator It was a perfect and loving relationship but when Adam and Eve chose evil over that relationship with their Creator that image of God we were created with was lost to us In our world today many Christians are more attuned to the world than to God's Word Many seem to have the attitude that because they are in the world they must be like the world But this world is not anything like God and Christians need to come to the certain knowledge that they are in the world but not of the world We as God's kids are not to live in the image of a lost world careening into a dark and bottomless pit of pure evil Jesus Christ became our atoning sacrifice so that you and I can return to that original image of God that we were created to be This ought to be our goal in life to be like God to do our very best to live in the image of God This book is a daily devotional of biblical attitudes characteristics of Jesus Christ the deep meaning and example of God's amazing precepts and loving actions God gave us a book to show us His right and loving law but when Jesus came He condensed all of the Father's law into just two Jesus said to him You shall love the Lord your God with all your heart with all your soul and with all your mind This is the first and great commandment And the second is like it You shall love your neighbor as yourself On these two commandments hang all the Law and the Prophets Matthew 22 37 40 It is my sincere hope that this book of devotions will help all who read it to know God better to love Him more and to understand what the true image of God means 451

Philochristus: Memoirs of a Disciple of the Lord Edwin Abbott Abbott, 2020-09-28 My former name was Joseph the son of Simeon and I was born in Sepphoris the metropolis of Galilee in the twentieth year of the reign of the Emperor Augustus about four years before the death of King Herod In those days Israel was grievously afflicted and tribulation befell the righteous Satan put it into the heart of the rulers of the land to move the people to the worship of false gods and the Lord God had not yet raised up a Redeemer for Israel In my fourth year my father's brother the Rabbi Matthias was burned alive by Herod for causing his scholars to cast down the golden image of an eagle which the king had set up over the gate of the temple of the Lord Not many months afterwards the Romans marched through Sepphoris in order to bring succour to

Sabinus who was hard beset by the men of Jerusalem in the fortress called Antonia and we fought against them and my father was taken captive and crucified by Varus Now as concerning my father and my father s brother how they were slain perchance I remember their deaths rather from my mother s often mention of them in after times than from what I heard then but this thing can I never forget for I saw it with mine own eyes namely how when my mother brought me forth from the caves of Arbela whither we had been sent for refuge behold where Sepphoris had stood there was not now one house standing and I saw also the bodies of many of my kinsfolk which lay unburied and crying unto the Lord for vengeance Yet the Lord sent no avenger After this came tidings that the Parthians which went with Varus had laid waste the country in the south far and wide and had slain our brethren with the sword and that Varus had taken two thousand of my countrymen in Jerusalem and had crucified them and among them Eleazar the youngest and dearest of my mother s brethren Then my mother led me to a rocky place not far from Sampho There was a cave there and only one path led to it and that so narrow that no multitude of men could force an entrance if one brave man withstood them When we were come thither my mother lifted up her voice and wept and pointing to the cave she said In former times this cave was held by my mother s brother Hezekiah by name Six children he had and he fled from Herod the King with them and with his wife and here they took refuge Now when the king could by no means drive Hezekiah hence by force he offered much gold unto him if he would come forth from the cave quietly But when Hezekiah refused the king began to let down armed men by ropes from the top of the hill with firebrands in their hands to kindle fires at the mouth of the cave Then when no hope of safety remained behold my mother s brother brought out his children and slew the youngest with his sword in the sight of the king Afterwards he laid his hands on his second child

Philochristus - Memoirs of a Disciple of the Lord Edwin A. Abbott,2021-11-09 In

Philochristus Memoirs of a Disciple of the Lord Edwin A Abbott intricately weaves a narrative that explores the life and teachings of Christ through the eyes of a fictional disciple This historical novel employs a unique blend of first person memoir and theological reflection offering readers an intimate glimpse into the cultural and spiritual milieu of first century Judea Abbott s prose is marked by its eloquence as he captures the nuances of early Christian thought while engaging with contemporary issues facing society The book is crafted with deep reverence and scholarship positioning itself amidst the literary context of Victorian religious discourse and historical fiction Edwin A Abbott was a renowned English scholar theologian and educator best known for his commitment to academic rigor and intellectual exploration His background in theology and classics combined with his roles in education undoubtedly shaped his desire to create a narrative that challenges the reader s understanding of faith belief and the historical Jesus Through Philochristus Abbott employs his scholarly insight to offer a nuanced portrait of the complexities of discipleship and moral inquiry I wholeheartedly recommend Philochristus to anyone seeking a profound exploration of faith through the lens of narrative This book not only challenges the reader s perspectives on Christianity but also invites contemplation on one s own beliefs and moral choices

Abbott's work serves as an engaging and thought provoking journey that resonates with both scholars and general readers alike **On Being a Disciple of the Crucified Nazarene** Ernst Käsemann, 2010-05-03 In this book Ernst Käsemann celebrated initiator of the twentieth century New Quest of the Historical Jesus examines the problem of the relation between discipleship and faith Käsemann first tackles specific passages in the Synoptic Gospels dealing with the summons to discipleship He makes clear the relevance of the biblical message to human existence even today In the second half he explores how themes relating to specific contemporary problems fulfill that message Here is a theologian who is radically and passionately committed to discipleship of the crucified Jesus of Nazareth and who is not afraid to share that commitment
