David Arter

From Farmyard To City Square The Electoral Adaptation Of T:

From Farmyard to City Square? The Electoral Adaptation of the Nordic Agrarian Parties David Arter, 2017-05-15 How successful have the Nordic Agrarian Centre Parties been in transforming themselves from class parties to catchall parties drawing significant support from voters engaged in the non primary sectors of the economy Using case studies from five comparable countries David Arter provides an insightful account of an historic group of parties who still wield distinctive strength in the Nordic region This detailed profile the first ever in English makes a unique contribution to the topical issues of party adaptation and institutional modernization

Democratic Representation in Europe Maurizio Cotta, Heinrich Best, 2007-11-08 Democratic Representation in Europe Diversity Change and convergence explores representation as a core element of democracies in the modern era Over the past 150 years parliamentary representation has developed into a main link between polity and society and parliamentary representatives have come to form the nucleus of political elites The twenty authors of the 16 chapters follow a comparative and empirical approach by exploiting the unique longitudinal data base of the EURELITE project which has gathered standardized evidence about the structures of parliamentary representation in 11 European countries and their development over time in many countries over 160 years Following on from an earlier book by the same editors Parliamentary Representatives in Europe 1848 2000 which focused on trends in single European countries Democratic Representation in Europe pursues a trans national approach by comparing the mechanisms and modes of parliamentary recruitment and career formation between the main party families and various categories of the population in European societies Such cross national analyses which include a longitudinal account of female representation throughout modern European parliamentary history have not been attempted before The book concludes with longitudinal in depth analyses of cleavage representation in European parliamentary history and of the impact of the institutional factor on political elites transformations Democratic Representation in Europe contributes to a better understanding of relations between social and political change and of the importance of institutional factors in shaping the political elites of European democracies In so doing it can help substantiate theoretical debates in the social and political sciences on issues such as historical institutionalism and path dependency

Land questions in modern Ireland Fergus Campbell, Tony Varley, 2016-05-16 This collection of essays explores the nature and dynamics of Ireland s land questions during the nineteenth and twentieth centuries and also the ways in which the Irish land question has been written about by historians The book makes a vital contribution to the study of historiography by including for the first time the reflections of a group of prominent historians on their earlier work These historians consider their influences and how their views have changed since the publication of their books so that these essays provide an ethnographic study of historians thoughts on the shelf life of books exploring the way history is made The book will be of interest to historians of modern Ireland and those interested in the revisionist debate in Ireland as well as to sociologists and anthropologists studying Ireland or rural societies

Electoral Politics in Crisis After the Great Recession Eva H. Önnudóttir, Agnar Freyr Helgason, Ólafur Th.

Harðarson, Hulda Thórisdóttir, 2021-09-06 This book examines to what extent politics in Iceland have been transformed in the aftermath of the 2008 financial crisis The book focuses on whether the short term sudden shock caused by the Great Recession has permanently transformed politics political behaviour and the Icelandic party system or whether its effect was primarily transitory These questions remain highly relevant to the wider field of political science as the book examines under what circumstances sudden shocks lead to permanent changes in a political system As such the book situates the post crisis Icelandic case both temporally and comparatively and evaluates to what extent the Iceland experience is reflective of broader patterns found in other Western democracies particularly those other countries that were also hard hit by the Great Recession e g Greece Ireland Portugal Spain and Italy This book will be of key interest to scholars and students of Nordic politics Icelandic politics and society electoral studies political parties and party systems representative democracy political behaviour and more broadly to European and comparative politics The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Political Institutions in Europe Josep Colomer, 2003-08-29 A clear accessible introduction to the institutional regimes of 15 countries in western Europe by an outstanding team of leading European political scientists Each chapter is devoted either to a single country or to a small group of countries allowing students to draw sophisticated comparisons of their political parties electoral systems and institutions of government at national regional and local level

Belief and Religion in Barbarian Europe c. 350-700 Marilyn Dunn, 2013-11-28 This ground breaking study offers a new paradigm for understanding the beliefs and religions of the Goths Burgundians Sueves Franks and Lombards as they converted from paganism to Christianity between c 350 and c 700 CE Combining history and theology with approaches drawn from the cognitive science of religion *Belief and Religion in Barbarian Europe* uses both written and archaeological evidence to challenge many older ideas Beginning with a re examination of our knowledge about the deities and rituals of their original religions it goes on to question the assumption that the Germanic peoples were merely passive recipients of Christian doctrine arguing that so called Arianism was first developed as an entry level Christianity for the Goths Focusing on individual ethnic groupings in turn it presents a fresh view of the relationship between religion and politics as their rulers attempted to opt for Catholicism In place of familiar debates about post conversion pagan survivals contemporary texts and legislation are analysed to create an innovative cognitive perspective on the ways in which the Church endeavoured to bring the Christian God into people's thoughts and actions The work also includes a survey of a wide range of written and archaeological evidence contrasting traditional conceptions of death afterlife and funerary ritual with Christian doctrine and practice in these areas and exploring some of the techniques developed by the Church for assuaging popular anxieties about Christian burial and the Christian afterlife

Public Policy Christoph Knill, Jale Tosun, 2020-04-30 A comprehensive

introduction to public policy and the policy cycle the fully revised second edition of this popular textbook offers a practical guide to the topic while remaining underpinned by cutting edge research Bringing together analysis of classic works alongside the most recent developments in the field this book is guided by the following three crucial questions What is public policy Who participates in making and putting public policy in practice as well as in assessing its success And when and how does public policy change over time In answering these questions the book covers everything from the central institutions and actors of policy making to implementation evaluation and governance Drawing on examples from across the world the new edition expands on themes that were previously covered only marginally including the underexplored connection between public policy and political economy as well as placing more emphasis on climate change and practical advice on doing policy analysis For undergraduate or postgraduate students studying on courses focussed on public policy or the policy cycle or process this textbook is the essential guide to the subject The book is also suited for those studying public policy in the context of politics or public management and administration New to this Edition A revised conclusion containing guidance on how to do policy analysis Extended discussion of climate policy and politics Consideration of the effects of Brexit the rise of populism and the impact of the loss of faith in globalization for international organizations More on policy process theories comparative public policy the increasingly interdisciplinary nature of public policy studies and new methodologies such as the evaluation of policy measures by means of social media data

Political Parties and Interest Groups in Norway
Elin Haugsgjerd Allern, 2024-10-31 How do today's political parties relate to other organisations Do they prefer rather distant relationships with a wide range of interest groups or have they virtually detached themselves from civil society altogether Scholars seem to agree that traditionally close relationships such as those between social democratic parties and trade unions have grown weaker since the 1960s But to date only limited systematic research has been conducted While parties and interest groups attract a great deal of attention from political scientists the links between them have been largely overlooked This book is an attempt to bridge the gap starting from the party side of the relationship It throws new light on the topic by presenting a theory driven comprehensive study of Norway's seven major political parties and their relationships with interest groups at the beginning of the new millennium Based on original and extensive data including party documents in depth interviews with key players and a survey of national party elites Elin Haugsgjerd Allern paints a nuanced picture of the nature and significance of these relationships and the factors that shape them A major conclusion is that Norway's parties tend to maintain rather distant but wide ranging relationships with interest groups today However some parties still have fairly strong links with their traditional associates and a narrower network of links with other groups Hence Allern also shows that significant differences exist between parties that are apparently exposed to the same social political and institutional environment

European Politics Tim Bale, 2017-04-28 A fully revised fourth edition of a popular introduction to the comparative politics of Europe written by a highly respected authority on the subject This lively and thematically

organised text provides an accessible guide to the institutions and the issues that matter in a continent where the boundaries between East and West and between domestic and European affairs are increasingly breaking down. Covering a wide array of countries it is a concise yet comprehensive overview of one of the world's most important and fascinating regions. Written in an approachable style and packed with up to date real world examples and information this is the ideal place for students to begin and to deepen their understanding of Europe's politics. It can be adapted as a standalone text on modules on Comparative European Politics and will be of use as a key reading on undergraduate courses on Comparative Politics more broadly as well as European Union Politics. New to this Edition Updated throughout to provide coverage of developments such as the Eurozone crisis the growth of left and right wing populism the rise of nationalism and Europe's on going immigration challenge. Includes a short concluding chapter rounding up and considering the future of the book's core themes of Europeanization and multilevel governance. Additional country profiles on Croatia and Greece to ensure representative treatment of the key countries in Europe today.

Models of Democracy in Nordic and Baltic Europe Nicholas Aylott, 2016-04-15 This book explores the ways in which representative democracy works in two neighbouring collections of European states the Nordic Denmark Finland Iceland Norway and Sweden and the Baltic Estonia Latvia and Lithuania. Starting from a Nordic vantage point contributors explore the extent to which aspects of politics function similarly or dissimilarly across the two groups of democratic states acknowledging the differences in models of democracy that occur within each group. Authors explore the possibility that some of the apparently successful institutional features of Nordic politics have somehow influenced politics in the Baltic states despite the considerable contextual differences between the two groups. The Nordic Baltic comparison is particularly worthy of study given the comparative stability of the Nordic democracies and the half century of occupation by a totalitarian dictatorship that the Baltic states endured. The central guiding questions are how does political representation work in countries that have a lot in common but also a few significant contextual dissimilarities and what if any relationships between the respective styles of democracy can be identified. Using a variety of theories perspectives and methods the empirical studies that populate the book seek to offer reflections on these questions.

Left Parties in National Governments J. Olsen, M. Koß, D. Hough, 2010-07-16 Analyzes why Left Parties enter national government what they do when they get there and what effect this has on them. Alongside two comparative chapters this book features detailed case studies of European Left Parties in government.

Labour, Unions and Politics under the North Star Mary Hilson, Silke Neunsinger, Iben Vyff, 2017-05-01 Denmark Finland Iceland Norway and Sweden today all enjoy a reputation for strong labour movements which in turn are widely seen as part of a distinctive regional approach to politics collective bargaining and welfare. But as this volume demonstrates narratives of the so called Nordic model can obscure the fact that experiences of work and the fortunes of organized labour have varied widely throughout the region and across different historical periods. Together the essays collected here represent an ambitious intervention in labour historiography.

and European history exploring themes such as work unions politics and migration from the early modern period to the twenty first century

Radical or Redundant? Liam Weeks, 2011-11-30 While the type of small political party in Ireland has varied their fate it seems has not Although some enjoy a brief time in the sun termination is the long term prospects for all minor parties The usual pattern is a speedy ascent an impact on the political system including a time in government followed by a prolonged termination This book examines this pattern of evolution for minor or small parties in Irish politics As the Irish state has changed so too have the types of parties that have emerged With the first time entry of the Greens into government in 2007 their wipeout in 2011 the termination of the Progressive Democrats in 2009 and the failure of a new party to emerge despite the on going financial crisis the time is ripe for this analysis

Comparative European Politics Josep M. Colomer, 2008-07-25 This is a clear comprehensive and authoritative introduction to the institutional regimes of countries in Western Europe written by an outstanding group of political scientists Completely revised and updated throughout Comparative European Politics 3rd edition provides a complete coverage of individual countries or group of countries as well as to the European Union allowing readers to draw sophisticated comparisons between countries is written to a common template so that each chapter explores political parties elections and electoral rules parliaments local regional and state governments and the relations between domestic institutions and the European Union

Liberal Parties in Europe Emilie van Haute, Caroline Close, 2019-02-12 This book investigates how liberal parties have evolved over time as a party family in a comparative perspective Through a discussion of the applicability of the concept of party family to liberal parties it gives a better picture of the development challenges and opportunities for liberal parties in Europe The history of liberal parties in Europe is peculiar and the origins of the liberal family are not clearly defined Liberal parties are still quite heterogeneous given the various meanings embraced in the idea of liberalism including economic liberalism cultural liberalism progressivism social liberalism Bringing together the best specialists engaged in the study of liberal parties and with a two levels perspective comparative and case study this book renews and expands our knowledge on the liberal party family in Europe Four major themes are developed linked to the four approaches of the concept of party family electoral performances participation to power ideology and political program and party organization These themes are systematically developed in case studies and in comparative chapters Primarily aimed at scholars and students in comparative politics this book should especially appeal to scholars in the fields of political parties and party systems representation and elections voting behavior and public opinion

The Scottish Parliament David Arter, 2004-06-01 This book is unique in analysing the new Scottish Parliament from a systematically comparative perspective Its basic premise is that since devolution in 1999 Scotland can be considered a Scandinavian style democracy with several features of a Scandinavian style parliament The basic research question therefore is Has the Scottish Parliament in its first four year term manifested a Scandinavian style politics in the sense that there has been a high incidence of inter party negotiation within Parliament The architects of the Scottish

Parliament saw the committees as the motor of a new politics and gave them extensive powers Outside Austria only the Swedish and Icelandic committees have comparable powers Accordingly the study sets out to describe and analyse the workings of the committees in the Scottish Swedish and Icelandic Parliaments The concluding chapter also discusses the operation of the Danish Finnish and Norwegian committees

Selecting Research Methods: Methods for analysing and reporting results W. Paul Vogt, 2008 Selecting Research Methods provides advice from prominent social scientists concerning the most crucial steps for planning and undertaking meaningful research selecting the methods to be used Contributors to the collection address methodological choices in four stages design sampling coding and measurement and analysis The volumes provide an integrated approach to methodological choice in two ways First the contributions range from the early decisions about design options through the concluding choices about analyzing interpreting and presenting results Second the collection is integrated because it addresses the needs of projects that collect qualitative evidence quantitative data or both Volume 1 concerns design choice the articles focus on selecting designs that are effective for answering research questions and achieving the goals of the researcher Volume 2 is on sampling and includes in addition to sampling from populations advice on choosing methods for recruiting informants for interviews selecting sites for participant observation and assigning subjects to control and experimental groups Volume 3 reviews options for coding and measurement it emphasizes methodological choices that enable researchers to study concepts in ways that enhance the reliability and validity of the research Finally the articles included in Volume 4 review the range of choices available among methods to analyze results and interpret the meanings of evidence

From Farmyard To City Square The Electoral Adaptation Of T Introduction

In today's digital age, the availability of From Farmyard To City Square The Electoral Adaptation Of T books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of From Farmyard To City Square The Electoral Adaptation Of T books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of From Farmyard To City Square The Electoral Adaptation Of T books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing From Farmyard To City Square The Electoral Adaptation Of T versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, From Farmyard To City Square The Electoral Adaptation Of T books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing From Farmyard To City Square The Electoral Adaptation Of T books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for From Farmyard To City Square The Electoral Adaptation Of T books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology,

and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, From Farmyard To City Square The Electoral Adaptation Of T books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of From Farmyard To City Square The Electoral Adaptation Of T books and manuals for download and embark on your journey of knowledge?

FAQs About From Farmyard To City Square The Electoral Adaptation Of T Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. From Farmyard To City Square The Electoral Adaptation Of T is one of the best book in our library for free trial. We provide copy of From Farmyard To City Square The Electoral Adaptation Of T in digital format, so the resources that you find are reliable. There are also many Ebooks of related with From Farmyard To City Square The Electoral Adaptation Of T. Where to download From Farmyard To City Square The Electoral Adaptation Of T online for free? Are you looking for From Farmyard To City Square The Electoral Adaptation Of T PDF? This is definitely going to save you time and cash in something you should think about.
