From Glory To Golgotha:

From Glory to Golgotha Donald Macleod, 2002 **From Glory to Golgotha** Donald Macleod, 2002-09 **The Mark Commentary Collection** David E. Garland, Mark L. Strauss, Walter W. Wessel, 2016-12-20 This Mark commentary bundle features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Expositor's Bible Commentary series authored by David E. Garland, Mark L. Strauss and Walter W. Wessel. The diverse features from each of the volumes gives you all the tools you need to master the book of Mark. **A Pregnant Cloud**, Lamb of God - Saviour of the World J. E. Hazlett Lynch, 2015-06-10 This book provides the first ever evaluation of the teaching of Dr D Martyn Lloyd Jones on the atonement and shows that he held to the same understanding of the cross as that taught by John Calvin, Mose Amyraut, John Davenant, Richard Baxter, Matthew Henry, Philip Doddridge and J. C. Ryle. On this 400th anniversary of the birth of Richard Baxter in 1615, the 200th anniversary of the birth of J. C. Ryle is in 2016, it is fitting that the twentieth century Baxter made his appearance in the person of Dr D Martyn Lloyd Jones. His published evangelistic sermons like Baxter's writings do not suggest that he believed in limited atonement as held by high Calvinists but that his view was closely aligned with that of Calvin and Amyraut rather than with Beza and Owen. 350 direct quotations from Lloyd Jones' own works substantiate this claim. Careful exegesis of his most frequently quoted Scripture texts also demonstrates that his soteriology is based on solid biblical teaching and not on teaching dominated by medieval scholastic philosophy. His approach was determined by Deuteronomy 29:29. This new book from Dr Lynch will enlighten, instruct, encourage, challenge, and thrill all who read it. **The Lord Jesus Christ** Brandon D. Crowe, 2023-10-18 Christ our Redeemer, Jesus is the divine Son of God who has taken on human nature in the incarnation. And as prophet, priest, and king, he leads his people in a new exodus. In *The Lord Jesus Christ*, Brandon D. Crowe reflects on Christ's person and work. Crowe traces christological concerns throughout the Old and New Testaments and church history and then presents systematic and practical implications. Through a combination of biblical, historical, and theological study, Crowe provides a fresh and robust statement of who Christ is and what he has done. Written from a confessionally Reformed perspective in dialogue with the great creeds of the church, *The Lord Jesus Christ* provides a thorough and trustworthy guide to understanding Jesus and his salvific work. *Her Testimony is True* Robert Maccini, 1996-05-01 In *Her Testimony is True*, the Gospel of John is analysed as a rhetorical work that uses the metaphor of a trial in order to persuade readers that the Messiah is Jesus. John's presentation of women as witnesses in that trial is examined within the framework of Jewish law and custom regarding women as witnesses. Maccini concludes that the role of the women as witnesses follows no stereotypical pattern; that the women as witnesses, like the men, are treated as individuals, not as a class; and that in no case do any of the women bear witness in a way that breaches Jewish law and the custom of the contemporary culture. *Jesus: Fallen?* Emmanuel Hatzidakis, 2013-11-01 Was Jesus Christ a fallen human being like us? Was His human nature corrupt and sinful inherently and necessarily subject to suffering and death? Did He

inherit a fallen humanity If His humanity was fallen how was He sinless Did He have human ignorance In what way was His human will involved in the plan of salvation What effect did the hypostatic union have on His humanity In Jesus Fallen Emmanuel Hatzidakis a Greek Orthodox priest addresses these and other controversial questions pertaining to the human nature of Christ which are debated in many Christian denominations and in his own Church The theology advanced in the book is the traditional theology of the historic Church In all the modern confusio of multiple Christs here we have the perennial image of the incarnate God the Theanthropos Christ The book should appeal to every serious Christian and student of theology history of dogma and Church History who is comfortable neither with liberalism nor fundamentalism but who is searching for the authentically true teachings of Christianity Hatzidakis draws richly from the patristic inheritance of East and West in an original refreshing and accessible way He refutes opinions formed by many eminent postlapsarian theologians This pivotal study is the first to address this topic from an Eastern Orthodox perspective and in this regard it constitutes an important contribution to Christology A well researched study it sheds light from an Eastern Orthodox perspective on this intriguing and crucial topic It maintains that the subject of Christ s humanity and its understanding is neither a theologoumenon nor an abstract intellectual cogitation but a matter of profound soteriological and anthropological import

Treasured Writings H. Th Lilipaly, Andre C. Aki, 2010-04-14 For centuries Biblical scholars have attempted to prove statements of the Christian religion yet today there are still no definite answers in Christianity that provide us with confirmation of the true existence of the Trinity Treasured Writings shares a unique introduction to God the Father and Jesus Christ who H Th Lilipaly says he received at the foot of the Cross of Golgotha Calvary to confirm the absolute answer to the question Where might we find a degree of certainty and be inspired by the principles of a high standard of Christian thinking As Lilipaly explores questions about Christian Trinity the Father Son and Holy Spirit as well as God s word he also offers insight into how he came to an understanding as to why being a Christian and having Christian consciousness is entirely different than what Christ expects of us Throughout the ages Christian philosophers and theologians have tried to present to us the truth of the Trinity through formulas doctrines research and contemplations of the Bible without ever presenting an intrinsic truth Treasured Writings opens the door to the acceptance of principles that focus on the reality of God in the light of the Cross of Christ
