

1. Just cause

- **Protection from external attack**

- the first and foremost (only?) just cause of war; based on the right of self-defense.
- Article 51 Charter of the United Nations: “Nothing in the present Charter shall impair the inherent right of individual or collective self-defense if an armed attack occurs against a Member of the United Nations.”

Some have maintained the humanitarian intervention is also justified, where we go to war to save the lives of innocent people who are being attacked by an aggressor.
