## **From My Generation To Yours with Love:**

From My Soul to Yours with Love Renata Bigham-Belt, 2015-08-10 My book *From My Soul to Yours with Love* is a compilation of poems giving my inspired revelation of God's perfect love for us. This book contains seven chapters each of which expresses seven different areas of how our journeys through this time and place are connected. These chapters also reveal my thoughts and feelings about God's profound love for humanity and how we should also have that same love for one another.

Out of Obscurity Patrick Q. Mason, John G. Turner, 2016-07-01 In the years since 1945 the Church of Jesus Christ of Latter-day Saints has grown rapidly in terms of both numbers and public prominence. Mormonism is no longer merely a home-grown American religion confined to the Intermountain West; instead, it has captured the attention of political pundits, Broadway audiences, and prospective converts around the world. While most scholarship on Mormonism concerns its colorful but now well-known early history, the essays in this collection assess recent developments such as the LDS Church's international growth and acculturation, its intersection with conservative politics in recent decades, its stances on same-sex marriage and the role of women, and its ongoing struggle to interpret its own tumultuous history. The scholars draw on a wide variety of Mormon voices as well as those of outsiders from Latter-day Saints in Hyderabad, India, to Mormon Mommy blogs to evangelical counterculture ministries.

**Henry Williamson and the FWW** Anne Williamson, 2004-02-28 Henry Williamson is perhaps best known for his Hawthornden Prize-winning *Tarka the Otter*; yet he devoted a major part of his life to fiction, which drew closely on his experiences during World War I, including his sequence of novels *A Chronicle of Ancient Sunlight*. His time in the trenches affected him profoundly, and like many young soldiers, he was changed utterly by what he saw. This book draws closely on his letters, diaries, photographs, and notebooks written at the time to give an account of life in the trenches of World War I. It also affords an insight into the making of a novelist.

Generations of Terror Ausar Heru, 2003-06-23 A spiritual novel in a fantasy format. In this day and age, divine providence has yet to be defined. This novel will attempt to answer those questions. Beginning within this story line, you will see many amazing things. Such as the spirit of a lion merging with a human body. As well as spirits of past loved ones merging with their living relatives for the common good. A woman is frozen in ice in her dragon form yet still gives birth to a daughter. Beings consumed by evil throughout their lives, overcoming it with good. Dark souls being forgiven for their evil deeds and returned to the world of man. Giving mention to our galaxy father and going into his service as the phoenix was too powerful to stay on earth. Secondly, dealing with the core of man, his spiritual body has not yet been defined by man. When one passes on, his spirit is said to go to heaven or hell; this novel defines the hell such as beings moving volcanic lava and such as Mother Earth's blood. Coming from her heart, which is her core. Third, take fantasy
