The duo performed under the name of DJ Jazzy Jeff and The Fresh Prince. In the late 1990s Smith began to focus his attention on acting and was soon cast in cult movie favorites such as *Independence Day* and *Men in Black*. His performance in *The Pursuit of Happyness* earned him an Oscar nomination in 2006. Supporting biography history and social studies assignments this compelling edition provides readers with a profile of rapper and actor Will Smith. Chapters discuss his life as a child and teen, his career paths in music and acting, and his life as a family man. **Will I Live Tomorrow?**

Sonia Nassery Cole, 2012-10-16 When Sonia Nassery Cole set out to film *The Black Tulip* in her homeland of Afghanistan, she knew the odds were against her. She was told time and time again that filming inside a war zone would be impossible. What she didn't anticipate was how intent the Taliban and its sympathizers were on halting the film's production. The crew encountered extortion, government corruption, kidnapping attempts, and death threats even with around the clock security. Her cinematographer fled after two days and many others followed. After 9/11 Cole wrote *The Black Tulip* based on a true story of a real Afghan family. The plot was simple. After 2001 when the Taliban was routed an Afghan family opened *The Poet's Corner*, a restaurant with an open microphone for all to read poetry, perform music, and tell their stories. But the Taliban didn't approve and the family's new found hope proved fleeting as it struggled to maintain the restaurant and its vibrant way of life. Selected as Afghanistan's official submission for the Best Foreign Language Film at the 2010 Academy Awards, *The Black Tulip* is a modern portrait of Afghanistan that captures the plight and resilience of its people. Without financial support from a studio or anyone else, Cole self-financed the film by mortgaging her home and selling her belongings. Then with everything on the line, she left for Kabul to make the impossible possible and set out to gather the right people who would risk their lives and willingly be part of the production. In *Will I Live Tomorrow*, Cole gives an intimate look into what went on behind the scenes of making a controversial film in the heart of a war-ravaged country. The looming terror the Taliban creates among Afghans everywhere and the challenges and fear the cast and crew faced every day. *Will I Live Tomorrow* is a memoir about one woman's struggle to make a difference in a violent world. *Live and Work in Harmony*
