Famous Psychic Stories Joseph Walker

McSpadden, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1920 edition Excerpt MOXON S MASTER By Ambrose Bierce are you serious do you really believe that a machine thinks I got no immediate reply Moxon was apparently intent upon the coals in the grate touching them deftly here and there with the fire poker till they signified a sense of his attention by a brighter glow For several weeks I had been observing in him a growing habit of delay in answering even the most trivial of commonplace questions His air however was that of preoccupation rather than deliberation one might have said that he had something on his mind Presently he said What is a machine The word has been variously defined Here is one definition from a popular dictionary Any instrument or organization by which power is applied and made effective or a desired effect produced Well then is not a man a machine And you will admit that he thinks or thinks he thinks If you do not wish to answer my question I said rather testily why not say so all that you say is mere evasion You know well enough From Can Such Things Be Copyright 1909 by the Neale Publishing Co that when I say machine I do not mean a man but something that man has made and controls When it does not control him he said rising abruptly and looking out of a window whence nothing was visible in the blackness of a stormy night A moment later he turned about and with a smile said I beg your pardon I had no thought of evasion I considered the dictionary man s unconscious testimony suggestive and worth something in the discussion I can give your question a direct answer easily enough I do believe that a machine thinks about the work that it is doing That was direct enough certainly It was not altogether pleasing for it *Famous Psychic Stories* (1920) Joseph Walker McSpadden, 2009-02 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *Famous Psychic and Ghost Stories* Joseph Walker McSpadden, 1918 The Best Psychic Stories Joseph Lewis French, 2021-01-01 First published in the year 1920 the present book The Best Psychic Stories was written by Joseph Lewis French This book is a collection of fictional psychological short stories *The Best Psychic Stories* Joseph Lewis French, 1920 The case for the psychic element in literature rests on a very old foundation it reaches back to the ancient masters the men who wrote the Greek tragedies Remorse will ever seem commonplace alongside the furies Ever and always the shadow of the supernatural invites pursues us As the art of literature has progressed it has grown along with it To day there is a whole new school of writers of Ghost Stories and the domain of the invisible is being invaded by explorers in many paths We do not believe so much more perhaps

that is we do not so openly express a belief but art has finally and frankly claimed the supernatural for its own It only remains to be added that the present great interest in spiritualism and allied phenomena has made necessary the addition of certain material of a literal character which we believe will be found quite as interesting by the general reader as the purely literary portion of the book
