Fangs Of The Hooded Demon

Charles L. Grant

Fangs Of The Hooded Demon:

The Fangs of the Hooded Demon Charles L. Grant, 2019-10-18 Lincoln Blackthorne reluctant Rambo very private investigator and adventurer in spite of himself returns for a fourth thrilling caper Why Blackthorne wonders does everyone seem to know what I m going to do or where I m going to be before I do The reason is simple People manipulate him giving him no choice In fact the only one who hasn't succeeded yet is Carmel she wants Linc to marry her He might be better off Instead he finds himself ducking a knife in a room in the Waldorf as he begins the search for the Fangs of the Hooded Demon a relic of supposedly wondrous powers which has been smuggled into the United States by Dutch Burgoyne The fangs are carved rubies which were once part of a statue of a white cobra The artifact once belonged to Vlad Tepes According to the legend the jewels are capable of bringing the dead back to life Lincoln Blackthorne doesn't believe in legends like that but there's no questioning the fact that the hunt for the fangs is capable of killing people That's why finally he escapes the snowbound East Coast and finds himself stuck in a blizzard in Oklahoma with people who knew where he was going to be before he got there Why didn't he just marry Carmel Would he he wanted to know live long enough to change his mind about that And who had the fangs now anyway

The Fangs of the Hooded Demon Geoffrey Marsh, 1988 *Fangs of the Hooded Demon* Geoffrey Marsh, 1989 The fourth Lincoln Blackthorne book finds the adventurer on the hunt for a pair of ruby fangs Legend has it the fangs once belonged to Dracula but Linc doesn't care All he wants are the artifacts before his friends wind up dead

Black Oak 2 Charles L. Grant, 2016-03-04 IS IT PARANOIA Black Oak Security is a crack team of private investigators led by brilliant enigmatic Ethan Proctor He is a careful man Careful in what he says careful in what he does And very careful about which cases he takes But when a letter arrives from a woman he once knew begging him to investigate strange happenings in her town Proctor is careless He takes the case without knowing exactly what he's getting into OR PARANORMAL Hart Junction Kansas is the image of a deserted frontier town Its claim to fame is being the set for many a grade B western But the movies moved out and a strange cult moved in Its members seem friendly Concerned Cooperative So why are the townspeople so afraid Why are so many people missing And what are the strange winged creatures seen circling in the sky above town

Raven Charles L. Grant, 2019-12-26 A fox in a leg hold trap may gnaw off its own foot to escape rats in a too small cage will devour the weakest members of the pack to ensure survival of the strongest a group of humans trapped like animals will sacrifice anything or anyone to gain their freedom Imagine Agatha Christie's *And Then There Were None* a small group of people trapped in an isolated place disappearing one by one prey to all the stresses and strains of being hunted Add Charles Grant's proven skill with suspense and his ability to fathom and display the inner workings of the human heart and mind The result is *Raven* a gripping fast paced thriller that begins in a familiar classic American setting a roadside motel and restaurant and drives without pause to an unexpected and startling conclusion A late winter blizzard has closed the road beside Maclaren's Food and Lodging The staff of three Neil Maclaren former cop turned

motel keeper Julia Sanders as capable handling trouble as she is mixing drinks Willie Ennin whose fondness for knives makes him a superb cook prepare to entertain their few customers through a long winter night unaware that they are being watched The customers are a motley crew Three locals Nester Brandt the town's greying curmudgeon and a pair of star crossed lovers Ken Hawick and Trish Avery Three strangers Hugh Davies fast rising star of all night talk radio and Ceil and Mandy two women he claims are his sisters They all have secrets secrets which have attracted the watcher Nester Brandt is the first to die gunned down outside the restaurant by a silent man in a long black coat a man whose pitiless gaze is as fixed and glittering as a raven's Nester's death is only the beginning as this gathering of strangers becomes first prey then hunters They have learned too much about each other in a single snow filled night Like rats caught in a trap *Black Oak 1: Genesis* Charles L. Grant, 2016-03-04

WHEN YOU ELIMINATE THE IMPOSSIBLE Black Oak Security is a crack team of private investigators led by brilliant enigmatic Ethan Proctor He takes on cases that range from the normal to the unaccountably bizarre Now one of his people Sloan Delaney has disappeared during a weekend getaway in the Cumberland Mountains The last message he left on Proctor's answering machine was a tortured scream for help THE ONLY THING LEFT IS THE TRUTH Soon Proctor is heading into the Kentucky wilderness following in Sloan's footsteps to a secluded backwoods motel where a dreadful mystery is buried But the truth behind Sloan's disappearance is only the beginning For whatever is roaming the hills has left an entire town cowering in fear Something unspeakable and too close to home Speaking of Horror Darrell Schweitzer, 1994-12-01

Interviews with Ramsey Campbell Dennis Etchison Chares L Grant Tanith Lee Thomas Ligotti Brian Lumley William F Nolan F Paul Wilson and more **Stunts** Charles L. Grant, 2018-11-08 It happens without warning The shadow of the wolf falls on an ordinary man and death begins to walk within him Everyone he hates will die The senior class of New Jersey's Port Richmond High School is busy planning Halloween stunts practical jokes on a town wide scale The school's new principal has outlawed stunts but that won't keep Brian Oakland and his friends out of mischief After all they're not planning anything serious nothing damaging except to the principal's reputation Others have different ideas Dominic Pastore's waited all year for Halloween His rifle is ready but Dorn hasn't decided if he'll fire blanks or bullets Rich little Mickie Farwood wants to pull a stunt too but first must choose between Dorn's danger and Brian's innocence None of them knows that this Halloween will alter their lives forever The shadow of the wolf has fallen on two men In England visiting lecturer Evan Kendal flees a murderous madman once his best friend flees for Port Richmond and home And in Port Richmond in the woods that surround the town another killer waits waits for Halloween when those he hates will die At his bidding the whole town will die The Vampire Archives Otto Penzler, 2009-09-29 The Vampire Archives is the biggest hungriest undeadliest collection of vampire stories as well as the most comprehensive bibliography of vampire fiction ever assembled Dark stormy and delicious once it sinks its teeth into you there's no escape Vampires Whether imagined by Bram Stoker or Anne Rice they are part of the human lexicon and as old as blood itself They are your neighbors your friends and

they are always lurking Now Otto Penzler editor of the bestselling Black Lizard Big Book of Pulps has compiled the darkest the scariest and by far the most evil collection of vampire stories ever With over eighty stories including the works of Stephen King and D H Lawrence alongside Lord Byron and Tanith Lee not to mention Edgar Allan Poe and Harlan Ellison The Vampire Archives will drive a stake through the heart of any other collection out there Other contributors include Arthur Conan Doyle Ray Bradbury Ambrose Bierce H P Lovecraft Harlan Ellison Roger Zelazny Robert Bloch Clive Barker Serial Vigilantes of Paperback Fiction Bradley Mengel,2009-10-21 Rough justice has often been served in the pages of serial novels notably beginning with Don Pendleton s The Executioner in 1969 This is the first overview of the serial vigilante genre which featured such hard boiled protagonists as Nick Carter Mark Stone Jake Brand and Able Team among the 130 series that followed Pendleton s novel Serial vigilantes repeatedly take the law into their own hands establishing and imposing their own moral standards usually by force The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys private eyes spies and cops in different media A complete bibliography for each series is featured The King of Satan's Eyes Charles L. Grant,2019-10-14 To his neighbors in the sleepy hamlet of Inverness New Jersey Lincoln Blackthorne is a tailor Far from major population centers highways airports or trains Inverness is just about the last place you d expect to find an international soldier of fortune and treasure hunter But that s exactly what Blackthorne is one of the best and he s about to embark on his most dangerous journey the quest for a priceless work of art a deadly magical talisman an object of dire arcane power His opponent is the viperous Anton Reddick an evil millionaire who ll stop at nothing to fulfill his desires The chase is on from New Jersey to Peru and finally to Inverness Scotland where Lincoln Blackthorne must face not only Reddick and his cutthroats but also his own deepest fears and nightmares Whether he s cruising at nine thousand feet in a pilotless plane filled with poison risking his hide in a red hot batch of lava or taking his chances with a red haired seductress it s all in a day s work for the misfit spy and master tailor out to sew up the case before it unravels him If you have an eye for run fantasy and futuristic firepower Lincoln Blackthorne is the man to watch previously published as written by Geoffrey Marsh Jackals Charles L. Grant,2018-02-13 We ve all seen them the broken down car by the side of the road mutely signaling for help from passing drivers the stubborn tail gater who follows too close for too long the wild driver who weaves through lanes on a crowded highway the driver who causes accidents but is never a victim of one These are the jackals hunters who follow the nation s highways and byways preying on the weak and unsuspecting The jackals are human enough except for a strangeness about their eyes and the way their laughter lingers in the night air but they have no mercy Jim Scott s been hunting jackals for some time now They took someone he loved once and he s never forgiven them And he s never loved again Love makes you vulnerable But love isn t predictable and when beautiful battered Rachel turns up on Jim Scott s doorstep with a tale that can only mean she barely escaped a hunting pack Jim finds that the barricades he built around his heart are not impregnable The jackals have come in

force for their final showdown with Jim Scott But Jim no longer fights alone he leads a group of jackal killers each determined to exterminate the hunters or die trying *Tales from the Nightside* Charles L. Grant,2020-11-23 Hauntings and enchantments elegies of the macabre dim lit excursions beyond the bounds of reality here are fifteen subtle tales of terror A toll road lures wayfarers into another dimension A mysterious white wolf appears as a portent of doom An aged seamstress holds in her needle dominion over life and death A bizarre world of dark fantasy awaits strangely horribly compelling From the demon cursed town of Oxrun Station to the terrifying byways of Hawthorne Street prepare for fear as you enter the nightside Stories included in this collection Coin of the Realm Old Friends Home If Damon Comes A Night of Dark Intent The Gentle Passing of a Hand When All the Children Call My Name Needle Song Something There Is Come Dance With Me on My Pony s Grave The Three of Tens Digging From All the Fields of Hail and Fire The Key to English White Wolf Calling The Bloodwind Charles L. Grant,2024-08-06 THE BLOODWIND IS SILENT It grows from hate and fear and jealousy rising over Oxrun Station in a miasma of terror and anger Its target anyone who dares to speak or act against its master To many in Oxrun Station it is Pat Shavers who controls the Bloodwind for it strikes down her enemies But Pat is terrified of the mysterious destructive force The earlier deaths have been accidents hers will be murder *The Encyclopedia of Fantasy* John Clute,John Grant,1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art **The Shadow of Alpha** Charles L. Grant,2017-05-22 Introducing Parric an ordinary civil servant being ground up in a mill of paperwork who is given a chance to work on an experimental government project to live secretly in a town entirely populated by androids whose very existence if it were known would disrupt society something the repressive society does not want But Parric is happy in his secret village protected by a force field from outsiders in contact with only a few others in similar positions in other secret villages Protected until war breaks out and civilization outside calls in the horrifying Plaguewind Then the experimental androids affected by the plague in strange ways become killers Parric must escape his village then trek across the desolated countryside in danger from the surviving mobs of plague victims to the control center of the secret android project in an attempt to join other men in starting a new civilization In a Dark Dream Charles L. Grant,2017-03-19 It s an ordinary summer Until the dreams began Cheryl Erskine awakens screaming every night she whispers in her father s ear Something bad Daddy Glenn Erskin s worried about his daughter but as police chief he s got the whole town to worry about especially with Jimmy Hale on the loose The murderer had been too crazy to stand trial he d been institutionalized instead Now he s cured And coming home Dreams are hard to predict and harder to control Cheryl and her family are trapped in a dark dream The Mark of the Moderately Vicious Vampire Charles L. Grant,2017-08-04 A PAIN IN THE NECK He turns into a bat Drinks the blood of the living And never pays income taxes He s the Vampire Lamar and since he s come to New England the body count s been rising every time he rises But even eternal nightlife can take on a chill without companionship The unholy

fiend in need seeks a down to earth flesh and blood girl who s his er type for a very long term relationship But where there are vampires there are vampire hunters Unfortunately their stakeout for an eccentric nobleman sends them chasing a mortal target named KENT MONTANA He s the descendant of Scottish nobility or so he claims He s an out of work actor He never gets a good script but his life is more exciting than any science fiction movie In fact his list is a science fiction movie **The Grave** Charles L. Grant,2024-11-03 Josh Miller has a talent for finding things So far the things people have asked him to find antique tables old movie posters have been innocuous enough And Andrea Montague the daughter of a local writer may be his most interesting find so far But no one s asked Josh to find the missing fifth victim of an unexplained auto accident the one who vanished from the scene of the crash without leaving a trail of blood though he must have been badly hurt No one s asked Josh to look for the other missing people residents of Oxrun Station who mysteriously and inexplicably vanished on their birthdays Someone very definitely doesn t want him to find the clearing full of century old gravestones the clearing that feels so evil This time whatever Josh is hunting is hunting him too and it s hungry The Nestling Charles L. Grant,2017-03-11 THERE IS A REASON IT HAS RETURNED Something has caused a grim and sudden change in Wyoming s Windriver Valley something whose dark power was foretold in an ancient Indian prophecy Now after 20 years Jason Clarke comes home to a town gripped by a devastating force which defies all nature a force that points to something supernatural THERE IS A REASON IT HAS RETURNED Now some ancient predator born of bloody midnights throws the shadow of its wings across the valley Listen That cry like a woman s laugh Look Those mocking red eyes Now an evil promise will be kept in the gleaming jaws of THE NESTLING

Uncover the mysteries within Explore with is enigmatic creation, **Fangs Of The Hooded Demon** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *).
