

"Well Jackson, what I wanted was for us to be Knights or Wizards or something cool! Not these Princess characters!"

"Okay if Miss 'Blue Tushy, maybe you'll know where the fudge we are then!"

"I... don't think I know how to swear anymore. I got this weird block in my head. I can't even fathom using those kind of words."

"I can't even remember how to put on pants! Nor do I want to... Gosh, when I wished to be fantasy characters, I thought we'd be the ones saving the Damsels in Distress, not be ones ourselves!"

"Well I do now! Let's just try get out of here and deal with these... girly feelings later. If... please hold my hand so we don't get separated. Maybe we can find where John was sent to."

"Nope! Why? Is there something I should know?"

"That... uh... That sounds heavenly."

"So Josh, is this what you meant when you 'wished to be reincarnated as fantasy characters' or were you hoping we'd be made?"

"You're the Princess. I think Alice was more of an 'Average Girl with a Crazy Imagination' type of character, but before that I still could've imagined 40 ways on how you could've been specific!"

"Tushy! Fudge!! Deary me, are you feeling okay?"

"I guess we have to keep it PG... That John really stuffed with our personalities, seems he Disneyfied us. I'm having weird mental blocks myself!"

"Well, we are two girls now but in an enchanted forest so you best hope someone comes and saves us. Don't you want to be saved by some handsome prince? Maybe live happily ever after!"

"Horus, is the princess scared? And yeah I was wondering where he ended up... Well, have you even seen Snow 'White'?"

"Probably don't eat that apple. If I remember correctly, there is a tea party around. We can have a chat about... Lady things... I guess."

Shakspere's Werke William Shakespeare,1860 *Space and the Postmodern Fantastic in Contemporary Literature* Patricia Garcia,2015-04-24 Arising from the philosophical conviction that our sense of space plays a direct role in our apprehension and construction of reality both factual and fictional this book investigates how conceptions of postmodern space have transformed the history of the impossible in literature Deeply influenced by the work of Jorge Luis Borges and Julio Cort zar there has been an unprecedented rise in the number of fantastic texts in which the impossible is bound to space space not as scene of action but as impossible element performing a fantastic transgression within the storyworld This book conceptualizes and contextualizes this postmodern fantastic use of space that disrupts the reader s comfortable notion of space as objective reality in favor of the concept of space as socially mediated constructed and conventional In an illustration of the transnational nature of this phenomenon Garc a analyzes a varied corpus of the Fantastic in the past four decades from different cultures and languages merging literary analysis with classical questions of space related to the fields of philosophy urban studies and anthropology Texts include authors such as Julio Cort zar Argentina John Barth USA J G Ballard UK Jacques Sternberg Belgium Fernando Iwasaki Per Juan Jos Mill s Spain and ric Faye France This book contributes to Literary Theory and Comparative Literature in the areas of the Fantastic narratology and Geocriticism and informs the continuing interdisciplinary debate on how human beings make sense of space **Grade Two Vol. 1 Teacher's Guide** Stamey Carter,Lyn Wendon,2012-07 The new Grade Two program provides fresh support for your children s journey to full literacy Shakspere's Werke: Pericles ; Poems.
