Fantastic Night Stefan Zweig, 2015-05-05 I alone know that I am only just beginning to live He is distinguished rich a member of fashionable society utterly bored But over the course of one fantastic night a young Baron becomes a thief unashamed and awakes to life for the first time This collection is full of tales of infinite passions of intense encounters that transform lives a knock on a door that forces a whole community to take flight a doomed attempt to save a soul poisoned by addiction a love soured into awful cruelty of longing and liberation They are the gripping work of a master storyteller unmatched and completely unforgettable

Captain Fantastic Tom Doyle, 2017-03-21 The true story of Elton John's meteoric rise from obscurity to worldwide celebrity in the weird wild 1970s based on rare one on one interviews with the Rocket Man himself now the subject of a major motion picture In August 1970 Elton John achieved overnight fame with a rousing performance at the Troubadour in Los Angeles Over the next five years the artist formerly known as Reginald Dwight went from unheard of to unstoppable scoring seven consecutive 1 albums and sixteen Top Ten singles in America By the middle of the decade he was solely responsible for 2 percent of global record sales One in fifty albums sold in the world bore his name Elton John's live shows became raucous theatrical extravaganzas attended by all the glitterati of the era But beneath the spangled bodysuits and oversized eyeglasses Elton was a desperately shy man conflicted about his success his sexuality and his narcotic indulgences In 1975 at the height of his fame he attempted suicide After coming out as bisexual in a controversial Rolling Stone interview that nearly wrecked his career and announcing his retirement from live performance in 1977 at the age of thirty he gradually found his way back to the thing he cared about most the music Captain Fantastic gives readers a behind the scenes look at the rise fall and return to glory of one of the world's most mercurial performers Rock journalist Tom Doyle's insider account of the Rocket Man's turbulent ascent is based on a series of one on one interviews in which Elton laid bare many previously unrevealed details of his early career Here is an intimate exploration of Elton's working relationship with songwriting partner Bernie Taupin whose lyrics often chronicled the ups and downs of their life together in the spotlight Through these pages pass a parade of legends whose paths crossed with Elton's during the decade including John Lennon Bob Dylan Groucho Marx Katharine Hepburn Princess Margaret Elvis Presley and an acid damaged Brian Wilson A fascinating portrait of the artist at the apex of his celebrity Captain Fantastic takes us on a rollicking fame and drug fueled ride aboard Elton John's rocket ship to superstardom Praise for Captain Fantastic Veteran rock journalist Tom Doyle continues his foray into the 1970s music scene with a compelling profile of an unlikely rock star In chronicling Elton John's stratospheric rise to fame replete with platinum records increasingly outlandish stage shows and mountains of cash the author deftly manages to keep his subject in sharp focus Based on hours of one on one interviews with Captain Fantastic himself this breezy yet comprehensive biography demonstrates what it was like for the talented musician to churn out an impossible string of hit records A great way to better understand the man behind the garish glasses and

platform boots Kirkus Reviews In this adoring and candid set of fan s notes music journalist Doyle Man on the Run draws on interviews with John and his colleagues especially his writing partner Bernie Taupin to capture the meteoric rise and fall of the man who released at least one album every year of the 1970s This energetic book makes a convincing case that John reached his peak and made his best music in the 70s Publishers Weekly A breezy and surprisingly poignant romp through a decade and a career that effectively invented modern celebrity culture Peter Doggett author of You Never Give Me Your Money The Beatles After the Breakup The Flight into The Unconscious Wolfgang Giegerich,2020-03-06 Psychological analysis usually sets its sights upon the patient or upon cultural phenomena such as myths literature or works of art The essays in this volume by contrast have another addressee another subject matter psychology itself Deeply informed by Jung s insight regarding the discipline s lack of an objective vantage point outside and beyond the psyche their Jungian author again and again turns Jung s contribution to psychology around upon itself in the spirit of an immanent critique Cutting to the quick the question is put in its constitution as psychology is Jungian psychology up to the level of what its insight into psychology s lack of an Archimedean point would require Are the interpretations it gives of its various subject matters alchemy religion the unconscious and the rest matched by its interpretation of itself Has its meeting itself in them had consequences for itself consequences in terms of the fathoming of its own truth Or clinging to the standpoint of empirical observer did it ultimately demur with regards to the question of their truth and its own this despite Jung s having characterized his work as an opus divinum Topics include Jung s psychology project as a response to the condition of the world the smuggling inherent in the logic of the unconscious the closure and setting free dialectic of alchemy and psychology the blindness to logical form problematic the faultiness of the opposition Individual and Collective Jung s communion fiasco his thinking the thought of not thinking the veracity of his Red Book the disenchantment complex and as indicated in the title of this volume Jung s psychology project as a counter speculative flight into the unconscious The NIH Record ,1990

Worlds exhibitions Rather than thinking of virtual reality and staged authenticity as recent developments of the postmodern age Castillo looks back to the Spanish baroque period in search for the roots of the commodification of nature and the horror vacui that accompanies it Aimed at specialists students and readers of early modern literature and culture in the Spanish and Anglophone traditions as well as anyone interested in horror fantasy Baroque Horrors offers new ways to rethink broad questions of intellectual and political history and relate them to the modern age David Castillo is Associate Professor and Director of Graduate Studies in the Department of Romance Languages and Literatures at the University at Buffalo SUNY
