A Fabulous Creation David Hepworth, 2019-03-21 _____ Hepworth s knowledge and understanding of rock history is prodigious a hugely entertaining study of the LP s golden age The Times _____ The era of the LP began in 1967 with Sgt Pepper The Beatles didn t just collect together a bunch of songs they Made An Album Henceforth everybody else wanted to Make An Album The end came only fifteen years later coinciding with the release of Michael Jackson s Thriller By then the Walkman had taken music out of the home and into the streets and the record business had begun trying to reverse engineer the creative process in order to make big money Nobody would play music or listen to it in quite the same way ever again It was a short but transformative time Musicians became artists and we the people patrons of the arts The LP itself had been a mark of sophistication a measure of wealth an instrument of education a poster saying things you dare not say yourself a means of

attracting the opposite sex and for many the single most desirable object in their lives This is the story of that time it takes us from recording studios where musicians were doing things that had never been done before to the sparsely furnished apartments where their efforts would be received like visitations from a higher power This is the story of how LPs saved our lives
