The Book of Football Quotations Phil Shaw, 2011-04-30 The greatest football quotations collection ever now in its ninth edition This compilation includes quotes from everyone Shakespeare to Suarez Camus to Cantona Busby to Beckham who has made an apt pithy or comical comment about football

And not just footballers and managers either fans pundits groundsmen directors and wives all get to have their say too Every subject is covered from tactical debates to changing lifestyles to produce a sometimes hilarious and always thought provoking commentary on the game My players are always the best players in the world even if they aren't Jos Mourinho He was a quiet man Eric Cantona but he was a man of few words David Beckham Sometimes when you aim for the stars you hit the moon Ian Holloway

Aboriginal People and Australian Football in the Nineteenth Century Roy Hay, 2019-02-15 This book will revolutionise the history of Indigenous involvement in Australian football in the second half of the nineteenth century It collects new evidence to show how Aboriginal people saw the cricket and football played by those who had taken their land and resources and forced their way into them in the missions and stations around the peripheries of Victoria South Australia and Western Australia They learned the game and brought their own skills to it eventually winning local leagues and earning the respect of their contemporaries They were prevented from reaching higher levels by the gatekeepers of the domestic game until late in the twentieth century Their successors did not come from nowhere

Wagg, 2011-11-29 The conventional history of sport as conveyed by television and the sports press has thrown up a great many apparent turning points but knowledge of these apparently defining moments is often slight This book offers readable in depth studies of a series of these watersheds in sport history and of the circumstances in which they came about

The Game of Our Lives David Goldblatt, 2014-10-30 WINNER of the William Hill Sports Book of the Year Award 2015 In the last two decades football in Britain has made the transition from a peripheral dying sport to the very centre of our popular culture from an economic basket case to a booming entertainment industry What does it mean when football becomes so central to our private and political lives Has it enriched us or impoverished us In this sparkling book David Goldblatt argues that no social phenomenon tracks the momentous economic social and political changes of the post Thatcherite era in a more illuminating manner than football and no cultural practice sheds more light on the aspirations and attitudes of our long boom and now calamitous bust A must read for the thinking football fan The Game of Our Lives will appeal to readers of Fever Pitch by Nick Hornby and Inverting the Pyramid by Jonathan Wilson It will also be relished by readers of British social history such as Austerity Britain by David Kynaston Brilliantly incisive Goldblatt is not merely the best football historian writing today he is possibly the best there has ever been Goldblatt's book could hardly be more impressive Sunday Times

Postcards from Santiago Spencer Vignes, 2025-04-08 Long before Erling Haaland Thierry Henry and Eric Cantona there was George Robledo the first overseas star of English football Abandoned by his father as a child in Chile Robledo came to the UK where he was raised in a Yorkshire mining village serving underground as a Bevin Boy during the Second World War prior to making his name with Barnsley During the 1951-52 season his thirty three goals for Newcastle United in what is now the Premier League were the most goals scored in a single season by an overseas registered foreign born player a record that has stood unbroken for over seventy years despite what the record books might say

Postcards from Santiago is the poignant inspiring story of Robledo's remarkable journey from the moon like wastes of the Atacama Desert to the cover of John Lennon's 1974 album Walls and Bridges via Wembley glory and the 1950 World Cup in Brazil. Where in England's first ever World Cup match Robledo became the first Football League player from outside the British Isles to face England in an official international. Featuring interviews with family friends and admirers this fascinating biography is the definitive account of a man who overcame immense hardship and heartache to become a sporting trailblazer in his adopted homeland and a national hero in his native Chile. **Stokoe, Sunderland and 73** Lance Hardy, 2011-01-20

50th anniversary edition of the story of the team that caused the last great FA Cup upset. Times have changed but this book is an engrossing reminder for all fans. INDEPENDENT ON SUNDAY An essential piece of British football history for fans of any club. Brilliantly researched and written with an undisguised passion. Guy Mowbray BBC's Match of the Day Today it seems inconceivable that a team from the lower reaches of the Championship could beat the likes of Chelsea or Manchester United in the FA Cup Final. Yet on 5 May 1973 that is exactly what happened. Six months earlier Bob Stokoe took on an ailing Sunderland team struggling at the bottom of the second division. But the long road to Wembley sees them beating Arsenal and Manchester City to reach the final where they face Don Revie's mighty Leeds United in a game few expect them to win. Yet what lies ninety minutes ahead is the greatest FA Cup Final shock of all time. Sunderland's victory was arguably the last fairytale of recent footballing times. In STOKOE SUNDERLAND AND 73 Lance Hardy talked with ten of the Sunderland players who turned out at Wembley that day and to the family of Bob Stokoe to produce the definitive account of an unforgettable game. **This Sporting Life** Robert Colls, 2020-08-28

Why did killing a fox mean liberty? What did parish revels have to do with the Peterloo Massacre? What did animal cruelty have to do with the English constitution? What did the Factory Acts mean for modern football? In This Sporting Life Robert Colls explains sport as one of England's great civil cultures. The lived experiences of people from all walks of life are reclaimed to tell England's history through its great sporting cultures from the horseback pursuits of the wealthy and politically connected to the street games in working class neighbourhoods which needed nothing but a ball. It observes people at play, describes how they felt and thought, carries the reader along to a match or a hunt or a fight, draws out the sounds and smells of humans and animals, showing that sport has been as important in defining British culture as gender, politics, education, class and religion. Authentocrats Joe Kennedy, 2018-06-19

The Authentocrats claim to be the new voice of common sense that speak for the common man and woman, right wing, traditional and dangerous. Joe Kennedy argues that they are everything but what they purport to be. In contemporary Britain a lot has been said about what it is that real people want: politically forgotten by elites and sick of globalisation so the story goes they demand patriotism, respect for the military, assurances on defence and controls on immigration. In trying to meet these supposed wishes politicians attempt to appear normal, salt of the earth, authentic. Authentocrats examines the function of this authenticity in a centrist politics which paradoxically often defines itself as

cosmopolitan technocratic and opposed to populism Casting a doubtful eye over amongst other things latter day James Bond films contemporary nature writing and stand up comedy Authentocrats suggests that the sooner we can break with the sententiousness of a skewed conception of authenticity in aesthetics and politics the better

The Penalty Kick Robert McCrum, 2024-10-08 A rousing history of the penalty kick and its introduction in English football by a famed British writer editor Football in the 1880s was a rough and dangerous game To address the abhorrent state of the sport William McCrum an amateur Irish goalkeeper and the author's great grandfather proposed the penalty kick a new and drastic sanction introduced to the game in 1891 For over a hundred years this extraordinary phenomenon has not only regulated the conduct of football also known as soccer but has also inspired game theories and infiltrated classics of contemporary literature An enthralling portrait of a lost age The Penalty Kick The Story of a Gamechanger is a family history a social history and a history of the world's most popular sport It considers an extraordinary phenomenon as it examines the penalty kick's psychological even philosophical grip on our imaginations with its distillation of risk and chance into the penalty shoot out an all or nothing moment

A Classless Society Alwyn W. Turner, 2013-09-05 Superb NICK COHEN author of What's Left Tremendously entertaining DOMINIC SANDBROOK Sunday Times Like his previous histories of the Seventies and Eighties A Classless Society is an extraordinarily comprehensive work Turner writes brilliantly creating a compelling narrative of the decade weaving contrasting elements together with a natural storyteller's aplomb engaging and unique IRVINE WELSH Daily Telegraph Ravenously inquisitive darkly comical and coolly undeceived Turner is a master of the telling detail CRAIG BROWN Mail on Sunday When Margaret Thatcher was ousted from Downing Street in November 1990 after eleven years of bitter social and economic conflict many hoped that the decade to come would be more caring others hoped that the more radical policies of her revolution might even be overturned Across politics and culture there was an apparent yearning for something the Iron Lady had famously dismissed society The New Britain to emerge would be a contradiction economically unequal but culturally classless Whilst Westminster agonised over sleaze and the ERM the country outside became the playground of the Ladette It was also a period that would see old moral certainties swept aside and once venerable institutions descend into farce followed in the case of the Royal Family by tragedy Opening with a war in the Gulf and ending with the attacks of 11 September 2001 A Classless Society goes in search of the decade when modern Britain came of age What it finds is a nation anxiously grappling with new technologies tentatively embracing new lifestyles and above all forging a new sense of what it means to be British Deserves to become a classic EDWINA CURRIE Rich and encyclopaedic ROGER LEWIS Daily Mail Excellent D J TAYLOR Independent
