

# Three Science Fiction Novellas

*From  
Prehistory  
to the End  
of Mankind*

The illustration depicts a scene from a science fiction novella. In the foreground, a large, dark, textured rock formation sits on a green, grassy hill. Two white, winged creatures, resembling angels or advanced beings, are perched on the rock. One is on the left, looking towards the right, and the other is on the right, looking towards the left. In the background, two men in yellow and brown suits are walking towards the right. The man in front is looking back over his shoulder. A large, dark, skeletal structure, possibly a space station or a large machine, is visible in the upper left corner. The sky is a mix of pink and purple hues.
