Faraway Hills Are Green Voices Of Irish Women In Canada:

The Irish in Ontario Donald Harman Akenson, 1999 For most of the nineteenth century the Irish formed the largest non French ethnic group in central Canada and their presence was particularly significant in Ontario This study presents a general discussion of the Irish in Ontario during the nineteenth century and a close analysis of the process of settlement and adaptation by the Irish in Leeds and Lansdowne township Akenson argues that despite the popular conception of the Irish as a city people those who settled in Ontario were primarily rural and small town dwellers Though it is often claimed that the experience of the Irish in their homeland precluded their successful settlement on the frontier in North America Akenson s research proves that the Irish migrants to Ontario not only chose to live chiefly in the hinterlands but that they did so with marked success Akenson also suggests that by using Ontario as an historical laboratory it is possible to make valid assessments of the real differences between Irish Protestants and Irish Catholics characteristics which he contends are much more precisely measurable in the neutral environment of central Canada than in the turbulent Irish homeland While Akenson is careful not to over generalise his findings he contends that the case of Ontario seriously calls into question conventional beliefs about the cultural limitations of the Irish Catholics not only in Canada but throughout North America Donald Harman Akenson is professor of history at Queen s University and the author of numerous books on Irish history including *If the Irish Ran the World* and the acclaimed *Conor A Biography of Conor Cruise O'Brien* His most recent book is the

the most important books on social sciences of the last fifty years by the Social Sciences Federation of Canada Akenson argues that despite the popular conception of the Irish as a city people those who settled in Ontario were primarily rural and small town dwellers Though it is often claimed that the experience of the Irish in their homeland precluded their successful settlement on the frontier in North America Akenson s research proves that the Irish migrants to Ontario not only chose to live chiefly in the hinterlands but that they did so with marked success Akenson also suggests that by using Ontario as an historical laboratory it is possible to make valid assessments of the real differences between Irish Protestants and Irish Catholics characteristics which he contends are much more precisely measurable in the neutral environment of central Canada than in the turbulent Irish homeland While Akenson is careful not to over generalize his findings he contends that the case of Ontario seriously calls into question conventional beliefs about the cultural limitations of the Irish Catholics not only in Canada but throughout North America

Canadian Books in Print. Author and Title Index, 1975 **Violent Loyalties** Jane G.V. McGaughey, 2020-06-13 Being an Irish man was a consistent contentious issue in the Canadas The aim of this book is to provide the first gendered examination of male Irish migration to Upper and Lower Canada within the broader contexts of negative stereotypes about Irish violence and Irishmen s questionable loyalty to the British Empire Through examinations of key violent episodes and in famous individuals Violent Loyalties argues that being an Irishman in the Canadas meant daily negotiations with discrimination ethnic rivalries the pressure to become more British and having to base one s sense of manliness on being the most visible other in the colonies Irish Catholics faced the burden of being dual minorities the other religion within the Anglophone world and English speaking in the Catholic sphere already established by French Canadians Irish Protestants also had difficulties adapting to their new communities as the problematic association with violent Orangeism and rivalries with Scottish and English immigrants many of whom were United Empire Loyalists created obstacles in the quest for upward social mobility Both Canadian and Irish historiographies are sorely lacking in examinations of masculinity compared with those investigating American French Australian or British manliness

This gap in the literature becomes even more apparent outside of a twentieth century focus. *Violent Loyalties* aims to fill these lacunae in the histories of colonial Canada and the Irish diaspora. ***Sisters or Strangers?*** Marlene Epp, Franca Iacovetta, Frances Swyripa, 2004-12-15. Spanning two hundred years of history from the nineteenth century to the 1990s, *Sisters or Strangers* explores the complex lives of immigrant ethnic and racialized women in Canada. The volume deals with a cross section of peoples including Japanese, Chinese, Black, Aboriginal, Irish, Finnish, Ukrainian, Jewish, Mennonite, Armenian, and South Asian Hindu women and diverse groups of women including white settlers, refugees, domestic servants, consumer activists, nurses, wives, and mothers. The central themes of *Sisters or Strangers* include discourses of race in the context of nation building, encounters with the state and public institutions, symbolic and media representations of women, familial relations, domestic violence, and racism, and analyses of history and memory. In different ways, the authors question whether the historical experience of women in Canada represents a sisterhood of challenge and opportunity or if the racial class or marginalized identity of the immigrant and minority women made them in fact strangers in a country where privilege and opportunity fall according to criteria of exclusion. Using a variety of theoretical approaches, this collaborative work reminds us that victimization and agency are never mutually exclusive and encourages us to reflect critically on the categories of race, gender, and the nation.

Outsiders Inside Bronwen Walter, 2002-05-03. Notions of diaspora are central to contemporary debates about race, ethnicity, identity, and nationalism. Yet the Irish diaspora, one of the oldest and largest, is often excluded on the grounds of whiteness. *Outsiders Inside* explores the themes of displacement and the meanings of home for these women and their descendants. Juxtaposing the visibility of Irish women in the United States with their marginalization in Britain, Bronwen Walter challenges linear notions of migration and assimilation by demonstrating that two forms of identification can be held simultaneously. In an age when the Northern Ireland peace process is rapidly changing global perceptions of Irishness, *Outsiders Inside* moves the empirical study of the Irish diaspora out of the ghetto of Irish Studies and into the mainstream, challenging theorists and policy makers to pay attention to the issue of white diversity. *Documentation Sur la Recherche Féministe*, 1996.

The Irish in North America Seamus P. Metress, Donna M. Hardy-Johnston, 1999. *Changing Ireland* Christine St. Peter, 2000-03-17. During the past twenty-five years, Ireland has seen an explosion of women's fiction: hundreds of published works that reimagine the inherited literary traditions and the social contexts of women's lives. *Changing Ireland* examines women's use of historical fiction, exile literature, Northern war narratives, speculative fiction, and classic realism, and looks at the local Irish forms of international women's genres like the romance novel and feminist fiction. ***Doing Gender*** Paula Ruth Gilbert, Roseanna Lewis Dufault, 2001. This collection contains eighteen critical essays devoted to works of prose theater.

and poetry created during the final decade of the twentieth century by francophone women of Quebec and Canada **Place, Culture and Community** Johanne Devlin Trew, 2009-10-02 The Ottawa Valley is a region of Canada straddling the Ottawa River in Ontario and Quebec that is well known for its rich singing storytelling fiddling and step dancing traditions Settled largely by the Irish Scots and the French over the past two hundred years it had largest concentration of people of Irish origin in Canada by the late 19th century Travelling through the Valley one gets the sense of coming face to face with the past While its dramatic history is filled with incidents of extreme hardship and tragedy the overriding impression is of a triumphant survivalism associated with its strong men of the past the voyageurs the coureurs du bois and the lumbermen The legacy of this unique heritage from fiddling and step dancing to tales of priests lumberman and Orange and Green rivalries is explored in this book through the voices of Valley people themselves The author reveals the importance of place and history in the transmission of this vibrant regional culture down to the present day *Feminist Collections* University of Wisconsin System.
