Farewell To The Don The Journal Of Brigadier Hnh Williamson:

Farewell to the Don. The Journal of Brigadier H.N.H. Williamson. Ed. by J. Harris ,1970 **Farewell to the Don**
Hudleston Noel Hedworth Williamson,1971 **Farewell to the Don** Hudleston Noel Hedworth Williamson,1970

Historical Dictionary of the Russian Civil Wars, 1916-1926 Jonathan D. Smele,2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The *Historical Dictionary of the Russian Civil Wars 1916 1926* covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War *The "Russian" Civil Wars, 1916-1926* Jonathan Smele,2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow **The Bolsheviks and Britain during the Russian Revolution and Civil War, 1917-24** Evgeny Sergeev,2022-06-16 This book analyses the principal aspects of the relations between Soviet Russia USSR and Britain in the crucial phase of their formation namely the period from 1917 to 1924 Using previously unavailable and largely unknown archival records and memoirs published by statesmen diplomats and military commanders directly involved in the events Evgeny Sergeev not only reconstructs the dynamics of the interaction between Moscow and London but also strips its key episodes of common myths and stereotypes The most debatable issues to which

this study draws its primary attention include Britain's role in the Entente armed intervention against the Bolshevik regime as well as a series of reciprocal attempts to avoid political controversies and London's contribution to humanitarian aid and the economic recovery of post revolutionary Russia Special consideration is also given to the impact of British diplomacy on the recognition of the USSR by other great powers like France Italy and Japan in the mid 1920s Churchill's Secret War With Lenin Damien Wright,2017-07-27 An account of the little known involvement of Royal Marines as they engaged the new Bolsheviks immediately after the Russian Revolution After three years of great loss and suffering on the Eastern Front Imperial Russia was in crisis and on the verge of revolution In November 1917 Lenin's Bolsheviks later known as Soviets seized power signed a peace treaty with the Central Powers and brutally murdered Tsar Nicholas British King George's first cousin and his children so there could be no return to the old order As Russia fractured into loyalist White and revolutionary Red factions the British government became increasingly drawn into the escalating Russian Civil War after hundreds of thousands of German troops transferred from the Eastern Front to France were used in the 1918 Spring Offensive which threatened Paris What began with the landing of a small number of Royal Marines at Murmansk in March 1918 to protect Allied donated war stores quickly escalated with the British government actively pursuing an undeclared war against the Bolsheviks on several fronts in support of British trained and equipped White Russian Allies At the height of British military intervention in mid 1919 British troops were fighting the Soviets far into the Russian interior in the Baltic North Russia Siberia Caspian and Crimea simultaneously The full range of weapons in the British arsenal were deployed including the most modern aircraft tanks and even poison gas British forces were also drawn into peripheral conflicts against White Finnish troops in North Russia and the German Iron Division in the Baltic It remains a little known fact that the last British troops killed by the German Army in the First World War were killed in the Baltic in late 1919 nor that the last Canadian and Australian soldiers to die in the First World War suffered their fate in North Russia in 1919 many months after the Armistice Despite the award of five Victoria Crosses including one posthumous and the loss of hundreds of British and Commonwealth soldiers sailors and airmen most of whom remain buried in Russia the campaign remains virtually unknown in Britain today After withdrawal of all British forces in mid 1920 the British government attempted to cover up its military involvement in Russia by classifying all official documents By the time files relating to the campaign were quietly released decades later there was little public interest Few people in Britain today know that their nation ever fought a war against the Soviet Union The culmination of more than 15 years of painstaking and exhaustive research with access to many previously classified official documents unpublished diaries manuscripts and personal accounts author Damien Wright has written the first comprehensive campaign history of British and Commonwealth military intervention in the Russian Civil War 1918-20 Allied intervention in the Russian Civil War remains forgotten Wright's book addresses that oversight interspersing the broader story with personal accounts of participants Military History Magazine *Alice in Exile* Piers Paul Read,2014-04-29 By

critically acclaimed author Piers Paul Read *Alice in Exile* is an exquisite historical novel featuring Alice Fry a free thinking and independent minded woman in a world ruled by men and the two men who love her It is 1913 when Alice the daughter of a radical publisher meets Edward Cobb the eligible young son of a baronet who has recently quit the army to pursue his political ambitions Edward s family could accept his liaison with a girl they consider fast but when he proposes they are appalled When Alice s father becomes involved in a scandal it becomes clear that Edward must choose between Alice and his political career He breaks off the engagement unaware that his lover is expecting his child Desperate Alice accepts the offer of a rich and charming if somewhat predatory Baron Rettenberg returning to Russia with him to serve as a governess for his children while Edward marries suitably but unhappily Two of the greatest cataclysms of the twentieth century the Russian Revolution and World War I serve as backdrops to Alice s story as she raises her young son yearns for Edward and begins to fall passionately for the Baron *Alice in Exile* is Piers Paul Read s triumphant return to the fiction for which he is widely hailed romantic dramatic and rich with historical detail and fascinating characters that make Alice s story an enchanting and unforgettable read

A Nasty Little War Anna Reid,2024-02-06 The first comprehensive history of the failed Allied Intervention in the Russian Civil War a decisive turning point in the relationship between Russia and the West Named a Best Book of 2024 by Foreign Affairs Overlapping with and overshadowed by the First World War the Allied Intervention in the Russian Civil War was one of the most ambitious military ventures of the twentieth century Launched in the summer of 1918 it drew in 180 000 troops from fifteen different countries in theaters ranging from the Caspian Sea to the Arctic and from Poland to the Pacific Though little remembered today its consequences stoked global political turmoil for decades to come In *A Nasty Little War* top Russia historian Anna Reid offers a sweeping and deeply researched account of the conflict Initially launched to prevent Germany from exploiting the power vacuum in Eastern Europe left by the Russian Revolution the Intervention morphed into a bid to destroy the Bolsheviks on the battlefield But Allied armaments supplies and loans could not prevent Russia s anti Bolshevik armies from collapsing and the Allies were forced to retreat in defeat The humiliation sapped British imperial swagger chastened American idealism and stoked militarism and nationalism in France and Germany Combining immersive storytelling with deep research *A Nasty Little War* reveals how the Allied Intervention reshaped the West s relations with Russia and set a pattern for other interventions to come

Churchill's Crusade Clifford Kinvig,2007-09-23 The story of Britain s invasion of Russia at the end of the First World War has remained largely untold Although not its initial architect its chief advocate was the passionately anti Bolshevik Winston Churchill Churchill s *Crusade* is the first complete account of a unique military operation one which if it had succeeded would have changed the history of Russia Europe and the World

Special Bibliographic Series US Army Military History Research Collection,1978 A Splendid Little War Derek Robinson,2014-05-06 The war to end all wars people said in 1918 Not for long By 1919 White Russians were fighting Bolshevik Reds for control of their country and Winston Churchill then Secretary of State for War

wanted to see Communism strangled in its cradle So a volunteer R A F squadron flying Sopwith Camels went there to duff up the Reds There s a splendid little war going on a British staff officer told them You ll like it Looked like fun But the war was neither splendid nor little It was big and it was brutal a grim conflict of attrition marked by incompetence and corruption Before it ended the squadron wished that both sides would lose If that was a joke nobody was laughing **D.S. Mirsky** Gerald Stanton Smith,2000 This is the first biography in any language of Comrade Prince D S Mirsky who uniquely participated in three distinctive episodes of modern European culture In late imperial St Petersburg he was a poet a student of Oriental languages and ancient history and also a Guards officer After fighting in World War I and the Russian Civil War Mirsky emigrated taught at London University and became a literary critic and historian writing prolifically in English and also in Russian as a leading member of the Eurasian movement centered in Paris His closest literary relationships were with Marina Tsvetaeva and Aleksei Remizov and later with Maksim Gorky In 1926 7 he published A History of Russian Literature written in English which remains the standard introduction to the subject While in London he lived in Bloomsbury and knew the Woolfs he also knew T S Eliot and was the first Russian critic to write about him Mirsky became a Communist in 1931 and returned to Stalin s Moscow the following year becoming a prominent Soviet critic and in particular championing Boris Pasternak In 1937 he was arrested and died in the Gulag This biography draws on much unpublished material including Mirsky s NKVD files *God Save the Queen* US Army Military History Institute, Lawrence James-Alexander Lentz, 1979

Russia Antony Beevor, 2022-09-20 Riveting There is a wealth of new information here that adds considerable texture and nuance to his story and helps to set Russia apart from previous works The Wall Street Journal An epic new account of the conflict that reshaped Eastern Europe and set the stage for the rest of the twentieth century Between 1917 and 1921 a devastating struggle took place in Russia following the collapse of the Tsarist empire The doomed White alliance of moderate socialists and reactionary monarchists stood little chance against Trotsky s Red Army and the single minded Communist dictatorship under Lenin In the savage civil war that followed terror begat terror which in turn led to ever greater cruelty with man s inhumanity to man woman and child The struggle became a world war by proxy as Churchill deployed weaponry and troops from the British empire while contingents from the United States France Italy Japan Poland and Czechoslovakia played rival parts Using the most up to date scholarship and archival research Antony Beevor assembles the complete picture in a gripping narrative that conveys the conflict through the eyes of everyone from the worker on the streets of Petrograd to the cavalry officer on the battlefield and the doctor in an improvised hospital **The National Union Catalogs, 1963-**, 1964 **Farewell to the Don** Hudleston Noel Hedworth Williamson, 1971 *Foreign and Commonwealth Office, Accessions to the Library, May 1971-June 1977: Author catalogue* Great Britain. Foreign and Commonwealth Office. Library, 1979
