Independent Kashmir Christopher Snedden,2021-06-01 Many disenchanted Kashmiris continue to demand independence or freedom from India Written by a leading authority on Kashmir s troubled past this book revisits the topic of independence for the region also known as Jammu and Kashmir or J K and explores exactly why this aspiration has never been fulfilled In a rare India Pakistan agreement they concur that neither J K nor any part of it can be independent Charting a complex history and intense geo political rivalry from Maharaja Hari Singh s leadership in the mid 1920s to the present this book offers an essential insight into the disputes that have shaped the region As tensions continue to rise following government imposed COVID 19 lockdowns Snedden asks a vital question what might independence look like and just how realistic is this aspiration *Kashmir in Comparative Perspective* Sten Widmalm,2014-04-08 This book investigates the factors that led to the breakdown of democracy and the rise of violent separatism in Jammu and Kashmir in the 1980s and how the risk of a large scale war has grown in South Asia in the 1990s Solutions to this conflict need to be based on knowledge about what caused it as well as perspectives on why this conflict is so particularly dangerous Widmalm offers answers in this book with systematic comparisons over time to establish the causes of the conflict He refutes the contention that ethnic factors are the main cause while acknowledging that ethnic dividing lines are salient features of the conflict today Interviews with representatives of the Indian government the ISI in Pakistan and separatist leaders in Jammu and Kashmir are also incorporated **The Book Review** ,1996 **Faultline Kashmir** Christopher Thomas (Journalist),2000 *Indian Books in Print* ,2003 **India After Gandhi: The History of the World's Largest Democracy** Ramachandra Guha,2017-07-13

Ramachandra Guha's *India after Gandhi* is a magisterial account of the pains, struggles, humiliations and glories of the world's largest and least likely democracy. A riveting chronicle of the often brutal conflicts that have rocked a giant nation and of the extraordinary individuals and institutions who held it together, it established itself as a classic when it was first published in 2007. In the last decade, India has witnessed among other things two general elections, the fall of the Congress and the rise of Narendra Modi, a major anti-corruption movement, more violence against women, Dalits and religious minorities, a wave of prosperity for some but the persistence of poverty for others, comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country's independence, this definitive history of modern India is the work of one of the world's finest scholars at the height of his powers.

Asian Economic and Political Issues Frank H Columbus, 1998 It is predicted by some observers that the 21st century will be remembered as the Asian Century. History of Indian Nation : Post-Independence India Muzaffar H. Syed & Others, 2022-02-20 History of Indian Nation India the cradle for one of the most ancient civilizations in the world has a long and rich history spanning thousands of years. In fact, the history of India begins with evidence of human activity millions of years ago. The Indus Valley Civilization was the first major civilization. Vedic Civilization witnessed the rise of major polities. Almost the whole country was controlled by Mauryan Empire and it was again united under Gupta Empire. Muslim rule in the subcontinent began when the Arabs conquered Sindh and Multan. Then several invasions from Central Asia led to the formation of Muslim empires such as the Delhi Sultanate and the Mughal Empire. Mughals conquered most of northern India and finally controlled the entire sub-continent and Afghanistan. Mughal Empire declined in the 18th century. Then East India Company gained ascendancy over South Asia. Dissatisfaction with Company rule led to an unsuccessful revolt in 1857 after which India was directly administered by the British Crown. In the 20th century a nationwide struggle for independence was launched by Indian National Congress. The subcontinent gained independence from Great Britain in 1947 but the country was partitioned into two dominions of India and Pakistan. After

Independence a new era began This comprehensive book comprising four volumes covers the entire history of the Indian Nation in a very compact manner This book is an asset for historians teachers students and general readers at par
