Life is a Road, the Soul is a Motorcycle Daniel Meyer,2003-03-05 I was on a lonely stretch of road There were no lights other than the moon and stars and I had not encountered any traffic in at least 10 minutes Far ahead of me a figure stepped out of the brush and stood on the shoulder of the road The figure was still far out of my headlight range

but was visible as a stunning and marvelous silhouette in the bright moonlight Capturing the essence of the riding experience through a series of adventures and a candid look into the author s mind this book explodes the myths and shows the reader something few books have before the complex motivations of an avid motorcycle rider *Portraits: 9/11/01* The New York Times,2003-08 Presents portraits of the people whose lives were lost in the September 11 attack on the World Trade Center as published in The New York Times including four hundred additional portraits published since February 2002 **Cycle World Magazine** ,1992-01 **WALNECK'S CLASSIC CYCLE TRADER, MARCH 2007** Causey Enterprises, LLC, *My Life After Death* Erik Medhus,Elisa Medhus M.D.,Elisa Medhus,2015-09 In the follow up to Elisa Medhus s *My Son and the Afterlife* a heartfelt deeply moving story Eben Alexander New York Times bestselling author of *Proof of Heaven* her son Erik tells his astounding story directly from the afterlife describing in detail his death transition and spiritual renewal *My Life After Death* begins on the tragic day when Erik Medhus took his own life What follows is a moment by moment account of the spiritual life he discovers on the other side told for the very first time in his own words as channeled by medium Jamie Butler and then transcribed by his mother Elisa Overflowing with his signature honesty and candor Erik describes more than just a visit to the afterlife He personally walks us through the experience of dying transitioning into spirit form and reveals a detailed look at the life awaiting us on the other side In this intimate and provocative memoir crucial questions will finally be answered including What does it feel like to die What is it like to become a spirit Why and how do spirits communicate with the living Is there a heaven Ultimately Erik s story provides the answers that will help readers find solace and remove the fears surrounding death showing that love has no boundaries and life does not truly end **The Hinge Factor** Erik Durschmied,2011-10-01 From the wooden horse at Troy to a harrowing photograph snapped in Vietnam from Robert E Lee s lost battle plans to the evacuation of Dunkirk world history has been shaped as much by chance and error as by courage and heroism Time and again invincible armies fall to weaker opponents in the face of impossible odds when the outcome had seemed a foregone conclusion How and why does this happen What is it that decides the fate of battle Writing with the style and flair that has made him an award winning war correspondent Durschmied takes us through the major battles of history from the battlefields of ancient Greece to the Gulf War In a series of gripping narratives he vividly recreates the crucial events in all their mayhem and confusion while pointing out the decisive moments that changed the course of history We see Agincourt where rain combined with French arrogance to give Henry V the day the Crimea where a badly worded order led to the disastrous charge of the Light Brigade and colonial Africa where an attack by African killer bees described by the London Times as Germany s secret weapon repulsed an Allied invasion And in a chilling epilogue we are given a disturbing glimpse of the secret attempt by Libya to buy atomic weapons from China for use against Israel Drawing from a variety of sources including personal accounts such as soldiers diaries and letters home *The Hinge Factor* is an instructive fascinating look at how the unpredictable the absurd and the bizarre have shaped the face of history in war New York Magazine

,1987-03-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
