A Home-Concealed Woman Magnolia Wynn Le Guin,2012-02-01 The world of Magnolia Le Guin like that of countless farm women was defined by and confined to home and family Born in 1869 into the rural white agrarian society of Georgia s central piedmont she raised eight children virtually on her own yet never in her life ventured farther than thirty miles from her birthplace Her situation however extreme was not unique in her day What distinguished Le Guin was her love of writing her need to write about being a wife and mother despite a daunting workload and burden of responsibilities that left her with little free time or energy In a plain idiomatic style these diaries detail some of the most

trying but nonetheless fulfilling years of her life At the same time A Home Concealed Woman her own self descriptive phrase provides a firsthand view of the hardships of subsistence farming the material culture of rural society and the codes to which Le Guin as a white woman a southerner and an evangelical Christian adhered The most striking feature of Le Guin s world is that it was confined almost entirely to the indoors from the bedrooms where her children were born and where her parents lay ill and died to the stove room where the daily meals were cooked and cleared Her husband s prominence in their small community and the size of their extended families meant that Le Guin hosted an endless flow of callers and overnight guests more than one hundred in the summer of 1906 alone Managing an already busy household under these conditions so occupied her time that she treasured every respite I was truly glad when I felt the sprinkling of the rain I was so glad I couldn t content myself indoors washing dishes sweeping floors making beds etc etc so I just postponed those things and churning too awhile and betook myself out in the misty rain with a new brushbroom and swept a lot of this large yard and inhaled the sweet air scented with rain settling dust Less idyllic sentiments also fill Le Guin s diaries for the anger and anxiety she could not publicly express found a voice in their pages I feel rebellious once in awhile at my lot so much drudgery and so much company to cook for and in meantime my own affairs my own children my little baby all going neglected Though condescending outbursts about her hired help reveal Le Guin s racial attitudes her endemic prejudice is tempered by her many expressions of genuine concern for individual blacks close to her family As writer Ursula K Le Guin suggests in her foreword the diary may be the best suited literary form for approximating the actual gait of people s lives In Magnolia Le Guin s diary prayerful entreaties for strength and guidance mingle with daily news about her family providing a constant background against which major events such as births and deaths holidays and harvests take place The reader s admiration for Le Guin will grow as the details of her life emerge and accumulate *Motorcycle Illustrated* ,1920 **The Edge of Time** Mike Middleton,2013-01-29 Kate and Luke who run a roadhouse in remote Central Australia are finding it hard to attract staff when a stranger turns up Knowing little more than his name and the fact that he is physically strong they employ Thomas as a casual worker to help with cleaning gardening and serving in the store While Thomas does the work well Kate finds him enigmatic He is good with numbers but poor with spelling His knowledge is limited but he learns quickly He seems nave but asks deep questions On the other side of the world in Saint Petersburg Russian ex cosmonaut and university lecturer Viktor Kamensky is challenged by Toby one of his overseas students to break out of the reclusive life he had been living since the death of his wife and unborn child eight years earlier With Tobys encouragement he attends a reunion in Prague and agrees to speak at a summer conference in Hobart Tasmania Meanwhile Kates daughter Ruth comes home on university vacation meets Thomas and develops a friendship with him She encourages him to spread his wings and share his ideas more widely Thomas scans the Internet for conferences and finds an early photograph of Viktor Kamensky whose appearance is almost identical with his own This catches him off guard and he tells Ruth that he is a clone of Viktor grown on

another planet and on a mission to Earth Ruth is distressed Has she fallen in love with a man who is mentally ill She devises a plan to prove to Thomas that his similarity to Viktor Kamensky is coincidental and that he must learn to overcome his delusional tendencies Ruth travels with Thomas to Hobart They meet Viktor Kamensky and a critical set of challenges emerge challenges that have the potential to change the way humans live their life on planet Earth *TrumpNation* Timothy L. O'Brien,2015-10-20 The extensively researched biography that goes beyond the hype to separate Trump the reality from Trump the reality show USA Today Now with a new introduction by the author this entertaining look inside the world of Donald Trump is chock full of rip roaring anecdotes jaw dropping quotes and rigorous research into the business deals political antics curious relationships and complex background of the forty fifth US president Granted unprecedented access Timothy L O'Brien traveled across the country and up and down the East Coast with Trump on his private jet wheeled around Palm Beach with him in his Ferrari and spent hours interviewing him in his home in his office and on the golf course He met with the entrepreneur s closest friends and most aggressive rivals while compiling a treasure trove of Trumpisms from the Donald himself Trump on the public s enduring fascination with Trump There is something crazy hot a phenomenon out there about me but I m not sure I can define it and I m not sure I want to Trump on naysayers You can go ahead and speak to guys who have four hundred pound wives at home who are jealous of me but the guys who really know me know I m a great builder Trump on the art of self promotion You might as well tell people how great you are because no one else is going to Ultimately when O'Brien s research revealed that Trump s business record and annual spot on the Forbes 400 list of richest Americans might be more fantasy than reality he like so many others who have dared to tangle with the former host of The Apprentice found himself in a courtroom In a new introduction O'Brien reflects on the recent wave of TrumpMania and updates readers on what it s like to depose one of the world s most litigious businessmen and win *The Australian Journal* ,1870 **Congressional Record** United States.
