Smith,2019-04-15 Specialized collections for tweens or middle schoolers are relatively new and becoming increasingly popular This Practical Guide gives librarians everything they need to create such a collection Beginning with a brief description of the early adolescent brain and developmental stages and a history of youth and teen services in libraries Creating a Tween Collection provides a solid foundation on which librarians can build support for such a collection In addition librarians will be given specific criteria for what constitutes tween literature guidelines for forming parameters that will work for their community and suggestions for using reviews and other sources in selecting appropriate materials and dealing with controversial titles Finally readers will learn how to re allocate spaces and budgets and how to market their new collection to patrons This is a must read for librarians who are looking to build a middle school collection in order to better serve their patrons This book Provides rationale about the importance of a specialized Tween Collection Gives specific examples for both fiction and nonfiction books databases and websites Provides guidance for creating diverse collections and tips for dealing with possible challenges Includes numerous case studies and booklists **The Power Notebooks** Katie Roiphe,2021-03-02 Katie Roiphe culture writer and author of The Morning After shares a beautifully written The New York Times Book Review astute memoir that reverberates with rich prose crisp pacing and self compassion Publishers Weekly and an essential discussion of how strong

women experience their power Told in a series of notebook entries Roiphe weaves her often fraught personal experiences with divorce single motherhood and relationships with insights into the lives and loves of famous writers such as Sylvia Plath and Simone de Beauvoir She dissects the way she and other ordinary powerful women have subjugated their own power time and time again and she probes brilliantly at the tricky uncomfortable question of why Although Ms Roiphe seems to be exposing her vulnerabilities here she is actually once again demonstrating her unique brand of fearlessness The Wall Street Journal The Power Notebooks is Roiphe s most vital thought provoking and emotionally intimate work yet **Digital**

Playgrounds Sara M. Grimes,2021-07-22 Digital Playgrounds explores the key developments trends debates and controversies that have shaped children s commercial digital play spaces over the past two decades It argues that children s online playgrounds virtual worlds and connected games are much more than mere sources of fun and diversion they serve as the sites of complex negotiations of power between children parents developers politicians and other actors with a stake in determining what how and where children s play unfolds Through an innovative transdisciplinary framework combining science and technology studies critical communication studies and children s cultural studies Digital Playgrounds focuses on the contents and contexts of actual technological artefacts as a necessary entry point for understanding the meanings and politics of children s digital play The discussion draws on several research studies on a wide range of digital playgrounds designed and marketed to children aged six to twelve years revealing how various problematic tendencies prevent most digital play spaces from effectively supporting children s culture rights and ironically play Digital Playgrounds lays the groundwork for a critical reconsideration of how existing approaches might be used in the development of new regulation as well as best practices for the industries involved in making children s digital play spaces In so doing it argues that children s online play spaces be reimaged as a crucial new form of public sphere in which children s rights and digital citizenship must be prioritized **Broadening Critical Boundaries in Children's and Young Adult Literature and Culture** Amie

A. Doughty,2018-10-30 This collection of essays explores a wealth of topics in children s and young adult YA literature and culture The contributions include an examination of the Watchbird cartoons by Munro Leaf and their attempts to teach morals and manners an ethnographic study about the role of public youth librarians and an exploration of the role popular video games can play in the secondary classroom Other topics investigated here encompass the presentation of environmentalism in Hayao Miyazaki s films psychological analyses and the role of race gender and culture in children s and YA literature **Make Minecraft(r) Costumes** ALIX.
