Fantasies For Fantastic Christians:

Fantasies for Fantastic Christians Hubert F. Beck, 1977-01-01 The author presents seven brief fantasies to teach lessons in Christian living to the reader

Fantasy Literature and Christianity Weronika Łaszkiewicz, 2018-10-04 The debate surrounding the Christian aspects of C S Lewis's *The Chronicles of Narnia*, J R R Tolkien's *The Lord of the Rings*, Philip Pullman's *His Dark Materials* and J K Rowling's *Harry Potter* has revealed not only the prominence of religious themes in fantasy fiction but also readers' concerns over portrayals of religion in fantasy. Yet while analyses of these works fill many volumes, other fantasy series have received much less attention. This critical study explores the fantastic religions and religious themes in American and Canadian works by Stephen R. Donaldson's *Chronicles of Thomas Covenant*, Guy Gavriel Kay's *Fionavar Tapestry*, Celia S. Friedman's *Coldfire Trilogy* and Brandon Sanderson's *Mistborn*. References to biblical tradition and Christian teachings reveal these writers' overall approach to Christianity and the relationship between Christianity and the fantasy genre.

Christian Fantasy Colin N. Manlove, 1992-06-18 This is the first account of invented stories involving the Christian supernatural. In their development, a central concern is found to be the fantasy making human imagination itself at first seen as an obstacle to Christian purpose but more recently given freer rein.

Last Gospel of Christ Daniel F. Owsley, 2012-02-25 The Last Gospel of Christ can be described beautifully by the words of James Hefley who long ago wrote: "Here is a man who was born in an obscure village, the child of a peasant woman. He worked in a carpenter shop until He was thirty, and then for three years He was an itinerant, educated preacher. He never wrote a book. He never held an office. He never owned a home. He never had a family. He never went to college. He never put His foot inside a big city. He never travelled two hundred miles from the place where He was born. He never did one of the things that usually accompany greatness. He had no credentials but Himself. He had nothing to do with this world except the naked power of His Divine manhood. While still a young man, the tide of popular opinion turned against Him. He was turned over to His enemies. He went through the mockery of a trial. He was nailed to a Cross between two thieves. His executioners gambled for the only piece of property He had on earth while He was dying, and that was His coat. When He was dead, He was taken down and laid in a borrowed grave through the pity of a friend. Such was His human life. He rises from the dead. Nineteen wide centuries have come and gone, and today He is the Centerpiece of the human race and the Leader of the column of progress. I am within the mark when I say that all the armies that ever marched and all the navies that ever were built and all the parliaments that ever sat and all the kings that ever reigned put together have not affected the life of man upon this earth as powerfully as has that One Solitary Life. And to sum up this work, it's simply about the life and death of our Lion of Judea, that's told from a prophetic, fundamental viewpoint through many authors. And as the gospel is unfolded, it clearly spells out that there are only two kinds of Christians. And I'm not talking about Catholic or Protestant. For so it is that the only two kinds of followers are those who know that they're victorious no matter what, and then there's the kind of believer that doesn't know that at all. But

it s very unfortunate that people in that group sadly settle for the mistaken belief that they ve been defeated somehow For they easily forget that Christ within them stands much taller than the devil who has already been long ago defeated at the cross But it doesn t need to be said that even though those confused true followers might walk daily in defeat they re still pretty big winners in our Lord God s sight due to their faith even though it might be the size of a mustard seed The New Earth Daniel F. Owsley,2012-04-16 Bible prophecy predicts a new earth which shall be so Eden like that the ressurected Adam of Genesis shall once aggain feel right at home Nor shall our remade planet be much like it currently is For that shall be the time when seas shall be no more and ponds rivers and lakes shall come forth in great abundance in places that were once more than desolate And as earth transorms into a fantastic paradise mankind will have a new home that will not have anymore huge mountains as well So dare to read the prdictions of God s word about the way our planet shall be reshaped by our Potter s very own hand And as any reader takes this journey into a futuristic time they shall be greatly blessed to find some great insight into our Lord s remarkable plans that are just ahead Neither should anyone be too supriised to discover that our Hero of Heroes shall see to it that this forthcoming new utopia will find lnew beauty as old earth has never seen For the glory of what lays aheaad shall go far beyond things that are of the past And as a special treat two other books are included in this best of Owsley edition The Diadem of the New Jerusalem and the Alpha Legacy So snuggle on up with these amazing books which shall expand the insight of anyone who presses in to understand some of the lofty things of God s mosterious enigmas But as people press in for understanding here they shall soon find that many od those enigmas were never that hard to comprehend to begin with as long as the right light of the Holy Spirit has been shined over scriptures

Religious Intimacies Mary Dunn,Brenna Moore,2020-11-03 An essay collection that demonstrates how emotional ties and intimate affiliations remain critical to the dimensions of modern Christianity Scholars of religion have come a long way since William James famously made of religion a matter between man and his maker For decades now they have been attentive to the ways in which religion takes shape as the product of broad social forces focusing on the dynamics of power and culture as heuristics for understanding religious phenomena and experience What however might they be missing by moving too quickly from one interpretative extreme to the other and what might we learn about religion by staying in the interstitial space between the individual in her solitude and society as a whole Religious Intimacies edited by Mary Dunn and Brenna Moore brings together nine scholars of modern Christianity to probe this in between space In essays that range from treatments of Jesuit indigenous relations in early modern Canada to the erotics of contemporary black theology each contributor makes the case for the study of the presence and power of affective ties and relational dynamics between friends lovers and intimate others even things as vital to the understanding of religion These thoughtful and probing essays convincingly show that ties built upon affect family and shared convictions have continued to inform lived religious experience in modern times and shape western Christianity in significant sometimes surprising ways Jodi Bilinkoff University

Crocodile Tears of Satan Daniel F. Owsley, 2012-06-04

The Fantastic in Religious Narrative from Exodus to Elisha Laura Feldt, 2014-10-14

The Fantastic in Religious Narrative from Exodus to Elisha argues that perspectives drawn from literary critical theories of the fantastic and fantasy are apt to explore Hebrew Bible religious narratives The book focuses on the narratives marvels monsters and magic rather than whether or not the stories depict historical events The Exodus narrative Ex 1 18 and a selection of additional Hebrew Bible narratives Num 11 14 Judg 6 8 1 Kings 17 19 2 Kings 4 7 are analysed from a fantasy theoretical perspective The fantasy perspective helps to make sense of elements of these narratives that although prominently featured in the stories have previously often been explained by being explained away These case studies can illuminate Hebrew Bible religion and offer wider perspectives on religious narrative generally In light of the fantasy theoretical approach these Hebrew Bible stories with the Exodus narrative at the centre read not as foundational stories affirming triumphantly and unambiguously the bond between the deity his people and their territory but rather as texts that harbour and even actively encourage ambiguity and uncertainty not necessarily prompting belief orientation and a sense of meaningfulness but also open ended reflection and doubt The case studies suggest that other religious narratives both in and beyond the Judaic tradition may also be amenable to interpretation in these terms thus questioning a dominant trend in myth studies The results of the analyses lead to a discussion of the role of ambiguity uncertainty and transformation in religious narrative in broader perspective and to a questioning of the emphasis in the study of religion on the capacity of religious narrative for founding and maintaining institutions orienting identity and defending order over disorder The book suggests the wider importance of incorporating destabilisation disorientation and ambiguity more strongly into theories of what religious narrative is and does

Sibylline Oracles of Christ Daniel F. Owsley, 2012-04-24

In this Apmplified edition of the Sibylline Oracles of Christ readers shall be more than amazed at the inspired words of the ancient Greeks Nor should Christians be too shocked to discover that the author of the following text has prophesied many of the same happenings as the Bible prophets have And in the mouth of several witnesses this literature is absolutely magnificent For it is written

- 1 And it shall come to pass in the last days that God shall speak with a mighty voice To all rude people of an empty mind who do not bow down unto His son
- 2 And judgement from the mighty God shall swiftly come Upon them and they all shall be destroyed By his immortal arm
- 3 And fiery swords Shall fall front heaven on earth and great bright lights Shall come down flaming in the midst of men And in those days shall earth all mother reel By his immortal arm and shoals of fish In the deep sea and all wild beasts of earth And countless tribes of winged fowl and all The souls of men and every sea shall tremble Before the face of the Immortal One
- 4 And there shall be great dismay High mountain peaks And monstrous hills shall he asunder break And to all shall dark appear
- 5 And misty gorges in the lofty hills shall be full of the dead and rocks shall stream With blood and every torrent fill the plain
- 6 And well

built walls of evil minded men Shall all fall to the earth since they knew not The law nor judgement of the mighty God But with a senseless soul all hurried on Against the temple and raised up their spears 7 And God shall judge all by war and by sword And by fire and by overwhelming storm And brimstone there shall be from heaven and stones And great and grievous hail and death shall come Upon the awful winds of our Lord s greatest curses for all evil ones to know 8 And then shall they Know God the Immortal who performs these things And wailing and upon the boundless earth Shall be at once a shout of perishing men And all the unholy shall be bathed in blood 9 And earth herself shall also drink the blood Of the perishing and beasts be gorged with flesh 10 And all these things the great eternal God Himself bade me proclaim And that shall not Be unaccomplished or be unfulfilled Whatever only in my heart he put For truthful is God s spirit 11 But children of the mighty God shall all Again around the temple live in peace Rejoicing in those things which he shall give Who is Creator righteous Judge and King For he himself great present far and wide Shall be a shelter as on all sides round A wall of flaming fire And they shall be In cities and in country without war 12 For not the hand of evil war but rather The Immortal shall himself be their defender And the hand of the Holy One And then shall all The islands and the cities tell how much The immortal God loves those men 13 For all things Help them in conflict and deliver them Heaven and divinely fashioned sun and moon And in those days before those blessings shall earth all mother reel Sweet word shall they send from their mouths in hymns Come falling on the earth let us all pray The immortal King and great eternal God 14 To the temple let its in procession go Since he alone is Lord and let us all Meditate on the law of God most high Which is most righteous of all laws on earth And as an additional treat to really bless people s souls also included within this fantastic offering is two books of some forbidden knowledge of good and evil that s straight from the desk of James the Righteous discovered recently at the Dead Sea as scrolls 478 and 479 of the Essene sacred texts

Christ Became Sin Daniel F. Owsley, 2012-03-13 Christ Became Sin is fated to become a classic since it offers the kind of inspiration that can t be found in Inspiration For Dummies Tis a smart book for smart people who want to understand why the Bible said that Christ became sin So it is up to intellectual Christians to dare to read how the forces of darkness were defeated the very moment Jesus Christ Almighty felt the shame of sin upon Him even though He knew that not Our most worthy Rock of the Ages also walked the greatest walk while talking the purist talk that ever could have been talked by anyone Nor can it ever be denied that our exalted Architect of the Foundation of the Age of Grace even divided mankind s calendar asunder For it was always His job alone to split time in two as easily as He faithfully spread the good news of God s kingdom Even those that don t believe in our Lord of Life know that He made a bigger impact on our world than the largest meteor that ever hit it Neither can any atheist ever dare to declare that our Living Star of Bethlehem hasn t had his name shining upon countless neon signs with the word saves underneath it Furthermore the name of Jesus and his legacy has survived throughout the darkest ages while setting free some of the darkest souls twas also a most remarkable story with no past tense For it still speaks very loudly of future days of bliss that shall surely pound our

earth's ground with a fury of some very peaceful tranquility And it was our Lord of Always passion alone that evermore set the tempo for all of creation to sing with gladness for His long awaited return Therefore this is both the beginning and end of His story and a look back at a blood soaked history that reveals it's most incredible climax Nor does it matter what anyone thinks about Jesus For it shall come to pass that every soul looking towards His glory can never again stand in His shadow For His overflowing brightness shall never again allow any darkness

The Second Coming of Christ a Majestic Moment Daniel F. Owsley, 2012-03-14 In the Second Coming of Christ a Majestic Moment there has never been a more descriptive Bible based story of the wedding supper of the Lamb and His return to earth charging towards it with countless thousands of saints in tow 2 As the charge of heaven's troopers finally descended upon the perplexed soldiers of Armageddon their bewilderment then hastily triggered total disorder within their very deranged and most confused ranks 3 Then deepest travail soon began to sweep over them while their brains were riddled with some real deep questions that none of them could ever begin to answer 4 But it was also soon really clear that the Antichrist wouldn't have a chance to carry out his scheming plans 5 And since our Living Promise finally showed up faster than he expected all of that son of Satan's plans were then instantly blown away 6 And as the vast armies of heaven entered into our planet's really thin atmosphere all of them knew that they would be locking horns with the followers of Hell in a winner take all battle that would never really be fought 7 And that epic Day of our Lord came forth exactly seven years after the golden trumpet finally signaled the glorious appearing of Christ and the following second rapture of His very own 8 Then it was undeniably heaven's most glorious hour of a long awaited victory as well as Hell's fleeting moments of its very swift defeat 9 But it was additionally the time when Jude 1:14 would finally come to pass For millions of thousands of saints were joyfully following behind Christ twas also the real silent season when time itself seemingly stood still 10 Then at the very moment of our exalted entry into earth's cloudy atmosphere over the pitch black eastern skies the four winds then instantly pulled back like they were never even there to begin with 11 And that immediately allowed for heaven's portal to open way up while allowing our majestic Author of Influence to swiftly ride on through along with His glowing army behind Him 12 That was therefore the biggest climax of the ages the highest peak of wonderful and the very top of amazing all rolled up together as one Heads then shook with disbelief while a multitude of tears from lost pitiful souls suddenly fell as rain

Of Heaven and Hell Daniel F. Owsley, 2012-03-13 Of Heaven and Hell takes the reader through a spiritual Twilight Zone where they can soar upon the exalted winds of the eagly or glide downwards upon the stench ridden breezes of the raven which are full of the stink of rotting flesh tias therefore a great evangelism tool since someone can laugh or cry as they take a trip through some of God's unvieled mysteries Tis also a guide to the most sorrowful things as well as one unto things that are overflowing with the greatest joy So take a moment to expolore things that awaaait in our great beyond For in a day to come even things like our New Jerusalem shall float on down to earth like a bride that is adorned for her groom But above all this book of enlightenment will bless anyone mightily in the

name of Jesus Christ Almighty while helping them to avoid the multitude of curses which await everyone who curses themselves because they refuse to believe in our Living Truth American Book Publishing Record Cumulative, 1950-1977: Title index R.R. Bowker Company. Department of Bibliography, 1978 Christian Wisdom Meets Modernity, 2016-05-05 The Illuminating Modernity series examines the great but lesser known thinkers in the Romantic Thomist tradition such as Erich Przywara and Fernand Ulrich and shows how outstanding 20th century theologians like Ratzinger and von Balthasar have depended on classical Thomist thought and how they radically reinterpreted this thought The chapters in this volume are dedicated to the encounter between the presuppositions and claims of modern intellectual culture and the Christian confession that the crucified and resurrected Jesus is the power and wisdom of God and is the lord of history and of his church The scholars contributing to this discussion do not assume that Christianity and modernity are two discrete entities which can be readily defined nor do they presume that Christian wisdom and modernity meet each other only in conflict or by coincidence They engage with a variety of great figures Kierkegaard Heidegger Rahner Przywara Guardini Karl Barth and Karol Wojtyla to illustrate the connection between modernism and Christian wisdom The volume concludes with a programmatic statement for the renewal of Christian philosophy that has been able to retain the cosmo theological vision as outlined by Mezei in the final chapter **In the Beginning** Daniel Fletcher Owsley, 2012-03-10 1 According to tradition the writer of the Pentateuch passed along some other amazing thoughts to his eldest son who later became a priest in the Order of Aaron 2 Even though Exodus 18:3 identified Gershom as the son of Moses the priest of the staff there is not too much written about him throughout the Bible's first five books 3 Almost 2,000 years would eventually pass before Ethiopian monks would release the inspirations of Gershom from the Mek'ele scrolls which were long hidden at Gondar 4 And within the following pages restless souls will be sure to find a great deal of rest as they are spiritually empowered and renewed by the type of important knowledge that lays within For these informative writings are filled up with the kind of blessed hope that the very best dreams could ever be made up of much less ever dreamed 5 Hear ye then the kind of thoughts that the prophet of Exodus inspired his son with which caused Gershom to continue on where his father left off For he then stressed 6 Before the beginning was the Light Nor was there anything dark anywhere that could be seen by anything For the Light was God And the blinding rays of His Word His only Son was ablaze with such a glorious Fire of Life that nothing under His smile of true abundance ever could have withered away towards death 7 Neither was there any blackness anywhere within any distant corner of all that was 8 Nor were there any places of darkness any place where our most lofty Godhead was 9 Even the nothingness of some distant shadows couldn't exist around their unending presence that filled up every space of all infinity 10 For the brightness of our Trinity of Faith Hope and Love could never be hid from any of the uncreated creation which was still only a thought within Jehovah's mind 11 So it came to pass that God then said Let Us now speak forth darkness which shall only come from our absence alone Then it came to be that our triune Godhead immediately brought

forth darkness which was born from out of the newly created shadow that was suddenly being laid all across every place where They were not 12 And yet at the very same time in the places where They were not there also were They byway of Their Spirit of Unity Who always went before the Living Word of God and the amazing illumination of His very own overflowing glory S LIGHT 13 Once literature like the Mek Ele scroll is unrolled people can easily get a feeling that some of the things about our world s entrance into creation hasn t been fully understood 14 Nor shall anyone fail to see that this grand picture of earth s glorious beginnings has been hanging very crookedly for decades and decades going back countless centuries 15 Only now can our world s people finally be able come forth from out of the dark ages of their own unanswered puzzles that have surrounded the ins and outs of how things began 16 Therefore everything shall be unveiled veil by veil sheet by sheet one at a time one after another so the truths about our planet s true happenings can finally come forth 17 Then shall the enigma of the ages be solved word by word sentence by sentence and one line upon another As such the answers to many riddles shall all race to the crowning moment when people can finally accept the common sense revelations of earth s origins 18 twas therefore the supernatural time for the natural order of things to come forth in a very orderly way which was sure to be organized and real methodical in it s unveiling 19 And so it was fated much later on that the hour of some great enlightenment would eventually come to pass when Moses would be instructed to record the Word of God for all to see and to ponder But when Genesis 1 3 said that God created light the two sons of Moses knew that he was only talking about the sun of earth s solar system

Simulating Jesus George Aichele,2015-01-30 Can the different pictures of Jesus in the New Testament be reconciled Or are they simply simulations the products of a virtual Gospel Simulating Jesus argues that the gospels do not represent four versions of one Jesus story but rather four distinct narrative simulacra each of which is named Jesus The book explores the theory and evidence justifying this claim and discusses its practical and theological consequences The simulations of Jesus in each of the gospels are analysed and placed alongside Jesus simulacra elsewhere in the Bible and contemporary popular culture Simulating Jesus offers a radical understanding of Scripture that will be of interest to students and scholars of biblical studies
