Soul in the Game Lily Cahill, 2016-09-12 Mustangs wide receiver Ben Mayhew has been running for two years away

from the accident that tore his world apart away from his aristocratic parents who don't understand him and from the friends who sold him out to the tabloids. He's shielded his broken heart with arrogance and a bad attitude and he's perfectly happy that way until he meets Nara Robinson. She finds the cracks in his armor and for the first time in years the future doesn't look miserable. But when his family threatens to disown him and strip him of his title, will he choose love or safety? Nara Robinson has always been the good girl, a bubbly cheerleader, a devoted sorority sister, a loyal daughter, after her sister's overdose. But no matter how hard she tries to fake being perfect, Nara can't fake being happy. Then Nara meets Ben and her good girl personality gets upended. Maybe being good is overrated. Maybe it's time to think about herself for once. One thing's for sure, she can't get Ben and the very bad things she wants to do with him out of her mind. If they can face their personal demons, Ben and Nara might find true happiness together. But can they overcome the darkness in their pasts?

Ten Incarnations of Rebellion Vaishnavi Patel, 2025-06-30 Kalki Divekar grows up a daughter of Kingston, a city the British built on the ashes of Bombay. The older generation, including her father, have been lost to the brutal hunt for rebels. Young men are drafted to fight wars they will never return from. And the people of her city are more interested in fighting each other than facing their true oppressors. When tragedy strikes close to home, Kalki and her group of friends begin to play a dangerous game, obtaining jobs working for the British while secretly planning to destroy the empire from the inside out. They found Kingston's new independence movement, knowing one wrong move means certain death. Facing threats from all quarters, Kalki must decide whether it's more important to be a hero or to survive. Told as ten moments from Kalki's life that mirror the Dashavatara, the ten avatars of Vishnu, *Ten Incarnations of Rebellion* is a sweeping, deeply felt speculative novel of empowerment, friendship, self-determination, and the true meaning of freedom.

The daughters' search begins 40 years later as she slowly, painstakingly stitches together her story. These intertwined tales give us two unforgettable points of view of a remarkable journey and of the multiple meanings of motherhood.

Novack , We can run but we cannot hide from ourselves or our past At age forty three the past that I thought I had so neatly put behind me collided with the present I had spent many years trying to distance myself from the memories of my childhood Little did I understand that my past was controlling every aspect of my life All the years of depression anxiety and addictions could have been avoided if I had known what I understand today That is what this book is all about what I wish I had known I had believed the lie that time heals all wounds This idea of time and healing may be true of broken hearts but with the trauma of child abuse this understanding could not be further from the truth Our future can be full of joy and happiness in the wake of abuse but only once we learn how to face our past I spent over twenty years hiding from my past in church hoping that God would somehow make it all go away In many ways my life was enriched but in many other ways I was worse off than when I started In this book I explore why so many of us seem to be languishing in church when the opposite should be true The truth is that God loves us way too much to allow us to run away from what He knows can become our better qualities I hope you will join me as I share my past of abuse what I have experienced along my journey my ideas about God and who He has become in my life and what I have learned about healing and recovery **Seven Brothers of Sin** Cassandra Dee,2019-04-17 Why pick one brother when you can have seven I grew up next to the Morgans All boys and we played doctor sometimes But now it s ten years later I m back from college And the Morgans well they make me shiver everything going hot Because the men are gorgeous Matt on Monday Tim on Tuesday Will on Wednesday Trent on Thursday Ford on Friday Sam on Saturday And Smith oh god Smith s perfect for Sundays Because Sunday s meant for penance Doing right and thinking good thoughts Going to church and acting godly But I can t be good I can t possibly choose because they re too gorgeous So I don t Is that wrong Or is seven my lucky number Hey Readers This story was my first reverse harem and needless to say it was LOADS of fun writing it Our heroine is your sassy girl next door who embarks on a wild ride with SEVEN lucky men As always there s a guaranteed HEA with no cheating and no cliffhangers You ll love it I promise Xoxo Cassie **Wife Living Dangerously** Sara Susannah Katz,2009-05-30 A smart and funny debut about a woman who went from being the good girl to the good wife and mother Now she s itching to be bad with a hot college professor Just how far will she dare to go Original An Almost Fluorescent Universe Austin C.
