Fantastic People:

Fantastic Alan Austin-Smith, 2013-01-09 GOOD JUST ISN'T ENOUGH BE FANTASTIC Good is just average Who wants to just be good anymore Most people are good and you can't afford to be just the same as everyone else Would you want to employ someone who is just good at their job Would you buy a product that's just average Nowadays everything needs to be better To stand out in business and in life you have to be fantastic Alan Austin Smith knows how to get there and he's developed the Fantastic theory to show us all how Fantastic people share seven characteristics Passionate Creative Delighting people Performers Alive Inside Always Learning Have Fun How many do you have Make it all of them Push your business to shine Make it fantastic A full colour highly visual book with real impact in motivating you to be Fantastic in all that you do Straightforward advice that anyone can apply in their work or life or in running their own business Covers perennial selling topics such as motivation confidence creativity and communication Fantastic Worlds Eric S. Rabkin, 1979-06-07 As the first international anthology to cover the entire scope of fantastic narrative Fantastic Worlds presents over fifty tales myths and stories ranging from Genesis to Ovid Hans Christian Andersen to J R R Tolkien Edgar Allan Poe to James Thurber and Franz Kafka to Italo Calvino Including tales of fairies and elves ghost stories high fantasy and stories of social criticism and the conflict between science and religion this volume presents a diverse selection of writings that all share the same capacity to liberate the human spirit through the wild mental acrobatics of fantasy **The Female Fantastic** Lizzie McCormick, Jennifer Mitchell, Rebecca Soares, 2018-08-06 For women identified writers of both eras the fantastic offered double vision Not only did the genre offer strategic cover for challenging the status quo but also a heuristic mechanism for teasing out the gendered psyche's links to creative personal and erotic agency These dynamic presentations of female and gender queer subjectivity are linked in intriguing and complex matrices to key moments in gendered history This volume contains essays from international scholars covering a wide range of topics including werewolves mummies fairies demons time travel ghosts haunted spaces and objects race gender queerness monstrosity madness incest empire medicine and science By interrogating two non consecutive decades we seek to uncover the inter relationships among fantastic literature feminism and modern identity and culture Indeed while this book considers the relationship between the 1890s and 1920s it is more an examination of women's modernism in light of gendered literary production during the fin de siècle than the reverse **The Travellers' Tales** Alastair Cairns Hull, 2025-05-28 Travel fiction based on the extensive travels by the author Describes travel in the early 1970s when there was a dramatic change in the way people were travelling and the places they were travelling to My Corner of the Sky Kerri Dyer-Keen, 2010-06-10 She was going to go home with her husband driving the car in order to get ready to perform a variety show at a leading club in Sydney Australia Happy everything seeming normal Next thing you know 4 and a half months later total chaos reigns 30 years on Kerri is a singer that can no longer sing at the moment Follow her through her growing up years her time as a witch her time as a club and

television entertainer her scary road trip to Darwin and performing at the Sydney Opera house Then she has an accident Chaos and the eventual triumph over adversity Laugh and cry at all the funny and strange things that made up Kerris 3 different lives Sometimes wish that it was your life MAYBE NOT **X-Ops Exposed** Paige Tyler,2018-04-03 New York Times and USA Today bestselling author Paige Tyler delivers a red hot paranormal romantic suspense filled with a fierce shifter who thinks he s too dangerous to love a determined scientist who sees the hero beneath a remote mountain town with secrets of its own and nonstop action that ll keep you on the edge of your seat Tanner Howland is a feline hybrid a blend of human and shifter and a survivor of DNA experiments disguised as science Knowing he can t fully control his ability to shift Tanner escapes deep into the forests of Washington State leaving behind the one woman who treated him as a person and captured his heart Heartbroken and determined to find out the truth behind the lies she s been told Dr Zarina Sokolov tracks Tanner into the wild But locals have been disappearing and no one is safe The only way to protect Zarina now is to embrace the dangerous instincts Tanner fears so much Can he learn to control his animal impulses or will he lose himself and the woman he loves to the beast within BONUS CONTENT The ebook includes a second full length novel Hungry Like the Wolf Book 1 in Paige Tyler s sizzling SWAT series **Morning Zen** Adrian Gonzalez,2022-04-30 In this era of smartphones and 24 7 internet access most of us wake up and immediately dive into the challenges of the day responding to messages catching up on the news and following up on our daily tasks Unfortunately this behavior turns us into firefighters of our lives leaving us listless scattered and stressed And we forget to dedicate a little time in the morning for the most important person in this world which is you The powerful process of Morning Zen helps you take back your mornings and start the day on the right foot Through clear and easy to follow steps the method shows you exactly how to establish the critical habits necessary to improve your health energy and attitude to passionately pursue your goals and prepare yourself for the day s battles For more than ten years Adrian Gonzalez worked on the creation of a new concept a mix of skills habits and disciplines He discovered that if put together they had the power to bring lots of benefits Therefore he proceeded by elaborating and developing a seamless and easy routine which everyone can choose to follow So far his morning routine has helped managers CEOs and businessmen who while passing through difficult times like bankruptcies separations and life plateau managed to find once again a happier balance in their life empower into their goals and embrace a new meaning of success

moments then get your hands on *Wolf Rising Fresh Fiction for Wolf Rising* **Job Generation** Steven R. Musick, 2013-07-15 With more than 23 million Americans looking for work job generation is a priority for restoring the American economy Yet many of the unemployed and underemployed are not looking for just any job but the right job one that will complement their skill sets and desires The right choice for many is working alongside innovative entrepreneurs who are playing a major role in changing today's business climate Steven R Musick owner of the decades old company Destiny Capital and a Professor at the University of Denver believes the key to job generation is tapping into America's exceptional entrepreneurial spirit fueled by hundreds of thousands of young creative people But once they have found their Big Idea many creative minds often find themselves a loss for how to make it take seed find capital to expand distinguish themselves in the marketplace from their competitors along with a myriad of other issues that face an entrepreneur At the same time with millions on the job market how do potential employees stand out during an interview knowing the right questions to ask to separate themselves from the sea of other candidates Professor Musick has the answers in this informative challenging book a key component of his entrepreneurial class This book is full of real life examples of model companies whose time tested management techniques and forward thinking processes have made themselves leaders in their industries always ahead of their competitors with new ideas that allow their companies to grow adding jobs to the American economy Life lessons are also here for job seekers with stories from workers whose thought provoking interviews have allowed them to clinch the job letting their unique skills become integral components which have helped propel their chosen companies to the top of their sectors With this book Professor Musick shows that job generation the way to keep America on a steady path of growth can be achieved by those with the right entrepreneurial spirit and the skills to keep the economy humming How will America get back on the right track Job generation is the answer *On Your Marks* Russell Dickson, 2014 The task of establishing yourself as an elite sports person is a monumental one It's not for the faint hearted Elite sport is tough unrelenting and a lot of hard work The blood sweat and tears can teach you about yourself in brutal ways but if you choose to listen they will teach you lessons that are invaluable for the rest of life's journey Is there any possibility that this person you discover and become on your journey is the real you God has been waiting to connect with The one who is exhausted who couldn't run another step hit another ball or throw another punch the one who is starting to question if you have what it takes to go on Could this be possible especially when you might not believe God is real in the first place Come with Hepz Sullivan as he feverishly pursues his dream of Olympic Gold After four years of commitment will he finally make these Games his own **Doing December Differently** Nicola Slee & Rosie Miles, 2006-10-17 Explores how people of faith and goodwill might mark the midwinter season and the Christmas festival with integrity and simplicity *Minnesota Hockey Greats: Homegrown Talent in the NHL* Jeff H. Olson, 2022 A chronicle of Minnesota's hockey excellence in the world's top hockey league the NHL The years 1960 to 1982 were a watershed moment for Minnesota hockey and the Land of 10 000 Lakes has enjoyed hockey success ever since In that time

pioneering homegrown players like Bill Nyrop Dave Langevin Reed Larson Mike Ramsey Dave Christian Neal Broten Paul Holmgren and Phil Housley established themselves as bona fide stars at the games highest and most competitive level More recently another remarkable group of native sons including Zach Parise Blake Wheeler Dustin Byfuglein and T J Oshie left their mark on the league Profiling more than seventy players and compiling Minnesota NHL records gathered nowhere else Jeff Olson celebrates the brilliant achievements of Minnesotans in the National Hockey League [How to Succeed in 12 Months](#) Serena Star-Leonard,2014-04-24 Step into the more fabulous version of your life Think about where you are in life right at this moment How does it compare with your dreams You may have let go of a few life goals over the years as real life took over and made grand gestures seem like impractical fantasies But no matter where you are on your life s journey it s not too late to reclaim your dreams and achieve the life you ve always wanted It s absolutely possible to design your own lifestyle instead of just allowing circumstance to dictate your daily routine How to Succeed in 12 Months Creating a Life You Love is your ultimate guide to turning your dreams into reality Author Serena Star Leonard is living the dream herself having practiced what she preaches In the book she shares the secrets behind figuring out the steps that will get you the life you ve always wanted and taking those steps in leaps and bounds It s not a get rich quick scheme but a one year plan to stepping out of your rut and into your most fulfilling life Star Leonard provides a roadmap to Breaking your dreams into small actionable steps Eliminating excuses and gaining confidence Prioritizing your goals for better planning Designing your lifestyle around your interests Whether you ve been looking for a way to work closer to your dreams or are just looking for a way out of the rat race Star Leonard is your guide to make big things happen How to Succeed in 12 Months Creating a Life You Love is the key that opens the door to a more fabulous version of your life **The Little Class with the Big Personality** Fran Hunnisett,2005 Annotation Professional but readable overview of an early years class for children with autism Provides both teacher s viewpoint and parents perspectives Celebrates the personalities of children with autism **War Stories: Some Memories from the Firehouse Years** Lew LeBlanc,2014-06-13 A Captain from a suburban Fire Department shares over 100 stories from his 30 year career in this collection of anecdotes It s not all guts and glory and running into burning buildings There s also downtime station life and side jobs He has seen people at their best and at their worst and everything in between Just when you think you ve seen it all what looks like a routine call turns out to be anything but routine Put it all together and you have an interesting study of human nature Many of these stories will make you laugh some will make you cry and others will just make you stop and think See life through his eyes that of a career firefighter This book is not just for firefighters A glossary ensures that everyone can enjoy the stories including those who may not be familiar with Fire Department jargon *Gentrification and the Media* Stéphane Sadoux,Marie-Pierre Vincent,David Fée,Louise Dalingwater,2025-10-01 Gentrification is extensively discussed in the media where coverage can describe changing neighbourhoods and analyse the causes and consequences of such change The media are also arenas in which the

voices of those who advocate or resist gentrification can be heard How can this profusion of content be examined What methods can be used to critically address the role of the media in constructing and propagating discourses on gentrification Central to this book is the idea that new research should engage with the theoretical and methodological issues that emerge when media products are used as a corpus to study gentrification *HR Leadership* Linda Holbeche, 2010 HR leadership is a rapidly evolving concept This book draws on the personal experiences of some of today s most talented HR professionals who through their leadership are making a real difference to their organisations no matter what industry they work in
